34	I like living in the countryside and the surrounding areas.	1/3/2017 2:53 PM
35	everything	1/3/2017 11:07 AM
36	Walking cycling facilities, woodland areas. Good transport links. Small shops, including a post office. Community Centre at Victoria Institute. Community projects such as wildflower planting, community litter picks. Scouts, Cubs and Guides. Areas for sport, such as the playing field. Caton Carnival. The architectural heritage ( stone walls, bridges, buildings made from local stone) The village website - an excellent source of information. The Community spirit. i.e. to clean up the rubbish after the floods etc. Areas of wild flower planting. Additional bins on the cycleway.	1/3/2017 10:33 AM
37	Sense of community, countryside but with basic amenities, e.g. shop. doctor, library. Buses to get out of the village to larger shops hospital etc.	1/2/2017 7:54 PM
38	sENSE OF COMMUNITY, range of local groups and activities, close to open countryside. The Institute and community library are invaluable resources.	1/2/2017 7:39 PM
39	Community spirit. Churches work together. Beautiful surroundings. Easy access to town.	1/2/2017 11:46 AM
40	Community spirit. Churches work together. Beautiful surroundings. Easy access to town.	1/2/2017 11:45 AM
41	Community spirit. Churches work together. Beautiful surroundings. Easy access to town.	1/2/2017 11:12 AM
42	It has a lovely village feel to the place. It has its own identity.	1/2/2017 8:56 AM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

43	Countryside location and friendly people	1/1/2017 6:32 PM
44	I like the fact that many people are always meeting up and using the play ground in Caton.	1/1/2017 4:43 PM
45	The accessibility to the cycle track for walking, biking and running. The location, near to Lancaster and the motorway and still rural and picturesque.	1/1/2017 4:41 PM
46	Surrounded by beautiful countryside, with lots of walks. Also like the proximity to Lancaster.	1/1/2017 4:32 PM
47	Proximity to countryside, shops, doctor , bank hole in the wall.	1/1/2017 1:06 PM
48	Quiet , friendly, with shops post office Doctors , churches and nice pubs .	12/31/2016 1:26 PM
49	slightly slower pace of life	12/31/2016 12:19 PM
50	Born and bred here, has good amenities and still retains a village feel	12/31/2016 11:02 AM
51	LOCATION -access to beautiful countryside and coast; - transport links via Rail. motorways, A65	12/30/2016 5:42 PM
52	Location - beautiful scenery-coast and country, close to Lancaster, Carnforth, Garstang. Good transport - motorway links; A65 to east; rail	12/30/2016 5:35 PM
53	Access to the countryside and river Lune, local facilities including the co-op and hairdressers, off road route to Lancaster on the cyclepath, near to the lake district and dales national parks, good community with lots of events/clubs, friendly residents and presence of schools.	12/30/2016 5:26 PM
54	Love the ability to walk along the river bank, the circular walks around the village, the easy parking at the Co-op and the PO, the proximity to Lancaster, the friendly people, the garage for fuel and the two pubs for easy dining.	12/30/2016 4:45 PM
55	It is just far enough away from Lancaster to be quiet but close enough to nip in without a long journey	12/30/2016 3:56 PM
56	The size of the village, the increasing number of activities available. The closeness of the community Access to doctors . The Institute and the facilities offered.	12/30/2016 3:40 PM
57	Beautiful area to live in, plenty of facilities.	12/30/2016 3:08 PM
58	good facilities. good transport links. access to the countryside	12/30/2016 2:07 PM
59	I feel safe in the village due to where i live.	12/30/2016 1:13 PM
60	village community with close proximity to lancaster and the M6, yet still in the countryside	12/30/2016 12:05 PM
61	Semi rural location, shops, garage, pubs. friendly.	12/30/2016 11:46 AM
62	Friendly and convenient for travel, good area for walking and cycling	12/30/2016 11:38 AM
63	The village (Caton & Brookhouse) have a sense of community about it. It is semi-rural (.e just far enough outside Lancaster / Morecambe) good access to the Yorkshire Dales & Lake District, not far from M6 motorway.	12/29/2016 8:01 PM
64	Friendly	12/29/2016 6:09 PM
65	lovely location - good walks to river, up to the hills, useful local shops, easy access to town, and further afield if necessary	12/29/2016 3:47 PM
66	There's a good community spirit.	12/29/2016 3:28 AM
67	Community life	12/28/2016 6:33 PM
68	Nice and quiet, still quite rural yet only 5 minutes to town.	12/28/2016 6:29 PM
69	I like the countryside, river and paths but with the proximity to lancaster and the motorway network. It is quiet.	12/28/2016 6:26 PM
70	i was born herehouse	12/28/2016 1:42 PM
71	It's a lovely quiet village, feel safe and not far from motorway and lancaster.	12/28/2016 1:16 PM
72	Plenty of amenities such as the co-op, Health Centre, pubs, vets etc.	12/28/2016 12:12 PM
73	The friendliness of the people. The village has amenities of shops, chemist, post office, garage and pubs all close by. There are also many walks you can take without having to drive	12/27/2016 3:41 PM
74	Peaceful, lovely nearby countryside, low crime rate. Good schools and churches close by. A real sense of community.	12/26/2016 4:42 PM
75	The environment, the location, the access to facilities and transport links.	12/23/2016 9:27 AM
76	Strong community, lots of local amenities, lots of local outdoor activities nearby	12/21/2016 10:40 PM
77	It's community, having a doctors, chemist and other amenities and also the schools.	12/21/2016 8:33 PM
78	Friendly, rural but good connections to rail and roads. Very scenic	12/21/2016 8:32 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

79	Quiet; friendly people; convenient local shop(s) & PO; pubs still open; good community centre(Vic Inst.); previously excellent bus service to/from Lancaster; pleasant countryside on the doorstep; cycle path; the Link (local newsletter)	12/21/2016 3:28 PM
80	its semi-rural	12/21/2016 11:38 AM
81	Location: Gives easy access N, S E & W incl City of Lancaster and coast. Amenities: Surgery, Victoria Institute, shops, Post Office, 3 pubs, country walks, pharmacy Co-op, hairdressers. Litter is kept under control with bins. Dog mess is addressed	12/20/2016 5:43 PM
82	Nice close-knit and friendly	12/20/2016 5:34 PM

163	Rural setting Good access by road and cycle to Lancaster	12/5/2016 6:25 PM
164	Quiet, peaceful.	12/5/2016 10:12 AM
165	The community feel. The countryside and amenities' on our doorstep	12/4/2016 11:01 PM
166	Rural, quiet, but near Lancaster and Lune Valley and the M6	12/4/2016 9:41 PM
167	Rural and quiet, lovely countryside and wildlife yet close enough to town/city. Did have a good bus service. Has good amenities, shops, doctors, post office. Feels safe and has good community spirit	12/4/2016 9:04 PM
168	Schools, Institute, twinning	12/4/2016 4:12 PM
169	Its a lovely quiet little village with a great community.	12/4/2016 7:15 AM
170	Schools, close to Lancaster, cycle path	12/4/2016 6:50 AM
171	Everyone seems to be really friendly, my church is here, there's lots going on, we have good facilities.	12/3/2016 11:20 PM
172	Friendly, quiet	12/3/2016 10:51 PM
173	I like the village because of our lovely neighbours, the excellent countryside and walks that are on our door step and also the small shops and pubs	12/3/2016 10:37 PM
174	Not in the village, love the countryside and the quiet	12/2/2016 11:50 PM
175	Beauty, Community Spirit, Peacefulness, Safe and Secure,	12/2/2016 4:18 PM
176	It has some amenities and the people are very friendly.	12/2/2016 3:55 PM
177	Not in the city but has direct access with public transport and is not too far away. All the shops that are needed are in Caton and Brookhouse, there aren't too many.	12/2/2016 3:22 PM
178	The community feel to the village and the remoteness of it being slightly separated off from town.	12/2/2016 2:30 PM
179	Friendly, safe, lovey surroundings. Great walks. Millennium path great.A good community.	12/1/2016 8:35 PM
180	The community and the beauty	11/30/2016 10:37 PM
181	situation: semi-rural yet near motorway and city reasonable facilities activity and social programme at VI	11/30/2016 6:52 PM
182	Nice quiet village, all amenities required are reasonably close to hand, the village is not overpopulated and there are a good number of green belt areas through which pass footpaths so you can get out into "the country".	11/29/2016 6:36 PM
183	Friendly feel good access to amenities	11/29/2016 3:46 PM
184	Facilities such as medical centre, chemist, co-op & the community. Plus the uses of the Village institute. Being able to walk straight into the countryside.	11/29/2016 1:27 PM
185	Community spirit, events such as gala. Good schools and facilities	11/29/2016 12:48 PM
186	great social events, shops, doctors, chemist & location - where we live is beautiful!	11/28/2016 10:11 PM
187	Quiet and friendly	11/28/2016 10:09 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

188	This is a very convenient rural village close to the town of Lancaster, very friendly, with outstanding walks in the countryside.	11/28/2016 2:58 PM
189	Lovely countryside Convenient for Lancaster. Local facilities such as shops and Health Centre	11/27/2016 5:57 PM
190	It is a community set in an are of natural beauty. Because of the size of the 2 villages we are able to have facilities; Doctors Surgery, Post Offices Churches and shops without it being so big that a sense of identity is lost.	11/27/2016 5:10 PM
191	Peaceful with a good community spirit	11/27/2016 4:50 PM
192	Quiet, Peaceful and friendly	11/27/2016 4:27 PM
193	village life	11/27/2016 9:45 AM
194	The lovely friendly people, the amount of available activities for so many age groups, the amazing countryside, the stunning views, the ease of access to anywhere (apart from by bus), the dark skies at night	11/26/2016 1:46 PM
195	The people and the sense of community	11/25/2016 10:09 PM
196	Local amenities, activities for children and older, retired people, the environment. The proximity to travel networks.	11/25/2016 8:22 PM
197	Fantastic lovely community	11/25/2016 7:37 PM
198	local amenities, nearness to coast, general ambiance	11/25/2016 7:07 PM
199	Good community events. Rural setting. Peace and quiet.	11/25/2016 6:26 PM
200	peaceful, good for kids, nice people	11/25/2016 5:03 PM
201	rural location, access to road network	11/25/2016 3:32 PM
202	Country feel without being cut off. Beautiful countryside. Easy access to other areas.	11/25/2016 1:51 PM
203	Convenience, semi-rural.	11/25/2016 1:34 PM
204	Cummunity spirit	11/25/2016 12:29 PM
205	Close community, Family rural life	11/25/2016 11:44 AM
206	The sense of community, plus the many practical advantages such as being close to everything whilst still being far enough away.	11/25/2016 11:04 AM
207	The scenery, that it's not too busy.	11/25/2016 10:51 AM
208	Safety of living in a small community.	11/25/2016 10:39 AM
209	Village community	11/24/2016 10:35 PM
210	Being next to open fields. Artle Beck. Being able to see the Howgills from the slopes at the back of Pinewood Ave. All the footpaths. Close to Lancaster but not in Lancaster at all. Easy access to Lancaster University.	11/24/2016 10:19 PM
211	Beautiful countryside and nature around the village. Village spirit and community feel. Good and convenient services such as doctors, chemist, shop, garage, pubs.	11/24/2016 8:21 PM
212	rural location with a good community	11/24/2016 6:31 PM
213	Local walks and trails	11/24/2016 6:25 PM
214	The walks to the river Local shops Friendly people Victoria institute	11/24/2016 1:46 PM
215	It's a nice quiet friendly place	11/24/2016 11:02 AM
216	Scenic, good walking area, friendly, convenient for M6, work in the village so no travelling.	11/24/2016 10:50 AM
217	Great community spirit and everyone seems really friendly	11/24/2016 9:49 AM
218	It's friendly, conveniently near M6 and Lancaster, yet beautiful, surrounded by countryside and busy.	11/24/2016 9:36 AM
219	Community and friendliness.	11/24/2016 8:09 AM
220	Rural yet convenient for Lancaster and M6. Friendly, quiet and relatively crime free. It's the first place I've lived I can call 'home'.	11/24/2016 8:03 AM
221	Nice countryside, friendly place	11/23/2016 10:39 PM
222	Quiet Rural Friendly	11/23/2016 10:33 PM
223	Lovely location with beautiful scenery surrounding it	11/23/2016 10:21 PM
224	Beautiful countryside. Friendly people Excellent doctors surgery and chemist.	11/23/2016 10:06 PM
225	Friendly, well-located, convenient for Lancaster	11/23/2016 9:45 PM
226	The countryside	11/23/2016 8:49 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

227	The community.	11/23/2016 8:17 PM
228	Feeling safe	11/23/2016 7:45 PM
229	That it is rural with beautiful countryside yet only 10 minutes drive to the M6. Easy access to the lake district, yorkshire dales, Manchester etc. Good for walking, cycling and running. Friendly	11/23/2016 7:40 PM
230	Views, community, quiet , walks	11/23/2016 7:08 PM
231	Family history, location, community	11/23/2016 6:49 PM
232	Location, size, links to city and motorway - family history	11/23/2016 6:47 PM
233	Rural, quiet, friendly, beautiful countryside, lots of walks, cycle path, close to Lancaster	11/23/2016 6:41 PM
234	The views, the walks, the good access to roads infrastructure	11/23/2016 6:38 PM
235	Community Spirit. Good Events.	11/23/2016 6:29 PM
236	Peacefulness so handy for work and the countryside	11/23/2016 5:47 PM
237	Quiet. Easy commute. Contains all needs ie docs shop ect. Great place for kids. Good community	11/23/2016 5:45 PM
238	Community spirit. Shops and services. Rural walks. Close to Lancaster. Friendly people	11/23/2016 5:13 PM
239	I feel safe here, it's nice and quiet and the people are friendly. There's plenty going on the institute has the IT centre that's great. We have some good shops and the doctors.	11/23/2016 4:58 PM
240	Have house for weekends. Live in Manchester. Love the area and people	11/23/2016 4:35 PM
241	Scenery, large gardens	11/23/2016 2:47 PM
242	It's lovely and quite	11/23/2016 2:34 PM
243	The people, the valley, the beautiful views and surrounding area, the easy access to other places.	11/23/2016 1:28 PM
244	The peace, the quiet, the views all around,the community spirit.	11/23/2016 1:27 PM
245	The community feel. The layout and the green spaces which are few and far between in the central hub of Caton.	11/23/2016 12:52 PM
246	I like the feel and community spirit in the village.	11/23/2016 12:39 PM
247	It's location, the friendly atmosphere, accessibility to North & South via M6, the fact that it has facilities such as schools, garage, doctors, chemist, post office, and at least 1 general shop. Also the various village groups.	11/23/2016 11:48 AM
248	Good facilities ( shops, doctor etc), great landscape, easy access to Lancaster, rail , motorway etc	11/23/2016 11:34 AM
249	The beautiful location, great walks, village community and the good facilities	11/23/2016 10:12 AM
250	The setting, the choice of activities, the community spirit	11/23/2016 10:09 AM
251	Sense of community. Love the play park and cycle path. The services on offer for a village of this size is great.	11/23/2016 9:52 AM
252	Close community with a wide range of amenities.	11/23/2016 9:19 AM

### Q6 What don't you like about living in this village?

Answered: 227 Skipped: 52

#	Responses	Date
1	Recent cuts to bus service	1/8/2017 7:39 PM
2	There is no longer a bus service for evenings and Sunday and the day time services are not always adequate.	1/8/2017 9:24 AM
3	Bus fares into Lancaster are expensive and buses are limited.	1/7/2017 11:05 PM
4	Noisy teenagers late at night. Speed limits need to be lower or more speed control, especially on Lancaster/Hornby road.	1/7/2017 8:20 PM
5	Pubs are all rubbish. They used to be the heart and soul of the village. The ship has become just another chain rather than a lovely traditional pub where local people can meet for a drink.	1/7/2017 8:03 PM
6	Expensive and greatly reduced bus service.	1/7/2017 6:19 PM
7	Slow internet access. Very limited public transport Pubs have all gone down hill.	1/7/2017 5:43 PM
8	Speed of traffic on Hornby Road	1/7/2017 4:26 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

9	nothing	1/7/2017 3:11 PM
10	that when rural public and other services are cut there are no alternatives as compared with urban public services...buses, other forms of transport, library, banks, refuse/litter collection, road sweeping and verge encroachment (form field edges over sidewalks for example, and overhead..trees and shrubs. There are fewer accessible entertainment and sport facilities for children and young people. New housing developments have no vernacular identity and the village continues to develop in pockets eroding a core cohesion.	1/7/2017 3:07 PM
11	The attitude and actions of County and City Councils - rural areas are seen as "not worth" services eg library, buses, grit bins. Also as "cash cows" we pay higher council tax than flats and terraces but now are being penalised for having gardens (green bin charge). Rural areas subsidise city area. Too much onstreet parking	1/7/2017 7:39 AM
12	Nothing really	1/7/2017 7:23 AM
13	Nothing	1/7/2017 7:15 AM
14	Litter and cars parked on pavements.	1/7/2017 7:00 AM
15	The loss of facilities such as Post Office, Library and Bus Service.	1/6/2017 8:20 PM
16	Lousy bus service, pubs in a poor state, too many new houses	1/6/2017 7:02 PM
17	Nothing	1/6/2017 5:01 PM
18	How busy the main road A683 is	1/6/2017 4:15 PM
19	Nothing	1/6/2017 3:59 PM
20	loss of amenities; post office,shops, library (retained by local volunteers, lack of police presence	1/6/2017 2:43 PM
21	Few amenities for children and adolescents . Lack of community spirit.	1/6/2017 1:29 PM
22	traffic on the main road	1/6/2017 11:37 AM
23	lack of open space inn the village, shortage of parking, speed limits not enforced in the village, lack of public seating, Lancaster rd ruined by Moor Platt estate	1/6/2017 11:29 AM
24	Dog fouling on the pavements.	1/6/2017 8:54 AM
25	Increased amounts of litter and overgrown hedges and over hanging trees onto pavement areas.	1/4/2017 2:48 PM
26	Dog dirt, Roads and footpaths in need of repair	1/4/2017 2:27 PM
27	Limited buses to Kirkby Lonsdale. Lack of facilities for older children	1/3/2017 5:36 PM
28	Lack of a community allotment	1/3/2017 4:03 PM
29	No allotments, no art gallery, no cafe, no skate park,	1/3/2017 3:46 PM
30	Lack of bus services.	1/3/2017 2:53 PM
31	nothing	1/3/2017 11:07 AM
32	Rubbish left mainly by visitors. The demise of footpaths, many of which are in poor condition or have been closed. The lack of maintenance in the Crook Car park - rubbish, no maintenance of pathways etc. Over zealous verge management - expensive and unnecessary and poor for wildlife. Hedges cut at inappropriate times of the year. New Houses which are not in character with the area - lacking any local distinctiveness or character. The loss of green space for development.	1/3/2017 10:33 AM
33	It's a dying village that desperately needs more input, new shops and a far better transport link than we currently have at present. When new houses are built in the area the transport links isn't sufficient for everyone's needs. We also need better policing, better street cleaning, we pay extra for our Council Tax and get less amenities for it! We also need a general tidy up of the village. we used to hold the Best small Village title for goodness sake! The grass verges need to be cut AND the grass taken away and not left to spread dandelion and other weed seeds all over the village! The parish council needs to be listening to what the villagers say!	1/3/2017 9:47 AM
34	Heavy traffic and motorbikes on Hornby Road. Some pavements need resurfacing as dangerous - rutted.	1/2/2017 7:54 PM
35	Nothing	1/2/2017 7:39 PM
36	Nothing!	1/2/2017 11:46 AM
37	Nothing!	1/2/2017 11:45 AM
38	Nothing!	1/2/2017 11:12 AM
39	Nothing of significance.	1/2/2017 8:56 AM
40	Litter	1/1/2017 6:32 PM
41	I don't like the fact that the bus shelter near the Black Bull isn't actually near the bus stop with the sign and also there is quite a bit of litter around there aswell.	1/1/2017 4:43 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

42	Lack of facilities e.g. Supermarket, dentist, coffee shop/cafe	1/1/2017 4:41 PM
43	Poor public transport network.	1/1/2017 4:32 PM
44	Number of new houses being built and no buses evenings and weekends or direct to Morecambe.	1/1/2017 1:06 PM
45	nothing	12/31/2016 12:19 PM
46	The threat of indiscriminate urbanisation which would ruin the village "feel".	12/31/2016 11:02 AM
47	Nothing	12/30/2016 5:42 PM
48	Nothing	12/30/2016 5:35 PM
49	The busy main road, lack of allotments, not very attractive post war pebbledash housing estates.	12/30/2016 5:26 PM
50	Haven't found anything to dislike yet.	12/30/2016 4:45 PM
51	The bus service and certainly the extortionate price of school bus service to Ripley St Thomas....disgusting	12/30/2016 3:56 PM
52	The lack of public transport, especially a Sunday service. The state of pavements in the side streets. Parking problems at the Institute. Poor facilities for leisure activities for the early teenagers. Worry that the Station field might be taken for housing denying the football and cricket amenities.	12/30/2016 3:40 PM
53	Sadly those people who don't pick up after their dogs...ruins fabulous walks that we have in the area	12/30/2016 3:08 PM
54	Busy with traffic	12/30/2016 2:07 PM
55	there is nothing here	12/30/2016 1:13 PM
56	Dog foul on the pavement. Continuous threat from Mitchell'd and the development of the sports field	12/30/2016 12:05 PM
57	Public transport not as good as could be	12/30/2016 11:38 AM
58	The sun doesn't shine enough	12/29/2016 8:01 PM
59	No butchers, post office, bakery, chip shop. All of these were here when I first came to the village	12/29/2016 3:28 AM
60	Cant think of anything.	12/28/2016 6:29 PM
61	Nothing much	12/28/2016 6:26 PM
62	House building	12/28/2016 1:42 PM
63	How busy the main road has become and how fast the car travel along it. I'd like to see speed restrictions leading up to the roundabout both directions, especially as there is now more housing using the area.	12/28/2016 12:12 PM
64	The reduced bus service	12/27/2016 3:41 PM
65	Need to improve the bus services.	12/26/2016 4:42 PM
66	Nothing really. Just the threats to it staying as it is eg more housing and a greater population.	12/23/2016 9:27 AM
67	Nothing so far	12/21/2016 10:40 PM
68	The speed of the traffic on Hornby Road, talk of more house being created. It's difficult enough to get an appointment at the Doctors now without more properties being built on any available land.	12/21/2016 8:33 PM
69	Vehicles speeding through not obeying 30mph	12/21/2016 8:32 PM
70	withdrawal of evening & weekend bus services; lack of notice boards to place posters for events (concerts, talks, etc) as found in some villages; withdrawal of cycle stands outside B'house shop when converted for PO use; cars parking across pavements (obstructing pedestrians - dangerous in some places)	12/21/2016 3:28 PM
71	n/a	12/21/2016 11:38 AM
72	Road congestion: parking and moving	12/20/2016 5:43 PM
73	Dog fouling Cars parking on street	12/20/2016 5:34 PM
74	Parking issues on our street due to the Baptist Church. Speeding motorbike riders on the main road.	12/20/2016 4:38 PM
75	nothing	12/18/2016 8:39 PM
76	Too much traffic	12/18/2016 8:11 PM
77	Dog poo Cars/vehicles speeding	12/18/2016 7:40 AM
78	Speeding cars/vehicles Dog poo	12/18/2016 7:34 AM
79	Nothing	12/18/2016 7:27 AM
80	The bus service is now terrible	12/17/2016 5:11 PM
81	Lack of more frequent and evening bus services. Speed of vehicles on Hornby road. Noisy motorbikes.	12/17/2016 3:13 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

82	Dog poo not being picked up by owners particularly round Caton primary school. Cars and motorcycles speeding through the village.	12/17/2016 10:22 AM
83	Noisy, speeding motorbikes and cars. Potholed road surfaces, especially on Quernmore Road.	12/17/2016 9:24 AM
84	Proposed building planned on green field sites	12/16/2016 7:19 PM
85	No buses in the evening or Sunday	12/16/2016 6:56 PM
86	lack of buses	12/16/2016 10:56 AM
87	cuts to bus service	12/16/2016 10:44 AM
88	The bus service! Prices are going up and the service was massacred earlier this year. I have teenage children who want to be independent but this can only be in school time as buses don't run in the evenings and not at all on Sundays. They can't meet up with high school friends unless we can take them and pick them up!	12/15/2016 3:47 PM
89	Dog mess Vandals	12/15/2016 12:05 PM
90	The amount of litter and dog poo	12/15/2016 12:00 PM
91	As above re bikers.	12/15/2016 11:28 AM
92	Bus cuts in timetable and no public transport on sundays	12/15/2016 10:40 AM
93	There is nothing I particularly dislike, although the bus service could be better.	12/14/2016 8:49 PM
94	Nothing,for me it is a lovely place to live. For some residents who work from home the broadband could be better but hopefully B4RN will be available to all residents soon. The withdrawal of evening and Sunday buses is inconvenient and must be very difficult for some residents who do not have access to a car	12/14/2016 6:00 PM
95	People not picking up after their dogs have toileted.	12/14/2016 5:38 PM
96	Hard to think of much that is negative as this is a beautiful area to live in. However, Internet connection is very patchy and limited in places with B4RN yet to reach all parts of the parish and public transport cuts have undoubtedly had a negative impact.	12/14/2016 5:35 PM
97	Lacks a real centre because of the main road. Slightly spoilt by the recent Moor Platt development	12/14/2016 2:49 PM
98	increasing amount of traffic, particularly HGV;s	12/14/2016 1:49 PM
99	Poor maintenance of the side roads and pavements, reduced care of the grass areas.	12/13/2016 7:39 PM
100	Nothing	12/13/2016 7:20 PM
101	dog mess & volume of traffic	12/13/2016 1:49 PM
102	too many new buildings (housing)	12/13/2016 10:24 AM
103	Poor transport. The post office having moved to the other end of the village. I'd prefer a different shop to the coop as I don't like some of their so called "ethical" purchasing choices. The health centre treats us like second rate citizens because we aren't in Lancaster.	12/12/2016 9:01 PM
104	Some anti-social behaviour, by young people, especially around the churchyard in Brookhouse, around the Institute; the new street lights (too dim); excessive motor bike noise gunning away from Bull Beck, especially on Sundays; unfriendly atmosphere in the Black Bull; unimaginative development of Moor PLatt (at expense of residential care for the elderly).	12/12/2016 7:02 PM
105	altering of the bus service	12/12/2016 10:25 AM
106	Increasing number of cars parked on the road causing traffic jams.	12/12/2016 12:57 AM
107	dog mess	12/11/2016 8:57 PM
108	The expansion and outsiders moving into new estates on destroyed institutions. Moor platt etc!	12/11/2016 7:05 PM
109	Nothing	12/11/2016 8:04 AM
110	Not much to do	12/11/2016 2:23 AM
111	Car parking / sloping pavements	12/11/2016 12:37 AM
112	1. Bus service - was reasonably good but now it's unusable. No evening services, no Sundays. We need a 10-11pm bus back. I don't drink but plenty do and taxis are expensive. Not to mention the disabled and elderly who don't have cars! 2. The parish council have been pretty rude to me in the past. I wanted to get involved but won't now. 3. Post Office closed. Am very happy living here though :-)	12/11/2016 12:36 AM
113	Not enough buses	12/10/2016 11:41 PM
114	The roads are so congested especially near the Victoria institute.	12/10/2016 11:05 PM
115	People who move here and think they own it	12/10/2016 10:00 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

116	Increasing numbers of houses being built	12/10/2016 9:43 PM
117	All the ignorant,arogant drivers that have driveways yet park on the road	12/10/2016 7:43 PM
118	The amount of traffic the Chinese causes at weekends	12/10/2016 7:42 PM
119	lack of public transport for those who dont drive in the evenings and at weekends(under 18s and older residents particularly)	12/10/2016 7:40 PM
120	Vehicles travelling to fast, lack of police presence, not enough activities for females between 20-50, they could be put on at either the school or institute but it's mainly for over 60's/70's, just my opinion	12/10/2016 6:43 PM
121	It's very quite, not much to do at night	12/10/2016 4:33 PM
122	lack of bus services linking to Lancaster, disappearing post boxes, low level juvenile nuisance.	12/10/2016 2:51 PM
123	Fast traffic on Lancaster Road. Post Office moving to Brookhouse	12/9/2016 5:25 PM
124	No bus service on Sunday & limited evening service	12/9/2016 2:45 PM
125	No buses on Sundays & in the evenings, speeding 20/30 mph limit	12/9/2016 2:06 PM
126	Nothing!	12/9/2016 11:16 AM
127	Bus links to Lancaster & kirkby Lonsdale are poor. Lack of older more charcterful housing.	12/8/2016 6:18 PM
128	Estate feel to recent housing developments. Not designed to fit the locality. Public Houses all run by two breweries and could be doing better. Should be maintained and relaunched if any close, preferably as independants. Reduced bus service to here and further up valley for school children and others. Lack of cafe and quality eating place.	12/8/2016 5:25 PM
129	Heavy traffic, abysmal bus service, lack of some services such as a Public Library, part time police presence.	12/8/2016 3:08 PM
130	nothing	12/8/2016 11:03 AM
131	Lack of buses since April 2016. Reinstate the previous bus time table.	12/8/2016 8:27 AM
132	Litter	12/7/2016 7:03 PM
133	Poor public transport.	12/7/2016 3:33 PM
134	Some of the other pubs not as nice as they should be. Needs a nice cafe / coffee shop.	12/7/2016 3:32 PM
135	Lack of larger family sized housing that is affordable.	12/7/2016 3:21 PM
136	The speed of traffic on Hornby Road.	12/7/2016 3:14 PM
137	no bus to town on Sunday's or evenings, no post office in Caton any more, only one grocery store	12/7/2016 12:36 PM
138	The reduced bus service especially on an evening and weekends	12/7/2016 11:38 AM
139	isolation with the bus cuts and less amenities	12/7/2016 10:18 AM
140	poor bus service	12/7/2016 10:13 AM
141	the cut in the bus service	12/7/2016 10:06 AM
142	Treated as suburb of Lancaster Not as much of a community as smaller villages	12/7/2016 9:53 AM
143	Dog poo - cars and motor bikes driving too fast through the village	12/5/2016 9:42 PM
144	Poor public transport.	12/5/2016 10:12 AM
145	Nothing	12/4/2016 11:01 PM
146	We don't have paved footpaths to Forge Mill.	12/4/2016 9:41 PM
147	New housing being built that doesnt fit with the style that is already in the village ie Moor Platt development. Services being cut ie bus services, library. The village becoming to big, building too many new houses so that we loose our small community feel	12/4/2016 9:04 PM
148	Quernmore Road Traffic and no footpath	12/4/2016 4:12 PM
149	I don't like how the footpaths and pavements are constantly soiled with dog poo. Its got a lot worse over recent years. I have 3 children who walk to school and have to constantly check the path is clear. Its a real problem that needs addressing!!	12/4/2016 7:15 AM
150	Dog mess, busy road, proportion of houses to shops	12/4/2016 6:50 AM
151	Bus service isn't as good as it might be & it's quite expensive	12/3/2016 11:20 PM
152	'boy racers' using Brookhouse Road as a race track	12/3/2016 10:51 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

153	The amount of dog poop that is left on pavements and down walkways - there is just no need for it - I am a dog owner - there are plenty of bins in the village	12/3/2016 10:37 PM
154	No Dislikes	12/2/2016 4:18 PM
155	Nothing	12/2/2016 3:55 PM
156	Over the years I've felt like we're not much of a community as young families keep moving into the area and not getting to neighbours and others within the community. So I wish there were more events for all to go to within the community for all ages.	12/2/2016 3:22 PM
157	The amount of development happening and the questions over some of the green land in the area as to whether that will be turned into housing.	12/2/2016 2:30 PM
158	There's not much I don't like about living here. If I had to pick something then it would be that the general maintenance in the village could be better. Hedge cutting, weeding etc. The fact that all the surrounding areas are connected to B4RN but Caton isn't is frustrating.	12/1/2016 8:35 PM
159	The litter/dog muck left by careless people	11/30/2016 10:37 PM
160	poor bus service since cuts	11/30/2016 6:52 PM
161	There is nothing I don't like about the village as it stands. My main concern is the village being destroyed by excessive housing which may strain the services and amenities as I find where new building takes place no consideration is given to expanding infrastructure to accommodate the extra population.	11/29/2016 6:36 PM
162	Lack of bus service evenings and weekends	11/29/2016 3:46 PM
163	Traffic mainly at weekends, motorbikes speeding through the village.	11/29/2016 1:27 PM
164	Parking at school and in the village limited	11/29/2016 12:48 PM
165	Losing the bus service weekends & evenings, some anti social behaviour by young teenagers occasionally	11/28/2016 10:11 PM
166	Latest housing development	11/28/2016 2:58 PM
167	Poor bus service	11/27/2016 5:57 PM
168	a small minority of the village shows less consideration for their neighbours than they should, dog excreta on pavements, noise.	11/27/2016 5:10 PM
169	Sometimes people are anti-social with noise	11/27/2016 4:50 PM
170	Motorbikes at weekends	11/27/2016 4:27 PM
171	traffic	11/27/2016 9:45 AM
172	No buses in the evenings. Three pubs - and not one of them where I want to spend time or money.	11/26/2016 1:46 PM
173	Lack of public transport	11/25/2016 10:09 PM
174	Poor bus service. Lack of amenities for people out all day, e.g. School aged children and workers. Need more events to bring the community together.	11/25/2016 8:22 PM
175	Bus timetable in evening and weekends	11/25/2016 7:37 PM
176	heavy goods traffic	11/25/2016 7:07 PM
177	house prices(renting and buying)	11/25/2016 5:03 PM
178	very poor public transport	11/25/2016 3:32 PM
179	???	11/25/2016 1:51 PM
180	Long way to sports facilities.	11/25/2016 1:34 PM
181	Not enough housing for younger families of the parish.	11/25/2016 12:29 PM
182	Theres not alot indoors gor teenagers	11/25/2016 11:44 AM
183	Boredom/last orders. How barely any takeaways deliver here anymore! Parking outside the post office/londis/chippy on a mildly busy evening.	11/25/2016 11:04 AM
184	That parents seem to think it's acceptable for their kids to be out at all hours screaming and shouting, even til 2-3am. The lack of public transport especially in an evening and on a Sunday.	11/25/2016 10:51 AM
185	Apart from at school there isn't much for the kids to do, especially in the holidays.	11/25/2016 10:39 AM
186	No Post office in Caton.	11/24/2016 10:35 PM
187	The awful new LED street lights.	11/24/2016 10:19 PM
188	Badly designed new development which has damaged the character of Caton village centre.	11/24/2016 8:21 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

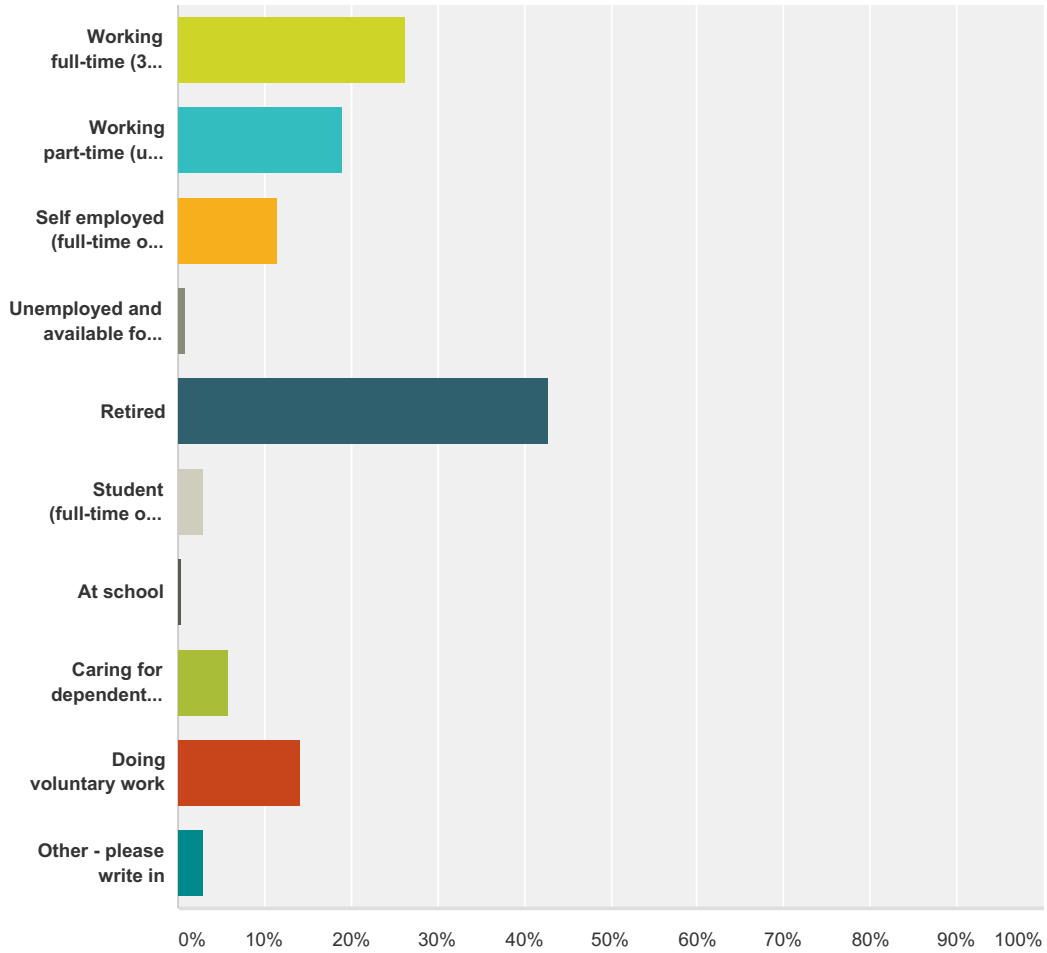

189	limited shops	11/24/2016 6:31 PM
190	Declining shop facilities, e.g. Butchers shop closing, post office closing	11/24/2016 6:25 PM
191	The busy road and motorbikes	11/24/2016 1:46 PM
192	The people who think they don't have to clean up after their dog	11/24/2016 11:02 AM
193	No bank, dog mess, traffic speed limits not adhered to, roadside parking making it difficult driving on Brookhouse Road in Caton, noisy motorbikes early on a Sunday morning!	11/24/2016 10:50 AM
194	Poor public transport links to Lancaster for my school age child	11/24/2016 9:49 AM
195	Nothing!	11/24/2016 9:36 AM
196	would like a last bus from Lancaster in the evening so we can go into town and get a bus back.	11/24/2016 8:09 AM
197	Litter strewn from cars passing through. Continued reduction in services from LCC.	11/24/2016 8:03 AM
198	Lack of public transport	11/23/2016 10:39 PM
199	Nothing	11/23/2016 10:33 PM
200	Lack of public transport - not everyone drives or has access to a car	11/23/2016 10:21 PM
201	Nothing	11/23/2016 10:06 PM
202	Bus service is poor, though not bad compared to most.	11/23/2016 9:45 PM
203	Not enough amenities or buses	11/23/2016 8:49 PM
204	Not much to do for the children.	11/23/2016 8:17 PM
205	Busy bodies	11/23/2016 7:45 PM
206	Sense of community not as strong as in some other local villages. The Victoria Institute has limited facilities - not as good as Hornby or Halton Poor bus service	11/23/2016 7:40 PM
207	People dumping their rubbish	11/23/2016 7:08 PM
208	Reducing public transport, lack of local facilities, shops and businesses, deteriorating infrastructure	11/23/2016 6:49 PM
209	Reduction on amenities, reduction of public transport, deteriorating roads and footpaths	11/23/2016 6:47 PM
210	Speeding cars, dog poo, people parking on the pavement, overgrown hedges	11/23/2016 6:41 PM
211	Lack of buses since recent cuts	11/23/2016 6:38 PM
212	Kids nothing to do. Especially 11-16	11/23/2016 5:45 PM
213	Nothing	11/23/2016 5:13 PM
214	20 mph speed limit on Brookhouse Rd. The bit through Brookhouse, it's not necessary in my opinion, disappointed the buses don't run at night, the only time I used them was to go into Lancaster for a drink with my friend and get the last bus home.	11/23/2016 4:58 PM
215	The reduction in bus service is disappointing	11/23/2016 4:35 PM
216	Transport, lack of shops	11/23/2016 2:47 PM
217	People not picking up dog poo	11/23/2016 2:34 PM
218	The pubs - 3 of them and not one that we feel is worth going to, 20mph on Brookhouse road,	11/23/2016 1:28 PM
219	Nothing	11/23/2016 1:27 PM
220	Hornby road is busy. Brookhouse road has double yellows outside church so lack of parking for houses.	11/23/2016 12:52 PM
221	I dislike the ever decreasing public transport links to Lancaster and Kirkby Lonsdale. Whilst I can drive now I intend to retire in the village and worry if there will be any public transport left.	11/23/2016 12:39 PM
222	People who leave dog dirt or dog poo bags on paths and in hedges, cyclists who don't consider pedestrians on the footpath, villagers who allow their hedges to grow over the pavements and the village pubs which seem to be being ruined deliberately by the breweries. Also the ridiculous 20 mph sign on the Brookhouse Road and the cuts in the bus services.	11/23/2016 11:48 AM
223	Can't think of anything!	11/23/2016 11:34 AM
224	poor maintenance of some of the side roads	11/23/2016 10:12 AM
225	The current shortage of buses	11/23/2016 10:09 AM
226	Nothing	11/23/2016 9:52 AM

227	Difficulty parking when events are on. Also having car damage from bad drivers when my cars parked on my street.	11/23/2016 9:19 AM

### Q13 Any other comments on business facilities or working in the village

Answered: 45 Skipped: 234

#	Responses	Date
1	A studio in a craft centre would be ideal for me.	1/7/2017 6:23 PM
2	n/a	1/7/2017 3:12 PM
3	it is important that teenagers and young adults have employment opportunities in or close to the village so that they can work part-time or full time without a long commute and have accessible employment outside the hours that public transport is running.	1/7/2017 3:10 PM
4	Home offices in gardens are another laternative	1/7/2017 7:41 AM
5	Broadband needed. The village could support more business accommodation/premises	1/7/2017 7:08 AM
6	Not enough employment opportunities	1/6/2017 7:03 PM
7	If i had more financial support, I would set up my own business in the village.	1/3/2017 2:55 PM
8	High speed broadband in very poor in many areas for business.	1/3/2017 10:35 AM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

9	There is a desperate need to attract new employment to Caton and Brookhouse and more shops or even a market!	1/3/2017 9:50 AM
10	The reduction in bus service makes it harder to vary work by taking jobs in other villages or Lancaster.	1/2/2017 7:56 PM
11	None	1/1/2017 6:34 PM
12	Poor bus service limits job prospects for both residents and people coming from outside. Especially for young and elderly with no access to cars.	1/1/2017 1:08 PM
13	N/A	12/30/2016 4:46 PM
14	Leave businesses to make their own arrangements. There is little demand. For instance no business was interested in Moor Platt and look what happened.	12/23/2016 9:31 AM
15	no	12/21/2016 11:39 AM
16	No	12/20/2016 4:39 PM
17	No	12/14/2016 5:39 PM
18	No	12/14/2016 2:50 PM
19	Something to encourage new start ups within the village would be good.	12/12/2016 9:04 PM
20	Fast internet access an essential requirement for all; would be good to have something like The Red Door (Halton) here in Caton;	12/12/2016 7:06 PM
21	There is no need for more business buildings in the village! It's a village not an industrial estate! Why hasn't Barghs old sit been utilised for business?	12/11/2016 7:09 PM
22	I'm now suspicious of the motives behind this questionnaire.	12/11/2016 12:37 AM
23	No	12/10/2016 6:43 PM
24	Any business development should be village sensitive.	12/10/2016 2:53 PM
25	These should remain proportionate to the Parish and not become an out-of-town development for Lancaster or elsewhere. Build on Parish strengths and small business types. Increase broadband.	12/8/2016 5:28 PM
26	Want it to stay a village	12/7/2016 7:05 PM
27	I occasionally work from home and the full roll-out of B4RN would be a huge benefit.	12/7/2016 3:17 PM
28	young people struggle with transport, more buses please	12/7/2016 12:37 PM
29	For the future, attractiveness to businesses not currently located here is important consideration - not covered here	12/7/2016 9:57 AM
30	Barns if not being used for farming any more should be allowed to be made in to houses or work units just so they don't go to wreck and ruin	12/3/2016 10:41 PM
31	It would be helpful if businesses looking for any staff could put in the link for all villagers to see, then we'd know what was available.	12/2/2016 3:25 PM
32	There is little part time work for younger people looking for a weekend job	11/30/2016 10:38 PM
33	Are you trying to turn the village into an industrial park	11/29/2016 6:38 PM
34	We need to be an attractive environment for business to maintain services which we need and to provided employment within the village particularly for young people who can then afford to stay in the village and not be forced away.	11/27/2016 5:13 PM
35	It is important that there should be jobs within the village	11/27/2016 4:51 PM
36	I'd say we're about as well equipped as a village should be.	11/25/2016 11:08 AM
37	Broadband speed is important. Welcome initiatives such as B4RN	11/24/2016 8:23 PM
38	None	11/23/2016 9:46 PM
39	.	11/23/2016 8:50 PM
40	A medium size supermarket so I don't have to travel into Lancaster all the time.	11/23/2016 7:03 PM
41	New businesses need lots of incentives and tax breaks - make it attractive and they will come - but then support them don't think once they begin that they can survive without continued backing - a plan without sustainability is no plan at all	11/23/2016 6:52 PM
42	Please don't let us loose any shops. We nearly lost the Post Office what can we do to make sure we keep it.	11/23/2016 5:01 PM
43	B4RN has made, and could continue to make, the village more attractive for new or relocating businesses.	11/23/2016 1:31 PM
44	No	11/23/2016 1:28 PM
45	Would be great if we could get further roll out of B4RN internet	11/23/2016 11:35 AM

## Q14 Which green spaces in Caton-with-Littledale matter to you and your family?

Answered: 236 Skipped: 43

#	Responses	Date
1	The gala field/ station hotel field	1/8/2017 7:42 PM
2	All of them!	1/8/2017 12:44 PM
3	All the green spaces are appreciated.	1/8/2017 9:36 AM
4	The fields sloping down to the main road from Brookhouse and the fields left and right before Caton Baptist Church. Caton playground. The Lune Valley.	1/7/2017 11:11 PM
5	Fell view, station/gala field.	1/7/2017 8:22 PM
6	River lune Station field	1/7/2017 8:04 PM
7	Cycle path. Open space between caton and brookhouse. All green space.	1/7/2017 6:30 PM
8	Station football field Fell view children's playground.	1/7/2017 5:49 PM
9	The sports ground is right behind our house (we accept the main road with this behind us). The Caton playpark. The spaces off the cycle track to enjoy short evening & weekend walks.	1/7/2017 4:27 PM
10	the cycle track, the cricket field behind the station hotel, the play park, the areas of green belt land surrounding the village as it currently stands, and the green pockets of farming land within it, particularly those currently separating the villages and hamlets in the Parish.	1/7/2017 3:22 PM
11	River walks open fields around the Lune and the Moors.	1/7/2017 3:20 PM
12	the green behind the station pub	1/7/2017 11:17 AM
13	The greenbelt fields between Caton and Brookhouse. The cycle track from Caton to the Crook o'Lune Crook o Lune picninc site and Woodies All prominent hill fields	1/7/2017 7:45 AM
14	Caton Green Road, and St Paul's Church area	1/7/2017 7:25 AM
15	The green belt between Caton and Brookhouse	1/7/2017 7:17 AM
16	All	1/7/2017 7:10 AM
17	All of them	1/7/2017 7:01 AM
18	The old railway track, Fell View Play Park.	1/6/2017 8:26 PM
19	Football field/bowling green. Fell View children's play area. Green belt between Caton and Brookhouse	1/6/2017 7:05 PM
20	Crook of Lune, Lune Valley, Caton Moor,	1/6/2017 5:04 PM
21	All of them particularly the sports field where the gala is held	1/6/2017 4:19 PM
22	All existing green spaces around Caton, particularly along Quernmore Road	1/6/2017 4:09 PM
23	all green spaces	1/6/2017 2:44 PM
24	the play park	1/6/2017 2:06 PM
25	The cork of lune grey's seat. Views from the Cragg and the wind farm	1/6/2017 1:34 PM
26	all	1/6/2017 11:43 AM
27	Crook O' Lune, old rail track, millennium way, Littledale	1/6/2017 11:40 AM
28	all of them	1/6/2017 11:31 AM
29	All of them	1/6/2017 8:57 AM
30	view from Brookhouse up the Lune Valley	1/5/2017 10:22 AM
31	Station Hotel sports ground and children's play area	1/4/2017 2:52 PM
32	Playing Field at Station Hotel Fell View Millenium Path Crook O Lune Caton Moor	1/4/2017 2:30 PM
33	The areas around the River Lune and cycleway. The wind farm. Both are used for family and dog walks.	1/3/2017 5:38 PM
34	the cycle path and public footpaths around the village	1/3/2017 4:07 PM
35	St Paul's church hall field, sports field, river sides	1/3/2017 3:53 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

36	We live in Brookhouse and we are aware of the green spaces.	1/3/2017 2:59 PM
37	Station field & play area	1/3/2017 11:08 AM
38	The moorland areas. All woodland areas including new woodland plantings. All the footpaths, many of which need to be reopened. Crook O Lune. Memorial woodland areas. Meadow areas such as Lune intake. Hedgerows and verges. Areas of new wild flower planting. Wild flower meadows outside Gresgarth Hall	1/3/2017 10:45 AM
39	All green spaces.	1/3/2017 9:53 AM
40	Field behind Station hotel, greenspace around the halls at St Pauls Church, old railway line walks, lune valley walks, childrens playground at Fell View.	1/2/2017 7:59 PM
41	The old railway track walk, access to the Lune, the play park in Caton	1/2/2017 7:40 PM
42	cycle path public footpaths	1/2/2017 12:16 PM
43	Fell View playground occasionally for visiting grandchildren	1/2/2017 11:15 AM
44	All of the green spaces - but I think it is important to keep the Scout and village hall facilities and surrounding space.	1/2/2017 8:59 AM
45	Sports field in Caton and the play area	1/1/2017 6:36 PM
46	I like the park benches and also the bench and grass up Littledale Road. The playing fields where the gala is held and the park in Caton. Also the grass around Caton st Pauls school.	1/1/2017 4:47 PM
47	All of them.	1/1/2017 4:43 PM
48	Fields adjacent to residential spaces. Fields surrounding the primary schools. Playing field/green space where the gala is held.	1/1/2017 4:34 PM
49	Behind Station Hotel for galas and cycle path	1/1/2017 1:11 PM
50	The network of public footpaths through and around the villages	1/1/2017 8:37 AM
51	All the green spaces matter.	12/31/2016 1:31 PM
52	All of them	12/31/2016 12:21 PM
53	Football field, and fell view playground	12/31/2016 11:13 AM
54	Millenium and river Lune footpaths. fields between Hornby Rd and Caton Green Road	12/30/2016 6:19 PM
55	Cyclepath, playing field.	12/30/2016 5:31 PM
56	The river Lune and surrounding walks	12/30/2016 4:48 PM
57	Caton st Pauls and Caton community schools as well as Fell view, the Gala field	12/30/2016 3:59 PM
58	The Station field	12/30/2016 3:50 PM
59	Fell view	12/30/2016 3:11 PM
60	millenium way and access to the country side (river lune) via maintained footpaths	12/30/2016 2:07 PM
61	All of it its good how it is we dont want any more houses	12/30/2016 1:15 PM
62	Caton sports field (cycle path)	12/30/2016 12:08 PM
63	The field behind my property, giving a view across the valley! (threatened by house construction, with pathetic access from Sycamore)	12/30/2016 11:50 AM
64	Cycle path, crook of lune, playpark for grandchildren, riverside path and lawsons meadow	12/30/2016 11:43 AM
65	Sports pitches behind the Station Inn Green spaces at each of the schools to enable sports to be undertaken in school or other community groups. The flood plain of the Lune valley particularly from the Crook O' Lune to Bull Beck The fields to the back of Sycamore Road and the main A683	12/29/2016 8:19 PM
66	old railway line track	12/29/2016 3:51 PM
67	All of them, Caton is big enough. We don't need any new developments	12/29/2016 3:33 AM
68	Greenbelt near Artlebeck Bridge	12/28/2016 6:35 PM
69	The park at fell view, the cycle path and crook of lune	12/28/2016 6:30 PM
70	all	12/28/2016 1:46 PM
71	The gala field is very important and also the playing fields. Both are safe community areas. Caton would not be the same without these and would lose its village feel.	12/28/2016 12:16 PM
72	Crook of lune cycle path and walks, play area on Fell View.	12/27/2016 3:44 PM
73	Crook O' Lune picnic site.	12/26/2016 4:45 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

74	All of them, lock stock and barrell	12/23/2016 12:47 PM
75	the farmland i can see from my windows	12/22/2016 12:02 PM
76	The play areas, the windfarm picnic area, the footpath that leads to the Crook O'Lune so far	12/21/2016 10:45 PM
77	Caton Sports field, my children have played on it regularly for the last 13 years. Also the play park is a good asset and a great space.	12/21/2016 8:37 PM
78	The sports field	12/21/2016 8:34 PM
79	towards the river Lune	12/21/2016 3:34 PM
80	station field	12/21/2016 11:39 AM
81	Footpaths by Artlebeck need improvement, as do others in the area. Fields on each side of Brookhouse Rd (where pipeline runs)	12/20/2016 5:46 PM
82	School fields Football fields All green spaces in village	12/20/2016 5:36 PM
83	The playpark, playing field, cycle path and local footpaths.	12/20/2016 4:41 PM
84	station field	12/18/2016 8:41 PM
85	All green spaces matter but within the village the Station Hotel field,	12/18/2016 8:17 PM
86	Station Hotel playing field Fell View Playground	12/18/2016 7:41 AM
87	Fell View playground Station Hotel playing field	12/18/2016 7:36 AM
88	All of our green spaces	12/18/2016 7:28 AM
89	The station hotel field and fell view	12/17/2016 5:16 PM
90	Station hotel field, fell view	12/17/2016 3:13 PM
91	All of them.	12/17/2016 10:27 AM
92	Millenium Way, space close to the Station Hotel and the play area for children.	12/17/2016 9:29 AM
93	Station shorts field, the fields between Caton and Brookhouse near Artlebeck Bridge, Crook o Lune	12/16/2016 7:26 PM
94	Station Hotel field, local footpaths, green between Brookhouse Rd and Beckside. Fields between Caton and Brookhouse that separate the two villages.	12/16/2016 7:01 PM
95	all	12/16/2016 12:38 PM
96	Caton cricket pitch, Crook O' Lune	12/16/2016 11:02 AM
97	old train line, fell view	12/16/2016 10:54 AM
98	Station Hotel playing field	12/16/2016 10:49 AM
99	bowling green and cricket field	12/16/2016 10:41 AM
100	Village playing field in Caton, land adjacent to St Pauls Clubhouse, Crook O Lune. Green space at Caton and Brookhouse	12/15/2016 3:52 PM
101	all of them	12/15/2016 12:32 PM
102	All of them	12/15/2016 12:06 PM
103	All	12/15/2016 12:01 PM
104	All - from a visual point of view as well as walking etc.	12/15/2016 11:33 AM
105	All of them	12/15/2016 10:42 AM
106	The children's play park. The footpath/ cycle track along the lune into Lancaster	12/14/2016 8:59 PM
107	The footpath/cycleway; Fell View play park.	12/14/2016 8:51 PM
108	The footpath network around Caton, Brookhouse, Caton Green passes through some lovely green spaces and links to the Millennium footpath. Access to the floodplain for recreation and views, high views from the footpaths near the windfarm. All these green spaces are valued by residenntscand visitors alike. The gala field is a very important green space that helps the parish create the sense of community that is so important to residents	12/14/2016 6:49 PM
109	- all those aurrounding the three main settlements in the parish and those in the outlying settlements of Littledale. There are spectacular views, birdlife and wildlife and stargazing opportunities as a result of the AONBs "dark skies" status. - walking routes on footpaths around the edge of Brookhouse including those up onto Caton Moor and down to the Lune floodplain and Millenium footpath/cycleway.	12/14/2016 6:14 PM
110	The views to the Howgills, the views to the bay and the maintenance of farmland	12/14/2016 5:45 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

111	The field next to the Station pub.	12/14/2016 2:54 PM
112	sports field, Fell view playground, Millennium footpath/cycle way, all local footpaths	12/14/2016 1:52 PM
113	I value and appreciate all of the surrounding green space. In particular the Lune valley including the Crook O' Lune and Littledale.	12/13/2016 7:44 PM
114	Surrounding countryside, the cycle track, the river	12/13/2016 7:24 PM
115	parks and play ares, track, fields, river banks	12/13/2016 2:45 PM
116	all green spaces	12/13/2016 10:25 AM
117	All of them! But particularly fell view playing field and the crook o lune.	12/12/2016 9:06 PM
118	Millennium path; Lune footpaths; Fell Foot; the playing field; Crook o'Lune	12/12/2016 7:14 PM
119	the millennium track, Crook O' Lune, walks & areas where dogs can run freely	12/12/2016 10:35 AM
120	The surrounding fields for walking and views. The football field as an area which can be used by young people and for Caton Gala. The cycle track and footpaths by the river, which are so well used by people in the village and from further afield.	12/12/2016 1:07 AM
121	fell view, cycle path, sports field, the riverside	12/11/2016 9:03 PM
122	All of them!	12/11/2016 7:10 PM
123	The green in Caton and the area where the wind farm is.	12/11/2016 8:06 AM
124	Fell view park, gala field	12/11/2016 2:25 AM
125	Play ground - river path / old railway line / VILLAGE playing field	12/11/2016 12:42 AM
126	Caton Park is absolutely brilliant. The kids love it there. The cycle path is great (I bike when I'm well enough) both ways. Crook o' Lune.	12/11/2016 12:40 AM
127	All	12/10/2016 11:42 PM
128	The park/play area	12/10/2016 7:53 PM
129	fell view play park caton football field crook of lune area public footpaths around caton and littledale	12/10/2016 7:44 PM
130	Everything there is at present. I would not want to see any more houses erected on Greenland .. by almost develop sites such at barghs but nothing else	12/10/2016 6:46 PM
131	The field next to The Station Hotel is often the hub for community events and sport.	12/10/2016 5:51 PM
132	Station field where they hold the gala and football and cricket. The play park	12/10/2016 4:40 PM
133	Fell view play area and Caton sports field within the village, the Lune picnic areas and walkways	12/10/2016 2:54 PM
134	Field adjacent Station Hotel, used as football and cricket for young people	12/9/2016 5:27 PM
135	The field by the Station Hotel, Fell View, either field on Brookhouse rd, Gresgath Hall	12/9/2016 2:53 PM
136	Station Hotel field (a village amenity & sports ground) Fell View, the green field at Artlebeck separating Caton from Brookhouse	12/9/2016 2:18 PM
137	Public footpaths in and around the parish, particularly along the riverside.	12/9/2016 11:26 AM
138	Farming fields backing onto hawthorn/st Anne's Cycle track and river walks. Play park for the kids Area around church hall/scout hut.	12/8/2016 6:21 PM
139	The Gala field behind the Station Public House. The gap between Brookhouse and Caton by the Artle Beck keeping villages of Caton and Brookhouse separate with their own character and also acting as a wildlife corridor. The Millenium Cycleway / footpath into Lancaster. Field at the corner of Quernmore Road adds character.	12/8/2016 6:02 PM
140	Retaining the sports pitch	12/8/2016 3:11 PM
141	the old railway track, walks in the Lune valley	12/8/2016 10:10 AM
142	The sports field adjoining the Sation pub. An essential amenity for all ages.	12/8/2016 8:30 AM
143	All	12/7/2016 7:05 PM
144	All of them.	12/7/2016 3:35 PM
145	The playing field behind station pub	12/7/2016 3:34 PM
146	Play park at fell view	12/7/2016 3:27 PM
147	The field behind the Station pub.	12/7/2016 3:22 PM
148	ALL	12/7/2016 2:29 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

149	all of them	12/7/2016 12:38 PM
150	Caton Football field Fell View Park Holme Banks Clougha Pike and Quernmore Valley	12/7/2016 11:41 AM
151	football field, Fell View playing area	12/7/2016 10:19 AM
152	all of them	12/7/2016 10:14 AM
153	All, in countryside area sand within village. All add to sense of well being whether or not can access. All habitats for birds and other wildlife and lichens, flora and other plants	12/7/2016 10:12 AM
154	all existing green spaces	12/7/2016 10:07 AM
155	All of them	12/6/2016 5:26 AM
156	The field behind the Station pub, my son played cricket and football on it all through his teens. The bowling green, the cycle path.	12/5/2016 9:45 PM
157	Cycleway Crook of Lune and riverside Whole of AONB Fields NW of Brockhouse Gresgarth Hall and setting	12/5/2016 6:32 PM
158	All of them, but especially the station field	12/4/2016 11:03 PM
159	Hill walks above Caton and Brookhouse on south side of river.	12/4/2016 9:43 PM
160	All green spaces. Especially Fell View, Playing Field, Station Field, Broadacre school field but every green space is important for wildlife and the emotional wellbeing of the residents of our village.	12/4/2016 9:06 PM
161	cycle path	12/4/2016 4:14 PM
162	The football field in Caton is a very important part of the village for everybody and should never be anything but a space for recreational activities.	12/4/2016 7:21 AM
163	Fell view play park, football pitch near the station.	12/4/2016 6:52 AM
164	All of them	12/3/2016 11:22 PM
165	Areas around the Lune and cycle paths. Gala field	12/3/2016 10:53 PM
166	All green areas are very important and should stay as such unless a unused barn can be converted appropriately	12/3/2016 10:44 PM
167	Cricket Pitch in central Caton	12/2/2016 4:25 PM
168	Football field	12/2/2016 3:57 PM
169	The park and football field also the field behind the station as this is where the gala is held.	12/2/2016 3:27 PM
170	Mainly the field at the end of Broadacre as it is one which I have grown up near. However, all of the green spaces are important to me and my family as it makes the villgae feel like a village rather than extension of the town. The village would lose it's rural aspect to if if every green space were to be built on with houses.	12/2/2016 2:38 PM
171	All of them.	12/1/2016 8:37 PM
172	all area round Crook o Lune field on corner of Quernmore and Lancaster Roads Millennium track playing field behind Station Hotel	11/30/2016 6:56 PM
173	All	11/29/2016 6:39 PM
174	The sports field behind Hornby Road & Station Pub.	11/29/2016 1:32 PM
175	The village football pitch. Central green space for the community v important to us	11/29/2016 12:50 PM
176	Fellview play field. Cycle track. Play field. Fields between little dale road and Quernmore road. Fields between Brookhouse road and Hornby road.	11/28/2016 10:22 PM
177	sports field, millennium pathway, play park on fell view	11/28/2016 10:13 PM
178	Football & Cricket Field near the Ship. The Crook of Lune Area	11/28/2016 3:04 PM
179	Station Field - for the Gala	11/27/2016 6:02 PM
180	the fields dividing the 2 villages, the fields on the approaches to the villages	11/27/2016 5:14 PM
181	Station Field. Space between Caton and Brookhouse. Fields leading down to the Kirkby Lonsdale Road aka the sledging field.	11/27/2016 4:54 PM
182	The Crook o Lune	11/27/2016 4:30 PM
183	all of them	11/27/2016 9:50 AM
184	The river, the Crook of Lune and cycle path the footpaths in and around the village, the grass verges,	11/26/2016 1:48 PM
185	Millennium Way, access to Crook o lune	11/25/2016 10:11 PM
186	The Lune "track", Crook o Lune, Fell View, public footpaths, Memorial Garden, Station playing fields,	11/25/2016 8:28 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

187	Crook o'Lune	11/25/2016 7:37 PM
188	like the memorial garden & cold railway path	11/25/2016 7:11 PM
189	Cycle path; footpath from the Forge to Brookhouse.	11/25/2016 6:29 PM
190	play area on Fell View, School fields, Crook O'Lune	11/25/2016 5:04 PM
191	area east of St Pauls Church, Jack Scout barn, Annas Ghyll	11/25/2016 3:36 PM
192	All of them	11/25/2016 1:54 PM
193	All the footpath areas, ie north of Sycamore Road, south of brookhouse, by the river	11/25/2016 1:37 PM
194	Fell View Play park, School field, Gala field	11/25/2016 11:47 AM
195	The whole lune valley! Particularly the many areas along the cycle track and also up at the windmills.	11/25/2016 11:12 AM
196	The cycle track and park	11/25/2016 10:40 AM
197	Station field, Fell view playground,	11/24/2016 10:38 PM
198	The farmland/moorland with footpaths.	11/24/2016 10:23 PM
199	All the countryside round the village with lovely local walks with good views over open countryside. Caton Community school field for sports activities and enjoyment, both organised and informal Fell view field for play area Station Field for sports clubs and Gala Millennium path for safe cycling and walking Crook o Lune	11/24/2016 8:32 PM
200	area along the river and cycle track, views to clougha and green areas along the back road to Lancaster	11/24/2016 6:34 PM
201	River lune	11/24/2016 6:27 PM
202	The park Down by the river Space behind the station	11/24/2016 1:49 PM
203	All	11/24/2016 11:04 AM
204	Fell View, Station Hotel field, all land behind Pinewood Avenue, Hawthorn Avenue and Hawthorn Close.	11/24/2016 10:54 AM
205	Parks and the track	11/24/2016 9:51 AM
206	Countryside around, Millennium path, Childrens' playground.	11/24/2016 9:43 AM
207	The green in Caton with the trees - would be good to develop this area more. The remembrance woodland at the Crook and the facilities that are at the Crook. The riverside path and other footpaths in and around the parish.	11/24/2016 8:15 AM
208	Sports field, Fell View, The fields down Holme Lane enhance the setting of the properties there.	11/24/2016 8:15 AM
209	All of them	11/23/2016 10:53 PM
210	Station Field, Fell View Field	11/23/2016 10:35 PM
211	All of them	11/23/2016 10:26 PM
212	The play park	11/23/2016 10:13 PM
213	Play area Fields between Brookhouse/Caton Green and Brookhouse/Caton	11/23/2016 10:11 PM
214	Green in front of Beckside (where I live). Playing fields at Station Hotel and Fell View. St Paul's Church yard. The Millennium cycle way. The meadow between Caton and Brookhouse.	11/23/2016 9:55 PM
215	Crook of lune, Caton Park, littledale, windmills, bank of the lune	11/23/2016 8:52 PM
216	Open countryside, cycle track, riverside footpaths, public footpaths including windmills footpaths, bains crag etc	11/23/2016 7:46 PM
217	All of them	11/23/2016 7:10 PM
218	Fell view play area. Fields around river Lune are great for walking.	11/23/2016 7:05 PM
219	All of them - development of brown field sites must be a priority. Get cricket back on Station Field, make the Crook something to be really proud of with a proper set-up, marked trails, fitness course etc...	11/23/2016 6:56 PM
220	Sports and Playing fields and fields/ paths for walking, maintenance of the bridges over the becks is important	11/23/2016 6:47 PM
221	Primarily those surrounding Caton Green but all green space is valued	11/23/2016 6:44 PM
222	Moorside road and land off sycamore road	11/23/2016 5:51 PM
223	Park and woods and crook o lune	11/23/2016 5:47 PM
224	Cycle track, river walk	11/23/2016 5:16 PM
225	Station field, Fell view, Beckside the school playing fields, in fact all of them.	11/23/2016 5:09 PM
226	All of them. We love walking the dog on the paths	11/23/2016 4:36 PM
227	Cycle path, crook of lune, grass verges, footpaths in and around the village,	11/23/2016 1:36 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

228	All of them fir many readins	11/23/2016 1:30 PM
229	The field behind station pub. Lovely to see kids playing there, sports teams and training academies. Have seen families play rounders, gents flying remote and driving control vehicles and the gala is such a lovely event it brings the whole village together.	11/23/2016 12:57 PM
230	I think it is important to keep the sports field (next to Station pub) as a community asset and not let it be developed.	11/23/2016 12:41 PM
231	The ones all around my house!	11/23/2016 11:53 AM
232	All of them!	11/23/2016 11:36 AM
233	The cycle track and surrounding fields	11/23/2016 10:15 AM
234	Station Hotel field, millennium way	11/23/2016 10:13 AM
235	The play park on Fell View & the cycle path	11/23/2016 9:55 AM
236	All of them!	11/23/2016 9:21 AM

### Q15 Views in and around the village - which are the most important to you?

Answered: 207 Skipped: 72

#	Responses	Date
1	Crook o'lune	1/8/2017 7:42 PM
2	Fish steps, crook o lune, general views around the valley,	1/8/2017 12:44 PM
3	The views across the fields from Sycamore Road and over the Lune Valley.	1/7/2017 11:11 PM
4	River lune	1/7/2017 8:04 PM
5	Crook o lune. Line valley. Woodland along cycle track.	1/7/2017 6:30 PM
6	Crook O'Lune Clougha Ingleborough	1/7/2017 5:49 PM
7	The view from the Crook O'Lune up the Lune valley	1/7/2017 4:27 PM
8	those from the village edge and along the River Lune looking towards open countryside that can be accessed on foot and along public rights of way. Views towards and from the higher land in the parish. Although people may have grown used to seeing the windfarm on Caton Moor it would be very controversial to allow this to remain or be replaces when the planning consent runs out. If the village is going to have to face accepting more housing development at lower levels then the prid quo pro should be the return of the Moor to its natural habitat.	1/7/2017 3:22 PM
9	Need to keep all shops and local fac. and services (doc etc) Keep open all the countryside views.Dont want any more windmills they blight the Moors	1/7/2017 3:20 PM
10	the river and the surrounding fields	1/7/2017 11:17 AM
11	All of them	1/7/2017 7:45 AM
12	Lune Valley from Caton green Road	1/7/2017 7:25 AM
13	The Lune Valley from Caton Green Road	1/7/2017 7:17 AM
14	Views of Clougha Views over the river to Burton Wood View of the Church View of the Caton Oak and Fishstones	1/7/2017 7:10 AM
15	All of them	1/7/2017 7:01 AM
16	View across Lune Valley	1/6/2017 7:05 PM
17	Crook of Lune, Lune Valley, Caton Moor,	1/6/2017 5:04 PM
18	View from Littledale looking down past Brookhouse & Caton across to the River Lune, & from the windmills	1/6/2017 4:19 PM
19	Crook o' Lune, river and view from Quernmore Road over meadow	1/6/2017 4:09 PM
20	all views	1/6/2017 2:44 PM
21	those around the Crook O' Lune	1/6/2017 2:06 PM
22	All river. Jews from the crook of lune	1/6/2017 1:34 PM
23	all	1/6/2017 11:43 AM
24	all areas by river Lune	1/6/2017 11:40 AM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

25	all of them	1/6/2017 11:31 AM
26	Views from Littledale Rd, Moorside Rd, Caton Green Rd	1/6/2017 8:57 AM
27	Crook of lune, grey's seat. Views from the Cragg in Littledale and the wind farm	1/4/2017 2:52 PM
28	Millenium Path Crook O Lune Caton Moor	1/4/2017 2:30 PM
29	The River Lune and Wind Farm.	1/3/2017 5:38 PM
30	view from Brookhouse across to the river and the woodland beyong	1/3/2017 4:07 PM
31	Caton oak tree, Black Bull and Ship Inn, the village centre around the coop	1/3/2017 3:53 PM
32	It's important because it improves your well-being. e.g. trees and flowers.	1/3/2017 2:59 PM
33	hills on both sides of village	1/3/2017 11:08 AM
34	Views up the Lune valley, especially the long distance views along the Valley from Crook O' Lune Views over to Low Mill from Crook O' Lune. The Moorland views over Deep Clough.	1/3/2017 10:45 AM
35	The Crook of Lune, but it is being obliterated by trees and saplings that have been and are still being planted there! The view is considerably less than it was even 5 years ago! Which is a shame as it was a local beauty spot to look at.	1/3/2017 9:53 AM
36	The whole of the Lune Valley aspect	1/2/2017 7:59 PM
37	of the parish church, particuarly coming down Littledale Road	1/2/2017 7:40 PM
38	views over the lune	1/2/2017 12:16 PM
39	Crook o'Lune	1/2/2017 11:15 AM
40	Views over the valley from Caton Green Road - as you go out of the village.	1/2/2017 8:59 AM
41	All the views around the village are important	1/1/2017 6:36 PM
42	All of them, especially on Littledale Road.	1/1/2017 4:47 PM
43	Gala field, school fields.	1/1/2017 4:43 PM
44	Littledale Road.	1/1/2017 4:34 PM
45	I love the seat by the Lune and the iron bridge. More seats needed in our beautiful countryside to sit and enjoy the wildlife.	1/1/2017 1:11 PM
46	Views from elevated areas which encompass the villages and the wider Lune valley	1/1/2017 8:37 AM
47	Crook of lune , all the farm land and hills .	12/31/2016 1:31 PM
48	Aughton and the Lune Valley	12/31/2016 12:21 PM
49	The view from caton green rd down to the lune,also the the area around the bull and rotten row as it is the oldest part of brookhouse	12/31/2016 11:13 AM
50	Lune valley looking to east and north; Crook of Lune; Littledale fells; Clougha	12/30/2016 6:19 PM
51	Many: Crook of Lune and views up the river valley from the bridges, view of the surrounding hills from numerous locations in the village, views across fields from the cyclepath, view across fields towards Aughton woods from Brookhouse Road between Caton and Brookhouse, view from Littledale road and Moorside Road Road back across the village and up the Lune valley, view across the village to the bowland hills from Park Lane.	12/30/2016 5:31 PM
52	The river and surroundings plus the long distance views of Ingleborough and Caton Moor.	12/30/2016 4:48 PM
53	All river views. The cragg. Caton green view of the river.	12/30/2016 3:50 PM
54	I love all the surrounding area :)	12/30/2016 3:11 PM
55	vistas along the lune valley	12/30/2016 2:07 PM
56	Windmills	12/30/2016 1:15 PM
57	Halton Park Bowland fells	12/30/2016 12:08 PM
58	See above. +View of the village from the seat on Lawson's meadow + Valley from the crook.	12/30/2016 11:50 AM
59	Veiv over the valley from house and also by river and seat on lawsons meadow	12/30/2016 11:43 AM
60	St Paul's Church and surrounding old properties Station and Ship buildings	12/29/2016 8:19 PM
61	across river to the wooded hillside, up to the hills of Bowland Forest area, up the valley to Ingleborough	12/29/2016 3:51 PM
62	Crook o'Lune	12/28/2016 6:35 PM
63	All of them!	12/28/2016 6:30 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

64	all	12/28/2016 1:46 PM
65	all are important, that's why I chose to move to caton. If it becomes more developed and loses its village feel I will likely move.	12/28/2016 12:16 PM
66	All of them as they are now.	12/27/2016 3:44 PM
67	Ingleborough/ Lune valley	12/26/2016 4:45 PM
68	All of them. Leave them well alone	12/23/2016 12:47 PM
69	the river & bank, walkways and hills	12/22/2016 12:02 PM
70	I love the view in all directions, it's a beautiful part of the country and the buildings are picturesque too, so fit in well with the backdrop of the countryside.	12/21/2016 10:45 PM
71	Keeping the village as a village and not turning it into a 'mini' town. We are lucky we have good shops and resources but more housing will create more pressure on these resources.	12/21/2016 8:37 PM
72	Along the river	12/21/2016 8:34 PM
73	those of Caton Moor from various viewpoints looking across towards Halton Park from Brookhouse	12/21/2016 3:34 PM
74	station field, the views over Ingleborough	12/21/2016 11:39 AM
75	All of them of course (we are in AONB)	12/20/2016 5:46 PM
76	Views from Caton Green Road The old railway line	12/20/2016 5:36 PM
77	Artle Beck and views from playing field.	12/20/2016 4:41 PM
78	The view from the top of quarry Road. The view descending into Brookhouse from Littledale Road. The view of the valley from the seat at the top of Caton Green Road	12/18/2016 8:17 PM
79	Everyone of them	12/18/2016 7:41 AM
80	All of them!	12/18/2016 7:36 AM
81	All of them	12/18/2016 7:28 AM
82	The view over the lune and the view over Bull beck carpark towards Ingleborough	12/17/2016 5:16 PM
83	Clougha pike, Ingleborough, Lawson's field	12/17/2016 3:13 PM
84	All of them.	12/17/2016 10:27 AM
85	Lune Valley and Caton Moor and Littledale Moor	12/17/2016 9:29 AM
86	Lune Valley from the Crook, from Moorside, Caton Green Road.	12/16/2016 7:26 PM
87	from the windmill carpark, from Caton Green hill, lookig up the Lune from the field beyond the Crook 'o Lune carpark	12/16/2016 7:01 PM
88	all	12/16/2016 12:38 PM
89	Crook O' Lune	12/16/2016 11:02 AM
90	Crook O' Lune	12/16/2016 10:49 AM
91	Littledale fells, top of Moorside, along the Lune, roads up Quarry rd	12/16/2016 10:41 AM
92	Crook O Lune, other green field areas, Caton Moor, st Pauls church. The old oak tree and fish stones in Caton	12/15/2016 3:52 PM
93	all views	12/15/2016 12:32 PM
94	All	12/15/2016 12:01 PM
95	Crook of Lune; views from 'railway' track up the valley; views from windmills looking down over the area.	12/15/2016 11:33 AM
96	All of them	12/15/2016 10:42 AM
97	Those to the east and from Caton Green, and the views of the Lune from the bridges at the Crook.	12/14/2016 8:51 PM
98	The views from Lawson wood looking over the floodplain with the villages nestling in the landscape and the moorland rising above them is a perfect example of the beauty of the Forest of Bowland ANOB. The views of the villages from the high moors, the conservation area in Brookhouse, the original village centre in Caton, the Littledale area, the view from the lay-by between Brookhouse and Caton Green looking towards the floodplain and Caton, St Pauls Church, Kirk Beck from the Bridge near the Church ....	12/14/2016 6:49 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

99	- We are spoilt for choice given there are so many. You could for example include the whole of the Lune floodplain and the whole of Littledale. - Those across fields and farmland in and around Caton Green and Brookhouse. - Looking north across fields and farmland from various footpaths in Caton Green and Brookhouse towards the Lune floodplain and meanders. - Views which capture the beauty of the whole parish within the AONB from high vantage points eg looking north from the Caton moor wind farm down to the Lune floodplain and from Lawson's wood looking south across the Lune floodplain and ultimately Clough Pike via the entire parish.	12/14/2016 6:14 PM
100	The green spaces within the village e.g village green. The various country lanes, cycle track	12/14/2016 5:45 PM
101	Down the valley past the Crook O Lune bridges. Looking up to the windmills. Across the fields alongside Quernmore road.	12/14/2016 2:54 PM
102	up and down the Lune valley, views towards Caton moor & Burton wood	12/14/2016 1:52 PM
103	The Lune valley	12/13/2016 7:44 PM
104	The whole of the Lune valley and surrounding hills	12/13/2016 7:24 PM
105	river views from the Crook, village centre, shops & houses	12/13/2016 2:45 PM
106	the countryside	12/13/2016 10:25 AM
107	Views of hills and countryside. Especially our lovely view of Ingleborough.	12/12/2016 9:06 PM
108	View of village surrounded by greenery/rural landscape - keeping that sense of a rural setting, not a suburb of Lancaster. River views from everywhere, including from the bridges, but also from many village vantage points. Grazing land around, but also wooded valley sides (not clear felled like has just been done on the north bank of the Lune). No further wind farms other than up on Caton Moor.	12/12/2016 7:14 PM
109	Across the valley, up to the hills and along the river	12/12/2016 10:35 AM
110	The Crook O'Lune, views across the river to Halton Park and upstream to Ingleborough and Leck Fell, views up to Littledale and Caton Moor.	12/12/2016 1:07 AM
111	crook o lune view up the valley	12/11/2016 9:03 PM
112	All of them	12/11/2016 7:10 PM
113	Greenery, hills and sheep	12/11/2016 8:06 AM
114	Ones overlooking Caton	12/11/2016 2:25 AM
115	All	12/11/2016 12:42 AM
116	As above - cycle path & Crook o' Lune. But also the moon and stars from my back garden, and the views driving up Quernmore Road (especially at sunset).	12/11/2016 12:40 AM
117	Green spaces	12/10/2016 11:42 PM
118	the river the fields into littledale	12/10/2016 7:44 PM
119	Fields with animals, windmills	12/10/2016 6:46 PM
120	green space separating caton from brookhouse walks along the river, and crook of lune picnic site	12/10/2016 5:51 PM
121	The war memorial, the windmills, Ingleborough with the snow on.	12/10/2016 4:40 PM
122	the Lune views	12/10/2016 2:54 PM
123	The Lune Valley view to Ingleborough	12/9/2016 5:27 PM
124	Looking over to Halton Park, going up to Littledale Hall, view from the crag just looking at trees, the scout camp at Littledale, view from Quernmore rd over M'cambe bay to the hills	12/9/2016 2:53 PM
125	The view of C-w-L from Halton Park corner with Clougha Pike behind. I look across and think 'how lucky I am to live there. The views driving up Littledale Rd to the crag at Littledale looking across to the coast, the city, the Lakeland hills & the Lune Valley (all accessible from the village)	12/9/2016 2:18 PM
126	All equally important - every aspect of the village needs to be well thought-out and well maintained. A chain is only as strong as its weakest link.	12/9/2016 11:26 AM
127	Over to halton park. Down over caton green road looking to river. View from crook o lune	12/8/2016 6:21 PM
128	1) View from Quarry Road down the Lune towards Crook O' Lune showing villages nestling in the valley with river. 2) Views from Roeburndale Road / Littledale Road down Littledale and across the villages. 3) View from Littledale Crag on road from Quernmore up the Lune valley across the Parish. 4) View from road near Halton Park Farm across the Lune and Crook O' Lune over our Parish and up Littledale. Avoid large new housing out of village limits here,	12/8/2016 6:02 PM
129	The Crook o'Lune and the views of the moorland and up the valley towards Ingleborough.	12/8/2016 3:11 PM
130	Crook of Lune View from Arthur's seat Fish steps	12/8/2016 10:10 AM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

131	All of them.	12/8/2016 8:30 AM
132	All	12/7/2016 7:05 PM
133	Views of field from my house	12/7/2016 3:27 PM
134	All areas around the river.	12/7/2016 3:22 PM
135	all	12/7/2016 12:38 PM
136	Beckside Fell View Play Area Village view from Littledale Road. Crook o'Lune and all river views	12/7/2016 11:41 AM
137	church, war memorial, fish steps	12/7/2016 10:19 AM
138	Up towards and over Littledale, moor woods becks and rocks, depending on time of day - spectacular colours and sunsets Towards Ingleborough up Lune Valley any time of year always different	12/7/2016 10:12 AM
139	all the surrounding countryside	12/7/2016 10:07 AM
140	All of them	12/6/2016 5:26 AM
141	across to the hills, the field on the corner of Lancaster road and Quernmore road.	12/5/2016 9:45 PM
142	Moor side Road and across valley Crook of Lune View south across village into AONB from Halton Park	12/5/2016 6:32 PM
143	All. Its beautiful	12/4/2016 11:03 PM
144	Love them all	12/4/2016 9:43 PM
145	View of the river, the hills, the Pennines, the Howgills, the Barbon Fells and of Clougha.View of the church from Holme Lane and surrounding countryside	12/4/2016 9:06 PM
146	We have some beautiful walks around Caton which should be respected and appreciated by everybody.	12/4/2016 7:21 AM
147	Oak tree by the ship	12/4/2016 6:52 AM
148	The view of the valley from the top of Caton Green road & the crook of lune	12/3/2016 11:22 PM
149	Views of the Lune.	12/3/2016 10:53 PM
150	The Lune views are spectacular from the Crook and also the hills etc	12/3/2016 10:44 PM
151	All current views	12/2/2016 4:25 PM
152	The countryside - hills, I like the windmills as well.	12/2/2016 3:27 PM
153	The Crook O'Lune. The windmills on Caton Moor. The view from Caton Moor.	12/1/2016 8:37 PM
154	Crook o Lune overview of Caton fromn Littledale Road	11/30/2016 6:56 PM
155	All	11/29/2016 6:39 PM
156	Crook of Lune Windmills Clough Ingleborough	11/29/2016 1:32 PM
157	One in particular, ingleborough	11/29/2016 12:50 PM
158	crook of Lune	11/28/2016 10:13 PM
159	All existing open spaces	11/28/2016 3:04 PM
160	Looking down the valley from Quarry Lane Looking across towards Escowbeck from Gresgarth Across the Lune from the car park towards the windmills on Caton Moor	11/27/2016 6:02 PM
161	Up and down the Lune Valley	11/27/2016 5:14 PM
162	Not a specific one but I like the whole setting of the village within the landscape. Discrete and separate.	11/27/2016 4:54 PM
163	Crook o Lune, Windmills and Ingleborough	11/27/2016 4:30 PM
164	all of them	11/27/2016 9:50 AM
165	The view of the river and the valley from so many viewpoints, the church	11/26/2016 1:48 PM
166	Lune Valley	11/25/2016 10:11 PM
167	All of them.	11/25/2016 8:28 PM
168	From the windmills and Crook.	11/25/2016 7:37 PM
169	general view of caton as avillage is nice - usual crook of lune if out of village	11/25/2016 7:11 PM
170	Both	11/25/2016 6:29 PM
171	View up valley from the crook	11/25/2016 3:36 PM
172	All of them!!!	11/25/2016 1:54 PM

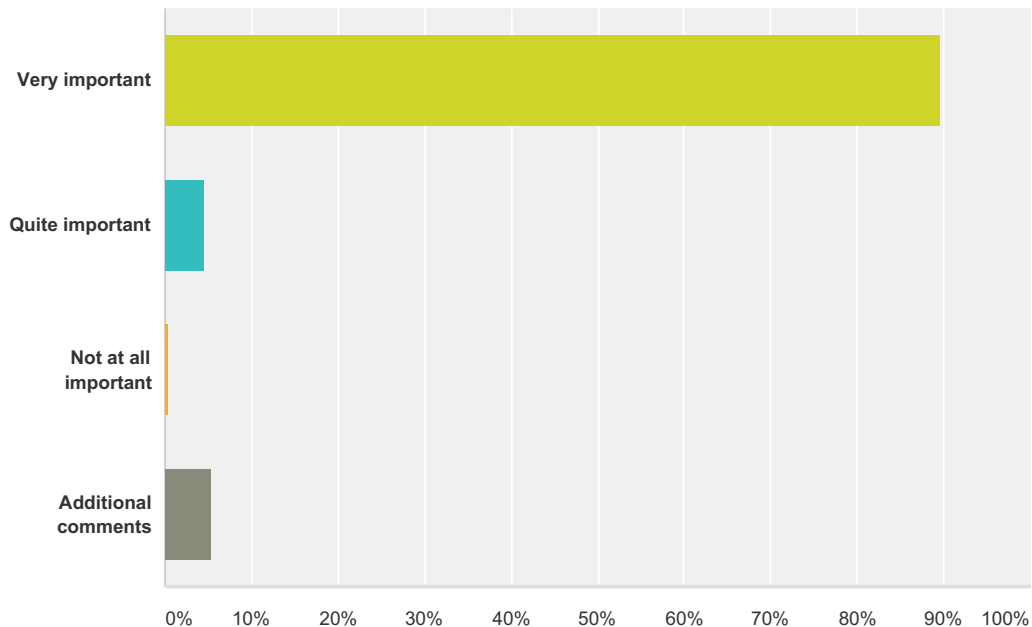

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

173	The view of the villages, and that much is hidden from view.	11/25/2016 1:37 PM
174	All of them	11/25/2016 11:47 AM
175	Definitely the view from the windmills.	11/25/2016 11:12 AM
176	River , hills, valley	11/24/2016 10:38 PM
177	East (up-river) from the slopes at the back of Pinewood Ave. Up-river from the Crook o' Lune. Ingleborough from the Lune cycle track bridge.	11/24/2016 10:23 PM
178	View from Caton Community field footpath out of village over mature trees and beautiful open countryside and distant views. View from footpath above Brookhouse out over valley. View from Crook O Lune up the river.	11/24/2016 8:32 PM
179	The wind turbines	11/24/2016 6:27 PM
180	The river	11/24/2016 1:49 PM
181	All of them!	11/24/2016 10:54 AM
182	Caton Green towards the River, Crook O'Lune, Littledale.	11/24/2016 9:43 AM
183	Up to the windmills and down along the valley. Crook of Lune and the river. All the open areas along Artebeck too. Up to the Bowland Fells.	11/24/2016 8:15 AM
184	All of them! The views from Caton Moor and various high points in Littledale are particularly stunning. Also look back on the village from Halton Park. The old areas in Brookhouse and Town End.	11/24/2016 8:15 AM
185	We live in a beautiful area, shame if it is allowed to be ruined	11/23/2016 10:53 PM
186	None in particular	11/23/2016 10:35 PM
187	Views from Caton Green Rd	11/23/2016 10:11 PM
188	Valley views from the cycle way, from Caton Green Road and from Crook o' Lune. Bowland views from most places in the village, including the wind farm!	11/23/2016 9:55 PM
189	Lune, Crook of lune, littledale fells	11/23/2016 8:52 PM
190	Old buildings, riverside and ALL open countryside towards clougha, the howgills, windmills, lake district etc	11/23/2016 7:46 PM
191	All of them	11/23/2016 7:10 PM
192	I like the view of the windmills and the view from the windmills	11/23/2016 7:05 PM
193	All of them, the Lune Valley is awesome, preserving the environment ranks above all other things	11/23/2016 6:56 PM
194	The Area around the Lune (lune valley), old historic buildings	11/23/2016 6:47 PM
195	Up and down the Lune valley	11/23/2016 6:44 PM
196	River line	11/23/2016 5:51 PM
197	Hills and beautiful rural setting	11/23/2016 5:47 PM
198	River walks	11/23/2016 5:16 PM
199	St Pauls Church, fishstones, the river, wonderful views from Caton Green. Views from littledale and the cragg.	11/23/2016 5:09 PM
200	From Caton Green road. Brookhouse Church	11/23/2016 4:36 PM
201	The river, the woods, view from the windmills, (but not the windmills), the crook of lune, Grey's seat, trees throughout the seasons, the church.	11/23/2016 1:36 PM
202	Views over the lune , up to Caton Moor, even the wind farm.	11/23/2016 1:30 PM
203	The one across the fields to Ingleborough and Clougha. It reminds you that Caton is a village in the countryside.	11/23/2016 12:57 PM
204	All of them	11/23/2016 11:36 AM
205	Crook O' Lune, the Lune valley & surrounding countryside	11/23/2016 10:15 AM
206	toward Caton moor, Grey's seat	11/23/2016 10:13 AM
207	View she looking towards the trough of bowland and also behind the cycle path towards the river lune	11/23/2016 9:55 AM

### Q16 How important to you is the countryside around the village?

Answered: 260 Skipped: 19

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

Answer Choices	Responses
Very important	89.62% 233
Quite important	4.62% 12
Not at all important	0.38% 1
Additional comments	5.38% 14
<b>Total</b>	<b>260</b>

#	Additional comments	Date
1	see 15	1/7/2017 3:22 PM
2	please can we have mature trees	1/6/2017 11:31 AM
3	I moved to Caton because of the countryside.	1/1/2017 1:11 PM
4	Of paramount and essential importance.	12/23/2016 12:47 PM
5	That's why we moved to the village it rural but not remote.	12/21/2016 8:37 PM
6	Would not like to see any more buildings built on existing green land.	12/15/2016 10:42 AM
7	Essential aspect is the countryside...otherwise, might as well live in town. Wildlife ditto.	12/12/2016 7:14 PM
8	I moved out of Lancaster in order to be in the countryside with open spaces around me	12/10/2016 5:51 PM
9	see above comments 15	12/9/2016 2:18 PM
10	Dependent on location. Not that important if on outskirts	11/29/2016 12:50 PM
11	Vital to retain the separateness of the village - do not want to see ribbon development encroaching onto the green spaces	11/27/2016 4:54 PM
12	the vilage is the priority	11/25/2016 7:11 PM
13	Best bit of living here!	11/24/2016 10:23 PM
14	It is extremely important. We are in an Area of Outstanding Natural Beauty and it needs to be protected.	11/24/2016 8:32 PM

### Q17 Any other comments on the Forest of Bowland, landscape and countryside?

Answered: 127 Skipped: 152

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

#	Responses	Date
1	Don't object to further residential development in village eg development of former bargh site. Object to overdevelopment.	1/8/2017 7:42 PM
2	Only that I like living in an aonb,	1/8/2017 12:44 PM
3	Unique AONB	1/8/2017 9:36 AM
4	The whole area around our villages is unique and harbors much wildlife. There are plenty of opportunities for hiking, walking and cycling locally. Farming forms an important part of the character of this landscape, as do the moorlands and Clougha pike.	1/7/2017 11:11 PM
5	Beautiful surrounding countryside, one of the main reasons for living here. Great for cycling, dog walking.	1/7/2017 6:30 PM
6	This area is one of the most scenic and beautiful in the whole UK and must be protected.	1/7/2017 5:49 PM
7	It is a huge area and perhaps villages on the other side of it in East Lancs are facing similar problems of dealing with housing development, developers etc. maybe there is something to be gained from liaising and sharing experience and knowledge with these villages as well as those closer neighbours in the Lune valley as we are all under the FoB umbrella.	1/7/2017 3:22 PM
8	It is stunning and should be kept as is for the future of the local population. If future house building is considered it should be on Brown Sites the countryside needs to keep its conservation orders in tact to protect this outstanding beautiful area.	1/7/2017 3:20 PM
9	The wooded areas on the hillsides near Scarthwaite could do with maintenance. The stone walls appear bulging and could slip into the road and any trees that might break or just give up in heavy rain/winds. It would be nice to see a footpath on the Scarthwaite side of the road, although this would entail fairly major work, taking the wall further into the woodland	1/7/2017 7:45 AM
10	Countryside basically unsuitable for development	1/7/2017 7:25 AM
11	No more wind turbines please	1/7/2017 7:17 AM
12	Maintain it!	1/7/2017 7:10 AM
13	I don't agree with the old railway track being called a "cycle path". It is used not only by cyclists but by walkers, dog walkers and joggers as well	1/6/2017 8:26 PM
14	It is an important asset that should be protected	1/6/2017 4:19 PM
15	The new motorway to Heysham is excellent but it is nice to be leaving the motorway behind when heading towards Caton and beyond	1/6/2017 4:09 PM
16	the whole countryside around Caton is important	1/6/2017 2:44 PM
17	More trees should be planted.	1/6/2017 1:34 PM
18	must not be spoilt by over building, woodland is vital	1/6/2017 11:40 AM
19	wind turbines are ghastly	1/6/2017 11:31 AM
20	More tree planting in the forest of Bowland, no more housing sprawl outside the village.	1/4/2017 2:52 PM
21	Would be good to see the Lune river corridor more appropriately managed for flood prevention and wildlife, eg wetland and woodland habitat creation	1/3/2017 4:07 PM
22	Beautiful	1/3/2017 3:53 PM
23	It's looked after well.	1/3/2017 2:59 PM
24	We are very lucky to have access to it. Harrier destruction worrying.	1/2/2017 7:59 PM
25	We are privileged to live in a beautiful area and should protect, and care for it.	1/2/2017 7:40 PM
26	Beautiful. Views of Ingleborough as well as the Lakeland Fells going in to Lancaster lift my spirits. Not sure why we were included in the 'Forest of Bowland' in the first place.	1/2/2017 11:15 AM
27	Countryside needs to be protected	1/1/2017 6:36 PM
28	We enjoy walking in the village as well as around Littledale and appreciate the quietness and beauty.	1/1/2017 4:43 PM
29	Just am so happy to live here: appreciate it everyday with changing seasons etc.	1/1/2017 1:11 PM
30	Should be left unspoilt	12/31/2016 12:21 PM
31	The area must resist any attempts to build large scale housing schemes .	12/31/2016 11:13 AM
32	Truly Magnificent 360 degrees panorama.	12/30/2016 6:19 PM
33	On a sunny day, there's nowhere better!	12/30/2016 4:48 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

34	I want the rural aspect of our community to be preserved we are in danger of becoming a suburb of Lancaster. It is important that new builds are sensitive to the rural landscape.	12/30/2016 3:50 PM
35	Boardwalk to clougha pick walk from Rigg lane carpark needs repair. footpath by arkle beck between brookhouse road and hornby road needs repair	12/30/2016 11:43 AM
36	Although we need to protect the countryside, and keep as much green space around the village, to keep it a village, we still need development but this has to be sensible, sustainable and in keeping with the surroundings with an emphasis on new affordable housing for young people to encourage young families to stay / move in to the village (the future)	12/29/2016 8:19 PM
37	I don't find the windmills offensive - having become used to them	12/29/2016 3:51 PM
38	Conversion of existing building in village should be allowed as they do not affect landscape of Forest of Bowland	12/28/2016 6:35 PM
39	too much building	12/28/2016 1:46 PM
40	It is an area of outstanding natural beauty and should remain so with no further green space being eradicated.	12/28/2016 12:16 PM
41	It is utterly stunning and must be protected from development and exploitation. Support for Lune Rivers Trust and Friends of Bowland essential. The despicable windmills should be cut down.	12/23/2016 12:47 PM
42	Having lived here nearly all my life, I love being able to walk with family around the area feeling safe in the environment.	12/21/2016 8:37 PM
43	Leave it unspoilt	12/21/2016 8:34 PM
44	We are lucky to live close by so much unspoiled countryside - wonderful area off roads towards Roeburndale and Littledale	12/21/2016 3:34 PM
45	Access to all footpaths should be kept open and styles and gates (swing) easily manageable. Disabled motor vehicle users find it difficult/impossible to get through gates because the are too difficult to open and close.	12/20/2016 5:46 PM
46	Keep boy racers out	12/20/2016 5:36 PM
47	Extremely valuable.	12/20/2016 4:41 PM
48	It is very beautiful. We don't want it spoiling at all.	12/18/2016 7:41 AM
49	It is beautiful - keep it that way!	12/18/2016 7:36 AM
50	Keep it unspoilt.	12/17/2016 10:27 AM
51	Should be preserved and protected for everyone and future generations	12/17/2016 9:29 AM
52	clean up following last years flooding took too long	12/16/2016 11:02 AM
53	no more wind farms or anymore built up areas around the edge of the village	12/16/2016 10:41 AM
54	Efforts to be continued in its preservation, upkeep etc. Total resistance to 'stealing land for development etc.	12/15/2016 11:33 AM
55	The Forest of Bowland ANOB is a stunning area. its dark skies policy means that we are so fortunate to see the amazing night skies. The wildlife and birdlife in the area is amazing. There are opportunities for walking, cycling, running, riding or simply enjoying the views.	12/14/2016 6:49 PM
56	See answers to questions 14 and 15 above. We are undoubtedly privileged to live in such a beautiful landscape including moorland, farmland. sloping valley sides, wooded tributary valleys of the Lune and the Lune floodplain itself. Walking and cycling are very important local pastimes and the parish has an excellent network of paths and bridleways that local people (and visitors) clearly value enormously. Birdlife is abundant. Therefore, maintaining the rural environment in a manner which reflects the special status given to AONBs is critical to the landscape legacy we leave to younger and future generations.	12/14/2016 6:14 PM
57	It's important to protect and maintain the landscape. Any redevelopment to occur within the existing boundaries of the village.	12/14/2016 5:45 PM
58	Would very much like to see greenfield development prohibited. This is a beautiful area and should not be compromised.	12/14/2016 2:54 PM
59	the area is immensely important for leisure pursuits, wildlife and the 'wild' nature of much of it	12/14/2016 1:52 PM
60	Every effort should be made to maintain and preserve the beautiful countryside	12/13/2016 7:44 PM
61	Needs respecting, cherishing - helping more people to see and appreciate the landscape and its associated wildlife might assist in improving the area for greater wildlife numbers/diversity.	12/12/2016 7:14 PM
62	stiles and paths need constant care, some changes to gates if possible, open access is important	12/12/2016 10:35 AM
63	As an area of Outstanding Natural Beauty we should be doing all we can to protect it from excessive building, especially on greenfield sites.	12/12/2016 1:07 AM
64	Don't over develop it! Keep the town in the town!	12/11/2016 7:10 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

65	Stunning. Don't go building business premises or farm outbuildings on any of it ??	12/11/2016 12:40 AM
66	it is beautiful driving here from any direction. it would be a shame to change the landscape too much with buildings	12/10/2016 7:44 PM
67	The countryside is extremely important to the varied wildlife in the area.	12/10/2016 5:51 PM
68	n/a	12/10/2016 2:54 PM
69	up on the moors, it is the wildness, open vistas, sense of space and history, the birds & other wildlife, the view over Morecambe Bay. It would be a tragedy if our two school playing fields were made smaller to be used for building. The Station playing field is classes a a village amenity.	12/9/2016 2:53 PM
70	The Forest of Bowland is unique, its an unspoiled area rich in history, birds (particular mention endangered hen harrier the AONB) and wildlife. Its an asset that C-w-L is all within the AONB Forest of Bowland	12/9/2016 2:18 PM
71	Stunning scenery we are so lucky to have this on our doorstep.	12/8/2016 6:21 PM
72	Protect the skyline and views. Protect dark skies to see the stars. Keep street lighting levels low and carefully directed down. Increase cycle access, extending Millenium cycleway and other routes eg: through Quernmore. The wildlife and rivers are also very important. Maintain the building style of the area, closely reflecting local stone, low stone walls, and traditional styles of housing using high quality bespoke architectural designs appropriate to the AONB when building new houses and businesses. Avoid off the peg developments like Moor Platt and the current plans for the Barges site on the A683 (07-11-2016). Increase "slow the flow" measures for water drainage throughout the Parish using SUDS techniques in the villages, buffer strips, ponds, ditches, reed beds and other measures throughout. Use some of these latter measures in the villages as an environmental enhancing and well-being enhancing measures for wildlife and residents too. Keep and enhance native trees / woodland. Provide bat and bird nesting / roosting sites in new structures and re-developments.	12/8/2016 6:02 PM
73	Make sure that it is preserved	12/8/2016 3:11 PM
74	Protect this beautiful area.	12/8/2016 8:30 AM
75	Amazing , cant believe its not more of a tourist destination.	12/7/2016 3:34 PM
76	The recent development across from Station Garage is not visually in keeping with the rest of central Caton.	12/7/2016 3:22 PM
77	magnificent	12/7/2016 12:38 PM
78	Far too little emphasis has been placed on the value of the landscape in so many ways, including landscape character, wildlife, plants, access to it, walking and cycling and tourism potential. Especially important has been the desecration of the village by inappropriate urban housing development and lack of use of vernacular materials and designs which are integral to our historic and cultural heritage. Moor Platt - overwhelming evidence for keeping the country house and grounds at the village centre - but no views from parish appeared to have been listened to at all, either about the overall development, infrastructure or design and materials. If the neighbourhood plan does nothing else, it should embed the Forest of Bowland Status throughout planning documents and the thinking of planning officers Nd planning committee	12/7/2016 10:12 AM
79	beautiful countryside which should be protected	12/7/2016 10:07 AM
80	Needs to be preserved. Any permitted development on Brown Field sites only	12/6/2016 5:26 AM
81	We live in an area of outstanding natural beauty, it needs preseving	12/5/2016 9:45 PM
82	Important to protect, manage and expand the footpath network in and around the village and the AONB	12/5/2016 6:32 PM
83	It is beautiful and we need to look after it!!	12/4/2016 9:06 PM
84	A beautiful area which I would like to explore further.	12/4/2016 7:21 AM
85	It should never be destroyed or built on - the village should not grow any more as property is far to expensive for our offspring	12/3/2016 10:44 PM
86	Leave it alone	12/2/2016 11:52 PM
87	I feel like it is very important as the main focus at the moment seems to be on building houses however their isn't enough thought into what impact it is having on the biodiversity of our landscape.	12/2/2016 2:38 PM
88	it is important that we protect the rural feel of the area and remember its AONB status	11/30/2016 6:56 PM
89	Unmatched anywhere in the country	11/29/2016 6:39 PM
90	Beautiful area & lucky to live so near to it.	11/29/2016 1:32 PM
91	It's why I have stayed living in the village - it's stunning	11/28/2016 10:13 PM
92	Do not ruin a beautiful area in which to live	11/28/2016 3:04 PM
93	A wonderful patchwork of varied habitats.	11/27/2016 6:02 PM
94	We are fortunate to live in such a beautiful place	11/27/2016 5:14 PM
95	We are fortunate to live in a very beautiful area but we must be prepared to work to maintain this area.	11/27/2016 4:54 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

96	stop all unnessery building	11/27/2016 9:50 AM
97	Love the lack of light pollution and dark skies, the stunning river and woods that surround it; and the fact that the Lune Valley is the best kept secret.	11/26/2016 1:48 PM
98	We aren't involved enough in our landscape. Dry stone walling, hedge layering, weed control, natural planting participation or courses would be great.	11/25/2016 8:28 PM
99	Just beautiful	11/25/2016 7:37 PM
100	very pretty, very nice etc however the access to coast was the reason to move here	11/25/2016 7:11 PM
101	Keep it natural and unspoilt	11/25/2016 6:29 PM
102	None.	11/25/2016 11:12 AM
103	Planning policy should protect the countryside and not allow the village to expand into surrounding countryside.	11/24/2016 8:32 PM
104	It's beautiful	11/24/2016 1:49 PM
105	Continue to keep footpaths / stiles etc maintained.	11/24/2016 10:54 AM
106	It is thanks to the farming community that the countryside around remains one of the most beautiful places in which to live.	11/24/2016 9:43 AM
107	Think the village could be more involved with the AONB and improve connections with the Forest of Bowland more. Love the area - this is why we live here.	11/24/2016 8:15 AM
108	This area really is a hidden gem. Do we encourage tourism or keep it to ourselves?	11/24/2016 8:15 AM
109	Beautiful area which such be preserved for future generations and not be ruined by large building developments	11/23/2016 10:53 PM
110	Beautiful.	11/23/2016 10:35 PM
111	It would be lovely to keep it as it is for future generations, too much of our countryside is being sacrificed for housing that most people can't afford	11/23/2016 10:26 PM
112	Restrictions on barn conversions too restrictive	11/23/2016 10:11 PM
113	I would just like access between Quernmore Road just past Gresgarth Hall and Littledale Road near Rigg Lane, where there used to be a right of way but it no longer meets.	11/23/2016 9:55 PM
114	It should be protected	11/23/2016 8:52 PM
115	It is part of our English heritage and needs to be preserved for future generations to enjoy. It is important to the health and well-being of local people.	11/23/2016 7:46 PM
116	Preserve and show off - short term projects should never be considered. Only build a new path or make a new picnic site when you have guaranteed funds to maintain it	11/23/2016 6:56 PM
117	There is nothing like it and it's great that it is open and free to enjoy	11/23/2016 6:47 PM
118	Keep it!	11/23/2016 6:44 PM
119	Public footpaths could be better marked and maintained	11/23/2016 5:16 PM
120	Although we are part of the Forest of Bowland it doesn't feel like it, we don't seem to benefit from this, most things you read about the Forest don't mention us at all.	11/23/2016 5:09 PM
121	The lune valley is the North West's best kept secret.	11/23/2016 1:36 PM
122	Yes, leave it alone !!!	11/23/2016 1:30 PM
123	It is important to keep our green spaces and views. Losing the green spaces just turns us in to a mini town. Keep it rural.	11/23/2016 12:57 PM
124	It is one of the most beautiful parts of England and should not be taken over by building developments - either commercial or residential	11/23/2016 11:53 AM
125	Love it	11/23/2016 11:36 AM
126	Would like to see the extent of it protected.	11/23/2016 9:55 AM
127	It's a beautiful area and we have the best of both worlds in Caton.	11/23/2016 9:21 AM

### Q18 Transport, traffic, parking, buses: please give us your comments

Answered: 228 Skipped: 51

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

#	Responses	Date
1	The recent cut back to the buses is a disgrace, the villages between Caton and kirby Lonsdale deserve and need a regular bus service	1/8/2017 7:46 PM
2	Better bus service would be valued. Better public transport with encouragement to share vehicles and keep car ownership to a minimum could reduce traffic flow problems where there is currently high use of street parking.	1/8/2017 12:58 PM
3	Bus service is now appallingly bad - a real issue for young people and their parents. Parking is limited.	1/8/2017 12:46 PM
4	Buses are now very limited and a return ticket into Lancaster is very expensive. Onroad parking after the roundabout going through Caton towards Brookhouse can be difficult to negotiate with oncoming traffic. There are ample parking opportunities for shopping etc.	1/7/2017 11:20 PM
5	Need more speed restrictions to slow traffic. Sleeping policemen, speed bumps etc. I think the zebra crossing outside the coop should be raised to slow traffic for safety.	1/7/2017 8:25 PM
6	Buses are rubbish	1/7/2017 8:05 PM
7	Disappointed that bus service has been cut dramatically. Miss the later buses from kirkby Lonsdale. Inflated prices, with 2 children at QES this will make it very expensive for us. Parents may take children to school which makes for busier roads.	1/7/2017 6:35 PM
8	Motorcycles pulling wheelies on Lancaster/Hornby road. No evening buses to Lancaster and further up Lune Valley	1/7/2017 5:55 PM
9	Parking is limited for people to enjoy the local area and support the local economy. The bus service cuts coupled with 32% increase in bus fares for children going to school in Lancaster & Kirkby Lonsdale is nothing short of outrageous. Traffic is not too bad but will increase with further development in the area, calming measures are needed for the SJ Bargh end of the village. Much care must be taken when using the crossing at the Co-Op store.	1/7/2017 4:32 PM
10	The village sees a great deal of traffic due to the A683, but there is also a lot of 'rat run' traffic by passing Lancaster using the Crook o Lune bridge/Quernmore Road. It might be interesting to undertake a survey sometime to see if the rat runner routes could be redireced onto the M6 and or the Bay Gateway. It is unfortunate that evening and weekend bus services have been cut, reinstatement of a service of some form or kind would be good, before the idea is lost forever. What has been tried and worked elsewhere? does anyone know or treid to find out?	1/7/2017 3:36 PM
11	Try to keep regular local bus service for those without cars and young people. Parking good but maybe a little more, free.	1/7/2017 3:32 PM
12	I park on the street which can sometimes be a problem. i wouldn't have a car if the bus system were better	1/7/2017 11:19 AM
13	I feel that transport services for the Lune Valley should not be cut any further	1/7/2017 7:26 AM
14	More public transport More parking Restrictions/yellow lines to create passing places on the through roads	1/7/2017 7:12 AM
15	Too many cars are parked on pavements, causing pedestrians to have to walk on road to get past	1/7/2017 7:03 AM
16	Need for more double yellow lines at junctions to stop people parking there blocking drivers views. Dropped curbs for wheelchair users and prams are also covered by parked cars.	1/6/2017 8:32 PM
17	Bus service abysmal since recent changes. Parking on Brookhouse road is a problem	1/6/2017 7:07 PM
18	Consideration for bicycles in any new layout/developments.	1/6/2017 5:07 PM
19	In the 3 years I've lived here there has been a significant increase in the number of heavy haulage vehicles passing through the village.Traffic levels will only increase with more housing being built & people have to rely on their cars as like for me the bus service is of no use.	1/6/2017 4:28 PM
20	Concerned that bus service continues, It would be good if it went to the hospital and the railway station on its way around.	1/6/2017 4:13 PM
21	speed restrictions constantly ignored, on road parking problems and reduction of bus services needs addressing	1/6/2017 2:48 PM
22	overall good	1/6/2017 2:07 PM
23	Lack of buses particularly early and late. Parking is adequate but is hampered by parking on pavements causes problems.	1/6/2017 1:40 PM
24	30 mph in Caton Green	1/6/2017 11:43 AM
25	more buses, they were ok before cuts, speed on 683	1/6/2017 11:40 AM
26	bus service, more parking, Caton Green needs a 30 mph limit or less	1/6/2017 11:34 AM
27	parking has become a problem at the Institute and other areas	1/5/2017 10:23 AM
28	More buses , more frequently and easy to access. Possibility of a one way system using Copy Lane down and Brookhouse road up. Need to ease congestion. Time limit for parking by stores etc on Sycamore Rd	1/4/2017 3:03 PM
29	Public Transport totally inadequate Parking facilities for shopping Health Centre etc are good	1/4/2017 2:35 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

30	Poor bus service to Kirkby Lonsdale. Parking for the VI is an issue. Traffic along Hornby Road at the junction of Holme Lane is very fast and dangerous to cross. A crossing (zebra, pelican) would be very helpful for walkers and families.	1/3/2017 5:41 PM
31	The main A-road can be very busy, but its inevitable I suppose. Perhaps public transport direct to the university from the Lune valley would reduce some car usage? Seldom use buses as I work in a rural area elsewhere and they are too expensive to use to go to Lancaster	1/3/2017 4:11 PM
32	Miss the half hourly service. Am incensed that there are no evening buses or Sunday buses. I feel sorry for the teenagers, loosing the freedom to go out evenings into town	1/3/2017 3:59 PM
33	We don't have our own transport but so we rely on public transport and I lost my last job due to the bus timetable changing.	1/3/2017 3:17 PM
34	traffic quite bad, not much parking	1/3/2017 11:10 AM
35	Cars are parking at the Coop/Moorplatt car park for too long	1/3/2017 10:55 AM
36	The bus's are abysmal, we used to have buses for Caton & Brookhouse which have now been axed and we are forced to endure overcrowding on buses coming to and from Ingleton and Kirkby Lonsdale, which are usuall full by the time they get to Caton from the 9-50am bus right through the day! The 3.25pm and 4.15pm buses are a nightmare as they are school buses which also serve as Caton & Brookhouse normal buses, and are usually standing room only by the time the children have got on. These children pay a LOT of money for their bus passes and should not have to share it with others causing overcrowding. Caton and Brookhouse(and Hornby) need their buses reinstated. If you have family or friends in Hospital there is not buses to go and visit at night or on a Sunday! People say there is nothing for the ones who live on their own to do on a Sunday now that the buses have been axed. Lack of a decent bus service is isolating people in our villages.	1/3/2017 10:09 AM
37	Reduced bus service having impact especially even ings when youngsters and others can now find access to facilities in other areas especially Lancaster impossible as they cannot get back to village.	1/2/2017 8:02 PM
38	Disappointed about the extent of recent bus service reductions.	1/2/2017 7:40 PM
39	Buses a godsend for pensioners - assume still the same as when I was unable to drive a few of years ago. Increases social cohesion as well as shopping ability, hospital access, etc.	1/2/2017 11:18 AM
40	Removing the night buses from the village timetable was very disappointing. The price increases in Jan 2017 are substantial and done so with little or no consultation. I will now drive as opposed to using public transport - for both cost and convenience reasons.	1/2/2017 9:03 AM
41	No concerns	1/1/2017 6:37 PM
42	The buses are okay. Some days they can be worse and some days they can be okay. The bus drivers never know where to stop when they are picking us up near the Black Bull. Also the buses are not frequent enough because after school I have to wait 45 minutes to just catch the bus.The traffic is a lot better now that the new road is finished.	1/1/2017 4:54 PM
43	20 mph speed limit on Brookhouse Road does seem very slow. Could this be increased out of school hours? Better bus shelters.	1/1/2017 4:46 PM
44	Traffic and parking are acceptable but the public bus system is appallingly bad. The recently reduced system prevents me and my family going out into Lancaster without having to take the car - as a result, we go out less as one of us always has to drive.	1/1/2017 4:36 PM
45	I worry how I will manage in the future if I'm unable to drive as lack of buses will limit access to hospital, social events, mass at the cathedral, voluntary evening and Sunday work.	1/1/2017 1:16 PM
46	Rather than less buses servicing the villages, would it not be possible to run minibuses out of peak hours?	1/1/2017 8:44 AM
47	All the cars parking on footpaths is bad when a lot of people have drives and don't use them !!	12/31/2016 1:34 PM
48	Now that number of buses have been cut it is very difficult for older people to get around for shopping,appointments etc.The parking of vehicles on or partly on footpaths can be a problem with regard to wheelchairs,pushchairs and some times even trying to walk past them.	12/31/2016 12:29 PM
49	Poor bus service, speeding on brookhouse Rd parking restricted so do not want to see yellow lines everywhere	12/31/2016 11:35 AM
50	Reduction in frequency of buses is regretted.	12/30/2016 6:19 PM
51	The re are bus services but no Sunday service. Parking is a problem especially when attending the Institute. There is an increasing number of cars in the village many do not observe the 20 mph limit on Brookhouse road. Parking on pavements makes it difficult to pass for people with prays and buggies. People who rely on mobility scooters are forced to use the road which is illegal.aaa	12/30/2016 4:01 PM
52	The price of school bus services are outrageous and disgusting.	12/30/2016 4:00 PM
53	transport links are good (apart from the reduced bus service). parking is adequate. the traffic on the A683 through the village and the amount of commuting traffic on the "back road" to lancaster(querenmore road)	12/30/2016 2:10 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

54	Public transport is horrific there are people who work in the village for example at Caton Green Hillcroft who can no longer get to work and home which effects the residents of there more than anything because we cant get there and back to lancaster and morecambe! Also young people can't get to lancaster and morecambe to go to work, school and college its not on!	12/30/2016 1:17 PM
55	the absence of buses in the evening and weekends is awful. The cycle track is excellent.	12/30/2016 11:52 AM
56	Buses often late and not convenient times (no bus that gets into Lancaster just before 9am). Now charge for crook carpark means parking before Bull lane often full	12/30/2016 11:47 AM
57	Improved bus links with Lancaster and the Lune Valley If and when building new developments able off or on road parking - remembering that bus links are poor so this unfortunately encourages more cars per household and also caters for visitors	12/29/2016 8:30 PM
58	no problems that I am aware of. occasionally use the bus	12/29/2016 3:52 PM
59	Transport could be improved especially with the loss of our banks. Parking is an issue all along Brookhouse rd and copy lane it gets very congested.	12/29/2016 3:37 AM
60	The cycle path is an important link to lancaster. Whilst we do have a car, the lack of buses in the evening has made friends decline to visit for worries about getting home afterwards. We haven't found any problems with parking or other transport.	12/28/2016 6:38 PM
61	Buses dont come early enough for my husband to go to work.	12/28/2016 6:37 PM
62	More buses in evenings and on Sundays	12/28/2016 6:36 PM
63	too few buses and to many people park on the road overnight	12/28/2016 1:54 PM
64	Bus service of an evening is ridiculous! There should be at least a 2hrly service after 5pm and on Sundays. Parking isn't an issue that I can see The amount of traffic and the speed of vehicles driving through caton is atrocious. There are now more children living in the vicinity of the main road and it's a matter of time before an accident occurs. Lorries don't seem to slow down for the roundabout at times preferring to drive over it. This urgently needs addressing.	12/28/2016 12:20 PM
65	Public transport reductions have had an impact on travel meaning have to take and collect family to/from Lancaster as bus times dont always connect with other services at weekend and last bus back to Caton is too early.	12/27/2016 3:47 PM
66	Poor bus services in the village.	12/26/2016 4:46 PM
67	No problem with any of this	12/23/2016 12:59 PM
68	there could be more short term parking. the decrease in the bus service has decimated evening, Sunday social life	12/22/2016 12:05 PM
69	I love the free parking to pop to the shop on the way home, the bus service seems adequate although I've not used it yet.	12/21/2016 10:47 PM
70	As mentioned the speed of some cars on Hornby Road is very worrying, it's only a matter of time before someone is hurt when crossing the road. Stationary cars have been hit and badly damaged. I also feel the parking situation on Brookhouse Road is also bad, the number of parked cars and the lack of consideration from some drivers.	12/21/2016 8:41 PM
71	buses are too expensive to use for families	12/21/2016 8:35 PM
72	As earlier - bus service in/out of Lancaster is/was invaluable. For cars - back road (Quernmore Rd) v useful, but will hopefully be less used now that the new Bay Gateway is easing traffic situation	12/21/2016 3:41 PM
73	The no 1 problem - has been for years and is escalating - roadside parking in all areas is restricting vehicles' movement.	12/20/2016 5:48 PM
74	Better bus service More off-road parking	12/20/2016 5:36 PM
75	Lots of parking issues due to volume of cars. Not enough buses. Public transport availability very poor.	12/20/2016 4:43 PM
76	We need reliable buses to Lancaster. Particularly a weekend and an evening service.	12/18/2016 8:19 PM
77	We need a better bus service especially for the young and old	12/18/2016 7:29 AM
78	The buses are now unsuitable for access to Lancaster outside working hours.	12/17/2016 5:19 PM
79	Buses are not frequent enough and particularly the lack of an evening and Sunday service. Speeding vehicles on the main road.	12/17/2016 3:17 PM
80	Regular bus service. Traffic calming through the village.	12/17/2016 10:36 AM
81	Please maintain existing bus routes and look for opportunities to develop safe parking.	12/17/2016 9:31 AM
82	Parking on Sycamore outside the post office/mace/chippy. Cuts to bus services	12/16/2016 7:32 PM
83	The new bus service is poor people who rely on public transport are now unable to access activities outside the village in the evening or on Sundays.	12/16/2016 7:06 PM
84	need more buses	12/16/2016 5:03 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

85	Buses, loss of Sunday service, why not reduce service shared with another route?	12/16/2016 12:39 PM
86	reasonable for a rural area	12/16/2016 11:33 AM
87	better bus service, may people area unable to get out at weekends	12/16/2016 11:05 AM
88	not enough parking	12/16/2016 10:54 AM
89	cars should be parked in drives, bus service Sunday & evenings should be resumed	12/16/2016 10:51 AM
90	would like buses every half hour as before	12/16/2016 10:41 AM
91	Ridiculous bus service. Destroying the link between Lancaster Kirkby Lonsdale and the villages in between. No service at all on Sunday. Why can't this service be partnered with a more profitable route for stagecoach to run. In other words you don't get the university route if you don't run services to rural areas.	12/15/2016 3:56 PM
92	problems with the buses - no evening service	12/15/2016 12:33 PM
93	Too few buses	12/15/2016 12:06 PM
94	Need good bus service	12/15/2016 12:01 PM
95	- bus services (cancellations/curtailment etc.) - noise & general disturbance from bikers en route to/from K. Lonsdale, especially during summer weekends.	12/15/2016 11:46 AM
96	As previously commented not enough buses on an evening need transport on Sunday	12/15/2016 10:44 AM
97	Traffic is not a problem. Parking in the centre of Caton is rather too limited. The bus service could be better, especially later in the day and evening.	12/14/2016 8:52 PM
98	The reduced bus service must be very inconvenient for many people especially the lack of evening buses to cultural events in Lancaster. This must affect all age groups - young people are now reliant on parents, older non drivers cannot get to the theatre or cinema. It needs to be reconsidered..	12/14/2016 7:01 PM
99	As covered in previous questions, the recent cuts in public transport have presumably meant different things for different generations, most notably the elderly, many of whom appear to be non-drivers. The lack of evening buses and Sunday buses must have a negative impact on the young who might wish to travel into Lancaster in evenings and weekends. For those of working age, the limited local buses to access the rail network and the lack of a return bus journey in the evening must force them into using cars.	12/14/2016 6:40 PM
100	It concerns me that public transport is less frequent	12/14/2016 5:46 PM
101	Sad to see the evening bus service go in its entirety. A lesser service would have been better. What is left is very unreliable. Sometimes a bus does not turn up at all.	12/14/2016 2:56 PM
102	insufficient public transport, too much fast moving & heavy vehicles using the narrow roads such as Quernmore rd	12/14/2016 1:55 PM
103	Cuts to the bus service have created an inadequate provision. This has resulted in a second class service for those who need to connect to other buses. The evening provision is inadequate for users and the lack of a Sunday and bank holiday service is second rate. The speed limit on Hornby road needs to take safety into consideration. 40 mph would be more appropriate between Caton and Claughton. Parking on lower Brookhouse road can cause hazards.	12/13/2016 7:53 PM
104	The bus service and connecting buses are very poor, especially for young adults studying at college etc. Parking at lower Brookhouse road is dangerous.	12/13/2016 7:28 PM
105	more buses and parking areas	12/13/2016 2:46 PM
106	not enough buses, day or evening and Sunday	12/13/2016 10:27 AM
107	The public transport provision is totally inadequate. The buses are so infrequent and expensive they are no use and there are no other alternatives. Cars from willow mill have started parking up fell view. This combined with builders vans at the old youth club makes it dangerous to drive up and difficult to cross with small children.	12/12/2016 9:11 PM
108	Many of the buses are nearly empty outside peak times - electric fleet of smaller/cheaper/more economical vehicles would be a big improvement. Parking on Brookhouse Road creates a hazard at times.	12/12/2016 7:36 PM
109	buses need to be more frequent, 1/2 hourly instead of hourly. Church parking would be used for Institute parking.	12/12/2016 10:38 AM
110	Cuts to the bus service must have created problems for people who don't have their own transport. However, I do understand that the bus service was underused and therefore probably not financially viable - have other options been explored? Brookhouse road from the mini roundabout to Copy Lane is now severely restricted by parked cars - there are frequent traffic jams and this will be made much worse as more houses are, built in the villages.	12/12/2016 1:12 AM
111	Not enough buses	12/11/2016 8:07 AM
112	Bus service is dreadful. Parking and traffic good	12/11/2016 2:26 AM
113	Buses are rubbish now/ parking had on streets - disrespectful parking around churches on Sundays	12/11/2016 12:44 AM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

114	Oh God, the buses are a bloody disaster. Don't even get me started. They were pretty good before the Tories axed the funding they gave the council, but now we have no evening / Sunday services, which is appalling. I have a car but many don't. I don't drink alcohol but many do. It's not right. Traffic is fine, though I've seen a few neat misses at the mini roundabout and there's a fair amount of beeping there. The narrow bit near the Institute is a bit hair raising. Never had any problems parking anywhere.	12/11/2016 12:44 AM
115	I appreciate that companies need to make a profit but it's very difficult living in the country without transport.	12/10/2016 11:44 PM
116	Too many people disobeying traffic rules and parking disrespectfully.	12/10/2016 11:07 PM
117	Parking for the Methodist church needs looking in to. The congregation park all down brookhouse rd making it dangerous to pull out of sycamore because you can't see oncoming traffic	12/10/2016 7:57 PM
118	as i drive i find it a great place to live due to the different routes i can take to where i need to be, depending on whether I want to use main roads or the less used ones. i dont use the buses but i do have children who cannot meet friends/ get to work etc even gs and weekends due to the bus services being stopped completely at these times. i also know if older residents who are now prevented from going anywhere at these times unless they can afford taxis (about £10 one way into town	12/10/2016 7:53 PM
119	Need more buses at night	12/10/2016 7:44 PM
120	Disappointed in the bus service to the beautiful village of Kirkby Lonsdale being withdrawn,	12/10/2016 6:48 PM
121	Through traffic is quite heavy and there are numerous buses passing through which are always quite empty, it would maybe be better if smaller buses were used.	12/10/2016 5:51 PM
122	Need more buses it's discussing that they have CUT them down.	12/10/2016 4:44 PM
123	Parking becoming problematic on most roads now, lack of driveway usage and the lack of a bus service daytime and weekends.	12/10/2016 3:01 PM
124	Not enough parking. Lots of dog walkers parking on Station Road to avoid paying at Penny Bridge	12/9/2016 5:28 PM
125	Our village is fortunate we have weekday, Saturday buses. None on Sunday is a problem unless a driver. Parking is a problem on pavements if enough space is not left for prams or wheelchairs.	12/9/2016 2:57 PM
126	There is still an adequate weekday bus service but it is a problem for many people that there is no evening & Sunday service, young and old who do not drive. Parking on pavements is a problem if not enough space for prams and wheelchairs	12/9/2016 2:29 PM
127	Apart from the pub car parks, parking is totally inadequate. Bus services are too infrequent and finish too early; they need restoring at least to pre-2016 levels.	12/9/2016 11:39 AM
128	Poor bus links. Parking ok.traffic ok.	12/8/2016 6:24 PM
129	Roads are appropriate for the Parish and surrounding area. May be useful to have more off road cycle ways eg through Quermore and extending the Millenium route for residents and tourists / visitors. More cycle racks signed. Parking is OK for current use. Busses are not frequent enough and limit young peoples use in relation to school activities and seeing friends etc. Finish too early. More problems for non-drivers especially elderly for their activities / hospital visits etc.	12/8/2016 6:03 PM
130	Bus service abysmal compared to other parts of Lancaster district, in particular when compared to the University. Frequent heavy traffic through the village occasionally clogging up parking areas, legal or otherwise. Lancaster Road and Hornby Road can be dangerous with speeding traffic.	12/8/2016 3:17 PM
131	we need buses	12/8/2016 11:10 AM
132	lack of evening buses, parking is not bad apart from too much on Brookhouse Road	12/8/2016 10:11 AM
133	Lack of buses, no buses on a Sunday, appalling. Not everyone has their own transport. Why not divert some of the many buses that run to the university to our village, students take priority.	12/8/2016 8:34 AM
134	None	12/7/2016 7:06 PM
135	Parking in Caton is just about manageable. A better bus service into Lancaster would be appreciated.	12/7/2016 3:36 PM
136	No significant issues that i know of or experience	12/7/2016 3:29 PM
137	Whilst the volume of traffic on Hornby Road is unavoidable, the speed of vehicles to and from Hornby is dangerous.	12/7/2016 3:25 PM
138	I need more buses, others need more parking space, motorists still don't respect zebra crossing	12/7/2016 12:41 PM
139	Reduced bus service is v. disappointing. New link road to Morecambe will make that area more accessible	12/7/2016 11:42 AM
140	Parking too near junctions More yellow lines needed	12/7/2016 11:30 AM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

141	We can do nothing about through traffic and the noise and danger created. The Victoria Institute has always been without adequate parking and the space behind Caton Methodist church could be protected for this purpose should the building be sold. There are many elderly and less mobile people who attend large meetings with parking problems. The villages are unwelcoming to cyclists in particular with no consideration in terms of safe bicycle parking for cycling families who shop locally or passing longer distance cyclists. Both groups are increasing. The Lune Valley and beyond opens up a huge area of beautiful countryside and quiet lanes for cyclists but until the millennium path is extended at least to Hornby this remains inaccessible to those who do not risk the dangerous A683 There are too few footpaths away from roads especially to the Forge along Quernmore road, also up to Littledale and Caton Moor.	12/7/2016 10:41 AM
142	traffic and parking ok, bus service dreadful	12/7/2016 10:21 AM
143	late afternoon or Saturday appointments at the hospital No bus	12/7/2016 10:15 AM
144	additional buses required. Existing parking appears adequate, minor problem speeding traffic Hornby Rd	12/7/2016 10:09 AM
145	Improved bus service in evening and Sundays	12/6/2016 5:27 AM
146	Its appalling that there are no buses on Sunday, or in the evenings. Its a public service- and a necessity. Parking can be very difficult by the co-op and there are not many other options.	12/5/2016 9:52 PM
147	Generally work well. However the cycleway should extend further up the Lune Valley beyond Bull Beck	12/5/2016 6:35 PM
148	Not enough buses	12/4/2016 11:04 PM
149	Caton is outside the very large Stagecoach area that includes Lancaster, Morecambe and Carnforth Galgate and Halton. No idea why Caton is not included. This makes cost of bus rides, extremely expensive despite being very close to Lancaster. Has this ever been questioned.	12/4/2016 9:48 PM
150	The recent cuts to the bus service have made life more difficult for me. I dont drive and they have cut too many during the day time making the buses that do run to busy	12/4/2016 9:07 PM
151	Poor bus service	12/4/2016 4:14 PM
152	Motorbikes on a weekend are a menace. They speed through the village and the noise when they accelerate towards bull beck is horrendous!!!! Caton st Pauls school is getting more and more intake from further afield and parking at school times is becoming a real problem.	12/4/2016 7:37 AM
153	Parking by coop not ideal, seem to be many cars parked for longer than the specified time. Cars parking on pavements not allowing room for pushchairs.	12/4/2016 6:54 AM
154	Perhaps the 20mph on Brookhouse road is unnecessary. See previous comment re buses	12/3/2016 11:26 PM
155	More buses out to Kirby Lonsdale and in to Lancaster	12/3/2016 10:55 PM
156	Buses are a disgrace - how are our youngsters supposed to get Saturday jobs or full time jobs if they have no transport - some jobs don't finish till 6:30pm etc so the buses need to be more frequent - not everyone can afford driving lessons or cars for their teenager	12/3/2016 10:50 PM
157	Not enough busses	12/2/2016 11:52 PM
158	None	12/2/2016 4:26 PM
159	Limited parking and public transport.	12/2/2016 3:59 PM
160	I believe that buses are less available I feel this is unfortunate for the elderly that can't drive and adults that rely on the bus services for getting to and from work. I have heard many complaints.	12/2/2016 3:36 PM
161	All generally OK other than the fact that no buses in the evening and on Sundays will affect those that cannot drive and need to get into Lancaster.	12/1/2016 8:45 PM
162	Buses: always late and really annoying that they have been cut. Some children have to wait 45 minutes+ in Lancaster for a bus after school which is getting worse now the light goes sooner	11/30/2016 10:41 PM
163	bus service cuts have had big negative effect parking for VI is poor but no obvious remedy	11/30/2016 6:57 PM
164	What buses??	11/29/2016 6:42 PM
165	better buse service evenings and weekends	11/29/2016 3:47 PM
166	Bus service needs reviewing to offer a more frequent service to all Villagers. A lot of Teenagers have had to leave there jobs as unable to get to & from jobs in Lancaster & the Lune Valley.	11/29/2016 1:40 PM
167	Parking limited in village	11/29/2016 12:51 PM
168	Household off road parking . 20mph speed limit is a farc and not reconised.	11/28/2016 10:30 PM
169	we have a real lack of parking - especially the institute & shops - we need more parking in the centre of the village We need a limited bus service a weekend evening & sunday up through the valley	11/28/2016 10:16 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

170	When we first arrived in Caton the bus service was frequent but now leaves a lot to be desired especially if one has appointments in Lancaster	11/28/2016 3:17 PM
171	Poor bus services, no buses evenings and weekends - make it hard for people to work, socialise, study, get to hospital.	11/27/2016 6:04 PM
172	Lack of evening buses is a problem for many people.	11/27/2016 4:56 PM
173	Reduction in bus services has a negative impact on the village	11/27/2016 4:31 PM
174	roads are to narrow for the volume of traffic both private cars and agricultural tractors roads need widening and improveing	11/27/2016 9:58 AM
175	Buses - so sad that we have lost our evening services fro employment and social reasons. feel that 20mph on the entire length of Brookhouse road is unnecessary and that is why it is not adhered to.	11/26/2016 1:52 PM
176	Disappointing that local bus service has been cut We need the continued access to the sports field and use fir the annual village gala which is key annual activity for the village	11/25/2016 10:13 PM
177	Parking is fine. Buses are a tragedy, cutting us off from the rest of the Lune Valley. Speeding through and around the village is a problem. Parking along Copy Lane by the entrance to Greenfields is such a problem that there will be an accident. Emerging from Greenfields, you can't see oncoming traffic.	11/25/2016 8:40 PM
178	Buses at evening and weekends are poor and the old timetables were much better.	11/25/2016 7:37 PM
179	hate speed humps however they are needed - sort out mess of 'parking' / 'speed racing' in and out of lane at side of Moor Platt to old railway path	11/25/2016 7:15 PM
180	State of Quernmore road surface is terrible.	11/25/2016 6:30 PM
181	Parking not enough around the shops in Caton and Brookhouse	11/25/2016 5:05 PM
182	public transport is appalling - services few and far between, expensive	11/25/2016 3:37 PM
183	Disappointed in reduction of buses	11/25/2016 1:55 PM
184	The buses have become less attractive due to timetable changes. A lot of parking makes the roads fairly clogged up. But the parking spaces in the centre seem adequate to me at the moment, but not with extra spaces for expansion. The top of Sycamore by the shop and takeaway can be very clogged.	11/25/2016 1:42 PM
185	Lack of buses on a sunday	11/25/2016 12:32 PM
186	Buses are a pain for my young lad, i have to take him where he needs to go!	11/25/2016 11:50 AM
187	Busses recently made themselves merely semi-useful with changes to the timetable but it's understandable. Previously mentioned parking on sycamore. Many issues around Caton roundabout and lack of visibility at select junctions.	11/25/2016 11:28 AM
188	Parking is atrocious. Accidents have happened because of cars parked on road instead of their driveways. Buses are awful especially evenings.	11/25/2016 10:54 AM
189	Bus service has made getting to and from work difficult for many people.	11/25/2016 10:41 AM
190	I'd hate to have to manage without a car.	11/24/2016 10:25 PM
191	We value the bus service and would like some evening and Sunday services	11/24/2016 8:37 PM
192	the back road to Lancaster via Quernmore gets very busy now and would struggle to cope with more traffic from the Caton end, particularly when you consider the development on the old Moor hospital site	11/24/2016 6:36 PM
193	Useless bus service, dangerous zebra crossing	11/24/2016 6:29 PM
194	Traffic on road is busy motorbikes driving too fast on the road making noise and dangerous when crossing the road.	11/24/2016 1:50 PM
195	The double parking on brookhouse road is terrible on a sunday	11/24/2016 11:06 AM
196	Need more public parking spaces in Caton but don't know where.	11/24/2016 11:00 AM
197	We moved to the village in February 2016 and had decent transport links, which changed in April. Now my daughter can't get into town on Sundays unless I drive both ways. Cutting transport will make elderly residents more socially isolated increasing health risks (I work for the NHS!!)	11/24/2016 9:54 AM
198	The bus routes are vital for many older people, and we are lucky to still have them.	11/24/2016 9:46 AM
199	Insufficient parking in Station Road and around the shops. Especially so since LCountyC started charging at the Crook. That said is it a little better since the Post Office closed. The reduction in bus services is a crime. Especially so for a village with an aging population.	11/24/2016 8:34 AM
200	A late bus back to the village from Lancaster would enable us to go out to the theatre and get a bus back. Good that we have buses during the day. Car parking great.	11/24/2016 8:22 AM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

201	Need speed cameras on Hornby Road, Copy Lane and Broadacre (because of the school), all these roads are subject to excessive speeding	11/23/2016 11:00 PM
202	Need more parking for shops	11/23/2016 10:36 PM
203	Definitely more public transport, particularly in the evening	11/23/2016 10:28 PM
204	Parking becoming more of a problem as every where is busier but no easy answer. We have a good bus service which we need to maintain.	11/23/2016 10:15 PM
205	Traffic lights outside moor platt	11/23/2016 10:14 PM
206	Too many drivers ignore the 20mph speed limit on Brookhouse Road. Parking is very good. Buses are not good now that weekend services have been restricted.	11/23/2016 10:00 PM
207	Rubbish bus service.	11/23/2016 8:53 PM
208	It's annoying when people park on pavements and on corners near the hairdresser and round schools.	11/23/2016 8:31 PM
209	Parking provision in Caton is bordering on inadequate. The reduced bus service has resulted in some people having to leave their employment as they were unable to get home from work at the end of their working day. Paying for a taxi is not feasible when on a low income. Motor bikes speeding on the A683 is hazardous to both cyclists and pedestrians; the noise from engines is also unpleasant.	11/23/2016 7:54 PM
210	I think it's unfair public transport has been cut	11/23/2016 7:48 PM
211	Public transport must exist or communities die ! It is not a commercial consideration but a human one - leaving decisions in the hands of for profit organisation is indefensible	11/23/2016 7:01 PM
212	You do need a car or bike in the village. Few buses to Lancaster, public transport is very limited. Parking spaces in the village are in demand with more multiple car households nowadays	11/23/2016 6:58 PM
213	Not enough buses now Parking restrictions on Station Road need stronger enforcement 20mph speed limit for wide parts of Brookhouse Road is just ridiculous and encourages drivers to take less care in more dangerous areas 60mph speed limit through Caton Green is outrageous!	11/23/2016 6:49 PM
214	Early and weekend buses needed for employment	11/23/2016 5:54 PM
215	Weekend bus service and parking outside the home	11/23/2016 5:50 PM
216	You really do need a car to live here although we are very lucky to have the millennium path, I think this is brilliant.	11/23/2016 5:17 PM
217	Bus service infrequent now	11/23/2016 4:37 PM
218	We are cut off now from getting to work, appointments or any travel outside of the village at certain times.	11/23/2016 2:50 PM
219	Parking when there is something on a brookhouse Methodist church is very dangerous	11/23/2016 2:38 PM
220	Later buses needed no 80/81	11/23/2016 1:32 PM
221	Buses? Do feel a bit stranded if going in to town of an evening with lack of buses.	11/23/2016 12:59 PM
222	As previously mentioned the decline of public transport is a concern.	11/23/2016 12:44 PM
223	Need to reverse recent cutbacks in bus services at the weekend. Should put the 30mph speed limit back on Brookhouse Road.	11/23/2016 11:59 AM
224	Sad that bus provision has been reduced, although it does not affect us much. Speeding traffic on Brookhouse Road is a concern	11/23/2016 11:40 AM
225	The cuts to the bus service has caused great restrictions to transport	11/23/2016 10:43 AM
226	The cuts in the bus service can make it difficult for appointments etc in Lancaster or Kirkby Lonsdale as well as causing an increase in car use	11/23/2016 10:17 AM
227	Would like to see the buses protected, I think the parking is adequate for the village size	11/23/2016 10:16 AM
228	Parking is difficult as previously mentioned, buses seem to run regularly although I haven't used them yet, transport around the area is even better since the link road has opened.	11/23/2016 9:25 AM

### Q19 What additional outdoor well-being, sports and recreation facilities does the village need?

Answered: 153 Skipped: 126

#	Responses	Date
---	-----------	------

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

1	The village is well catered for in an ideal world better lighting for the end of this cycle path would be good	1/8/2017 7:46 PM
2	More benches around the village for the elderly , Maybe more self guided walks	1/8/2017 12:46 PM
3	Caton playground could do with toilet facilities and a shelter from the rain.	1/7/2017 11:20 PM
4	Youth club for teenagers. Not sure if there is one.	1/7/2017 8:25 PM
5	Bicycle parking facilities.	1/7/2017 6:35 PM
6	Believe existing facilities generally OK	1/7/2017 5:55 PM
7	The sports ground could be used more, if it were possible for the owners (Mitchells?) to provide a long-term lease at reasonable cost. It is pleasing to see junior footballers using the facilities too now.	1/7/2017 4:32 PM
8	I think maintenance and development of existing facilities is important to ensure their continuation into the future. The cricket field for example. It would be a catastrophe to see this used for any form of housing. It is the nearest thing to a village green that the village has got and could lend itself to be developed more into being clearly identified as such....some landscaping, tree planting, seating, outdoor gym.... for example...thereby keeping many of the outdoor facilities (including the existing bowling green) in one identifiable area.	1/7/2017 3:36 PM
9	protect Cricket, Tennis and Bowls fac.	1/7/2017 3:32 PM
10	More dog waste bins and more frequent emptying of them	1/7/2017 7:18 AM
11	Maintenance of footpaths/stiles etc. More concessionary paths Bicycle parking	1/7/2017 7:12 AM
12	None	1/7/2017 7:03 AM
13	A village cricket team again.	1/6/2017 8:32 PM
14	Cycle/pedestrian ways for the children to use to get to/from school.	1/6/2017 5:07 PM
15	Maybe something like a trim trail as at the university	1/6/2017 4:28 PM
16	It would be good if there was a proper path along both sides of the river from Crook o' Lune to the foot crossing bridge	1/6/2017 4:13 PM
17	Think there is adequate provision. However access to school playing fields would prevent children being forced to play on the side roads.	1/6/2017 1:40 PM
18	retain the rec at all costs	1/6/2017 11:34 AM
19	Better access for early teenagers to play space basket ball court or skate park	1/4/2017 3:03 PM
20	A footpath along the back road into Lancaster from Gresgarth and back towards the village and a planned upkeep of footpaths that have been closed for over a year	1/4/2017 2:35 PM
21	Skate park or similar for older children/young people.	1/3/2017 5:41 PM
22	Public tennis courts? Caton tennis club is very expensive for its small size!	1/3/2017 4:11 PM
23	more sports for the elderly ie netball, hockey, rounders, horse riding	1/3/2017 3:59 PM
24	We need it more advertised so more people aware up here in Brookhouse can use the sports hall in Caton.	1/3/2017 3:17 PM
25	skateboard area etc	1/3/2017 11:10 AM
26	The play park is great - good to be surrounded by houses so the community keeps a careful watch over the area. That could be extended for older kids? Footpaths need better maintenance - please put more funding into that. The cycleway is great well used - it is a lovely natural environment and should be kept like that so kids see nature not development. Bike racks being put in at shops is great. How about a few more benches for oldies? Fight to keep the football area please.	1/3/2017 10:55 AM
27	None! We have enough already , it causes parking problems for residents.	1/3/2017 10:09 AM
28	Skate park like that at Halton which is used by different age groups. Bike racks.	1/2/2017 8:02 PM
29	Skateboard/bike park	1/2/2017 7:40 PM
30	cricket team	1/1/2017 6:37 PM
31	A cycling/running track.	1/1/2017 4:54 PM
32	Bike racks. More walking and biking routes.	1/1/2017 4:46 PM
33	Personally, I am happy with the facilities at present.	1/1/2017 4:36 PM
34	None: we have the countryside ( as long as cyclists don't mow us down on path!)	1/1/2017 1:16 PM
35	A secure area where people can train dogs without risk to livestock	1/1/2017 8:44 AM
36	At the moment it seems to have what it needs.	12/31/2016 12:29 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

37	Retention of playing field at Station Hotel is important.	12/30/2016 6:19 PM
38	Brookhouse has no area where people could go and sit we very much need a playarea for our children as we have to go to Caton with our little ones. Any new house building project should provide a play area within it's plans	12/30/2016 4:01 PM
39	the village is well catered for sports and recreation; the station field supports football and cricket and must be protected from any housing plan.	12/30/2016 2:10 PM
40	We need some to start with not additional	12/30/2016 1:17 PM
41	4g pitch either in Caton (or Halton) so residents & children dont have to travel into lancaster/morecambe. Extension of the cycle path Maintained Allotments	12/30/2016 12:39 PM
42	–	12/30/2016 11:52 AM
43	Not any more that I would use	12/30/2016 11:47 AM
44	A new club house / pavilion for the users of the sports fields behind the Station	12/29/2016 8:30 PM
45	none that I would need	12/29/2016 3:52 PM
46	A specific park area	12/29/2016 3:37 AM
47	A skate park would be appreciated by my children.	12/28/2016 6:38 PM
48	Sports field in Caton should be retained!	12/28/2016 6:36 PM
49	the pavillion on the sportfield needs renewings	12/28/2016 1:54 PM
50	Maybe a forest school type activity for tots.	12/28/2016 12:20 PM
51	None	12/23/2016 12:59 PM
52	the village could be more welcoming to walkers, visitors, parking, catering, toilets	12/22/2016 12:05 PM
53	I'm new to the area so I don't know what we already have. My boys are 2 and 4 so the play areas and bike track are the things we use most.	12/21/2016 10:47 PM
54	I think the village has good outdoor resources we are lucky we have open spaces which are used by either local football groups or other areas used for walking etc.	12/21/2016 8:41 PM
55	None there are plenty not being fully used	12/21/2016 8:35 PM
56	?all-weather facility (but I confess ignorance on cost, upkeep and likely usage); does Halton have an example which we could follow? There seem to be children there making good use of the facility	12/21/2016 3:41 PM
57	Caton Football (and Gala) field is a facntqastic amenity. The clubhouse should be replaced.	12/20/2016 5:48 PM
58	It has enough.	12/20/2016 4:43 PM
59	A play area in Brookhouse	12/18/2016 7:29 AM
60	An all weather pitch with floodlights, for 5a side football, netball, basketball, hockey, tennis.	12/17/2016 3:17 PM
61	Outdoor gym like the one round the campus of Lancaster university. Possibly round the edges of Caton playground so adults can exercise while children play.	12/17/2016 10:36 AM
62	All weather sports pitches	12/16/2016 7:32 PM
63	Exercise equipment for adults.	12/16/2016 7:06 PM
64	anything here would be good	12/16/2016 10:54 AM
65	suitable activities for teenagers	12/16/2016 10:51 AM
66	Not sure. Shame the cricket club folded.	12/15/2016 3:56 PM
67	a cricket team or teams would be good	12/15/2016 12:33 PM
68	Better and more regular use of green field area next to The Station Pub and large green area behind Copy Lane.	12/15/2016 11:46 AM
69	None	12/14/2016 8:52 PM
70	Many areas have "outdoor gyms" and marked running tracks which seem to be well used. A development such as this could improve current facilities and enhance well being. It could be developed alongside a current walking route	12/14/2016 7:01 PM
71	I'm not well placed to answer this on behalf of others who may have specific needs or interests however, from a personal perspective, I would not want to see any reduction in the footpath and cycleway network and if anything would wish to see it extended. I have heard views expressed in favour of extending the Millenium footpath/cycleway to Kirby Lonsdale and would support that.	12/14/2016 6:40 PM
72	Not completely sure	12/14/2016 5:46 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

73	None	12/14/2016 2:56 PM
74	Sports and recreational facilities for older youth, eg skate park	12/13/2016 7:53 PM
75	Sports and recreation facilities for older youth	12/13/2016 7:28 PM
76	sports hall facilities, recreation place for teenagers, skate park	12/13/2016 2:46 PM
77	An outdoor gym would be wonderful. A small skate board ramp or similar for older children should be good too.	12/12/2016 9:11 PM
78	Extension of the Millennium path to Hornby; introduction of a speed limit for bikes on the track, and requirement for bikes to have a bell (to avoid heart attack as speeding silent bikes suddenly appear from behind and race by, risking serious injury to all - walkers, cyclists, dogs; A Trumper located in the village would be good. Some more interpretative boards for birds/flowers/landscape/otters etc would be good.	12/12/2016 7:36 PM
79	The village green needs keeping as a field for outdoor activities, no more housing development on it	12/12/2016 10:38 AM
80	A sports area for young people, such as they have in Halton.	12/12/2016 1:12 AM
81	some sort of out door gym equipment say on or along the cycle path as long as the dogs can be kept away.	12/11/2016 9:11 PM
82	Paintball centre, go karts	12/11/2016 2:26 AM
83	Unsure. I'm not an outdoor sports type. I only cycle.	12/11/2016 12:44 AM
84	we often talk with friends about the lack of outdoor space for children to play in brookhouse. there are great play parks in caton and halton but they are too far. just a green area would be sufficient! it wouldnt need to be a play park. most kids use the school field, which is ideal but not really permitted.	12/10/2016 7:53 PM
85	Similar to the centre at Halton	12/10/2016 6:48 PM
86	Need a graveyard clean up	12/10/2016 4:44 PM
87	We have nice walks available, a couple have been allowed to disappear or to be diverted or even discouraged by certain landowners. maybe better maintenance of these.	12/10/2016 3:01 PM
88	Young people should comment on this	12/9/2016 5:28 PM
89	ask the young people	12/9/2016 2:57 PM
90	Probably none - just better use of existing facilities.	12/9/2016 11:39 AM
91	Slide on the play park for bigger kids. Better play equipment at St Pauls School.	12/8/2016 6:24 PM
92	Additional cycle ways and access to countryside as above, especially extension of Millenium Cycleway also used by walkers and others. More ponds with access, reedbeds etc as a wildlife habitat to enjoy and flood risk reduction measure.	12/8/2016 6:03 PM
93	Something for older children	12/8/2016 10:11 AM
94	Protect sports field.	12/8/2016 8:34 AM
95	Nonen	12/7/2016 7:06 PM
96	astroturf perhaps.	12/7/2016 3:35 PM
97	Community gym? exercise facilities	12/7/2016 3:29 PM
98	probably needed for teens, but have no specific suggestions	12/7/2016 12:41 PM
99	Most sports are covered in the village	12/7/2016 11:42 AM
100	All weather sports pitch. Many people travel quite long distances to play a variety of sports on all weather pitches. This includes netball, volleyball, basket ball as well as football. Exception is tennis club with 3 grass and 2 all weather courts. Older young people have no facility outdoors for informal recreation as do other large villages eg Halton. There is no evidence that our young people use facilities in other villages except on an occasional basis, with transport and safety an issue. Ther is potential for one of the land beside the millennium path and other areas should be sought for recreation which is likely to continue to be popular, eg box trail, skate area. For adults, young and old, a trim trail would enable gym style all round fitness to be practiced. Classes for the less mobile and older people have been organised by the NHS elsewhere. Outdoor table tennis table has been suggested. All such facilities would be free and therefore benefit most those unable to pay or travel elsewhere.	12/7/2016 10:41 AM
101	adequate	12/7/2016 10:21 AM
102	Maintain existing facilities	12/7/2016 10:09 AM
103	Bike hire, on a small scale. Something for teens.	12/5/2016 9:52 PM
104	Cycleway extension northwards towards Kirkby Lonsdale	12/5/2016 6:35 PM
105	Outside gym equipment	12/4/2016 11:04 PM
106	Allotments which have been lacking in the village for many years despite many attempts the find space for them	12/4/2016 9:07 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

107	A cricket club back on the field at Caton would be a massive asset. Also on the field, I think there is a need for some slides, playground equipment etc.	12/4/2016 7:37 AM
108	Cricket club	12/4/2016 6:54 AM
109	A cafe or tea rooms	12/3/2016 10:55 PM
110	I think the village is well equipped for the youngsters but there isn't anything for the teenagers to get them off their bums and watching tv	12/3/2016 10:50 PM
111	None	12/2/2016 4:26 PM
112	I would like to see more outdoor and indoor sport facilities for all ages. I am interested in Badminton and Netball however the netball club advertised in the link is for ages 11-14. And I find there aren't many things for 16-19 year olds or the elderly although I believe the meet to eat facility at the Methodist in Brookhouse is a very good idea. There could also be tennis courts on the football field near the park as I don't believe the football field needs to be that big. I also believe that the basketball/netball area at the park could be extended and enclosed.	12/2/2016 3:36 PM
113	Some sports clubs that can be advertised for anyone to join of all abilities (e.g. yoga, running etc). There are some clubs but they aren't well advertised to make young people aware of them.	12/2/2016 3:11 PM
114	An outdoor gym like they have at Grange would be good.	12/1/2016 8:45 PM
115	Seems adequately provided for	11/29/2016 6:42 PM
116	Permanent sports field.	11/29/2016 1:40 PM
117	Needs to keep football pitch and perhaps have other facilities here too such as cricket etc	11/29/2016 12:51 PM
118	Other than what exists -. NONE	11/28/2016 3:17 PM
119	Nothing	11/27/2016 4:31 PM
120	leasure centre	11/27/2016 9:58 AM
121	Perhaps a skateboarding or equivalent facility for older children.	11/26/2016 1:52 PM
122	A dog park!	11/25/2016 8:40 PM
123	Badass mucker was fantastic. Shame it is moving.	11/25/2016 7:37 PM
124	?	11/25/2016 7:15 PM
125	Something for the older kids to keep them off hanging around the play area	11/25/2016 5:05 PM
126	Apart from the cycle track there aren't recreation facilities for late teens and adults. Perhaps some outdoor fitness equipment could be space efficient.	11/25/2016 1:42 PM
127	Haveing a facility for sports and young people center like Halton.	11/25/2016 12:32 PM
128	Anything for the kids! The zip wire on Fell View is a waste of time, abit of weight on it & your to close to the floor! It needs to be moved somewhere else then it can be higher!!	11/25/2016 11:50 AM
129	Designated football pitch where surrounding residents don't complain at every available opportunity. Preferably non-mountainous and made of grass. Or make claughton pitch easier to access.	11/25/2016 11:28 AM
130	I think it is well-served by footpaths and the Lune cycle track. That's all the outdoor recreation I use!	11/24/2016 10:25 PM
131	Cycleway extended to Hornby and beyond. Green space and sports fields retained and enhanced. Play area in Brookhouse.	11/24/2016 8:37 PM
132	I think the village is well served	11/24/2016 6:36 PM
133	Cycle / footpath needs extending towards Hornby.	11/24/2016 11:00 AM
134	A bike/scooter track like the new one at Ingleton	11/24/2016 9:54 AM
135	Tennis Club is very popular and a great facility.	11/24/2016 9:46 AM
136	The play park is great and could benefit form the addition of outdoor adult gym equipment - a circuit that can be used while the children play. The large grass area at the park is underused. The Station field is great but underused. We are lucky to have these amenities and it's a shame they are not used more. A skate park would be good.	11/24/2016 8:22 AM
137	More family fun events	11/23/2016 10:14 PM
138	No more needed. The existing facilities are under-used.	11/23/2016 10:00 PM
139	We need something for the older children. Could be a good idea to buy some land for building outdoor full size sports pitch. Which will be free to use.	11/23/2016 8:31 PM
140	Stables / horse riding opportunities would be lovely. More public /permissive footpaths/tracks across farm land which are suitable to running on in winter months.	11/23/2016 7:54 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

141	A sports field	11/23/2016 7:48 PM
142	More play equipment in the play park especially a bigger slide	11/23/2016 7:10 PM
143	Support the sports clubs and especially junior sections - football, cricket, tennis, badminton and bowls all have long village histories and need support	11/23/2016 7:01 PM
144	Parkland with benches for older people and toddlers, pockets of maintained 'wild' areas for little ones to explore, community garden sites? Small forested areas. Adventure area for older kids/ teens	11/23/2016 6:58 PM
145	Play for older children get them off the park at night	11/23/2016 5:50 PM
146	I love walking and would love to see more footpaths. We seem to have a shortage of them. Or perhaps they need better markings on them.	11/23/2016 5:17 PM
147	Bigger slide in the play area maybe an outdoor gym	11/23/2016 2:38 PM
148	None, the millennium pathway is perfect fir my walking	11/23/2016 1:32 PM
149	The village field meets the needs of most sports played outdoors. The playground is a good addition for younger children too.	11/23/2016 12:59 PM
150	Even though I don't use them much - the village should keep its football/cricket ground, bowling green and tennis club. We also need to look after our footpaths & public toilet.	11/23/2016 11:59 AM
151	facilities for the older youth of the village	11/23/2016 10:43 AM
152	Sufficient provision	11/23/2016 10:16 AM
153	A slide at the park.	11/23/2016 9:25 AM

### Q20 What additional indoor well-being, sports and recreation facilities does the village need?

Answered: 136 Skipped: 143

#	Responses	Date
1	The huts at St. Paul's which the Cubs/scouts and other groups use will need refurbishing eventually.	1/8/2017 7:46 PM
2	It would be good to have more recreation facilities and youth clubs for teenagers, and given the weather, some indoor facilities. An sportshall/meeting place like the one in Halton in a suitable location would be a bonus.	1/7/2017 11:20 PM
3	Badminton, table tennis.	1/7/2017 6:35 PM
4	Need to keep Hornby pool going	1/7/2017 5:55 PM
5	I think the village is well catered for and can't think of anything that isn't already provided for within reason, or within a short distance away (such as the successful skate park at Halton)...perhaps maybe an all weather lighted hard surfaced sports pitch.....	1/7/2017 3:36 PM
6	Gym and Swimming pool would be an asset to all.	1/7/2017 3:32 PM
7	Keep Hornby Pool open A cafe	1/7/2017 7:12 AM
8	There are plenty of facilities available at Caton Institute	1/7/2017 7:03 AM
9	None	1/6/2017 5:07 PM
10	The Vi caters for many leisure activities, more would be welcome	1/6/2017 2:48 PM
11	A gymnasium within the Caton Sports Hall which seems at present to be quite limited.	1/6/2017 1:40 PM
12	a contemporary building to house sports, recreation groups, social facilities	1/6/2017 11:34 AM
13	An gymnasium.	1/4/2017 3:03 PM
14	Young people would love a skate Park Doesn't have to be elaborate just a space for boards scooters and bikes All ages would use it	1/4/2017 2:35 PM
15	Youth club type facility for young people.	1/3/2017 5:41 PM
16	A bigger hall for badminton or yoga classes etc?	1/3/2017 4:11 PM
17	Cafe, art gallery, more shops,	1/3/2017 3:59 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

18	For people who over 50's people there are 2 clubs I am aware of but I feel also it would be a good idea if we had a regular meeting place to meet up weekly for people who can't go on the trips. There is nothing for over 20's to 40's to meet up for younger people.	1/3/2017 3:17 PM
19	enough already	1/3/2017 11:10 AM
20	None.	1/3/2017 10:09 AM
21	The V.I. MAKES A GOOD VENUE for some sports and L ancaster offers a good range of others.	1/2/2017 7:40 PM
22	The village hall could do with a makeover.	1/2/2017 9:03 AM
23	None	1/1/2017 6:37 PM
24	Swimming pool. Gym classes.	1/1/2017 4:46 PM
25	Personally, I am happy with the facilities at present.	1/1/2017 4:36 PM
26	I enjoy classes at the Victoria Institute and there are other indoor activities available locally.	1/1/2017 1:16 PM
27	don` t know	12/31/2016 12:29 PM
28	Swimming pool	12/30/2016 5:32 PM
29	Would it be possible to use the school in Brookhouse for some indoor classes many older people do not like to travel far in the evening.	12/30/2016 4:01 PM
30	none really	12/30/2016 2:10 PM
31	We need some to start with not additional	12/30/2016 1:17 PM
32	New sports pavilion for the sports field.	12/30/2016 12:39 PM
33	—	12/30/2016 11:52 AM
34	Not any more that I would use	12/30/2016 11:47 AM
35	Better use of the existing facilities within the community like Caton County Primary School sports hall, use of Caton St Paul's facilities	12/29/2016 8:30 PM
36	again, none that I would need	12/29/2016 3:52 PM
37	Swimming pool	12/29/2016 3:37 AM
38	A slimmers group would likely be successful.	12/28/2016 12:20 PM
39	Table Tennis	12/26/2016 4:46 PM
40	None. The Victoria Institute is essential and needs continuing support. It is a great centre of village life and thanks to all who keep it running.	12/23/2016 12:59 PM
41	a cinema in the Victoria Institute	12/22/2016 12:05 PM
42	A local cafe would always be good	12/21/2016 10:47 PM
43	A recent class in the institute proved extremely popular, maybe offering more classes as they do in the HYAC Centre in Halton, we have the resources here but we don't seem to use them to their full potential.	12/21/2016 8:41 PM
44	none	12/21/2016 8:35 PM
45	?table tennis somewhere	12/21/2016 3:41 PM
46	Not sure.	12/20/2016 4:43 PM
47	Well provided for already	12/18/2016 7:29 AM
48	yoga, gentle exercise classes, Pilates	12/16/2016 11:05 AM
49	suitable activities for teenagers	12/16/2016 10:51 AM
50	Yoga, Pilates,	12/15/2016 3:56 PM
51	these are already catered for	12/15/2016 12:33 PM
52	More clubs/ cultural groups/craft activity groups to be encouraged to use the Victoria Institute	12/15/2016 11:46 AM
53	None	12/14/2016 8:52 PM
54	There seems to be a need for recreational facilities for young people, especially as they are now more likely to be unable to get into Lancaster in the evenings	12/14/2016 7:01 PM
55	Again, I'm not well placed to answer this but the VI seems to cater very effectively for older generations but there appears to be less available for young people and teenagers. This is a possible area for consideration and ideas may well emerge from the young people's survey.	12/14/2016 6:40 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

56	Not completely sure	12/14/2016 5:46 PM
57	None	12/14/2016 2:56 PM
58	more usable space fo indoor activities	12/14/2016 1:55 PM
59	Sports and recreational facilities	12/13/2016 7:53 PM
60	As point 19	12/13/2016 7:28 PM
61	sports hall, recreation centre for teenagers to go	12/13/2016 2:46 PM
62	A swimming pool!	12/12/2016 9:11 PM
63	A small gym, with fixed bikes/Nautilus machines etc would be great (like the one in Nether Kellet).	12/12/2016 7:36 PM
64	more activities for young people, ask then what they would like	12/12/2016 10:38 AM
65	a better village hall where there is more parking and the ability to have larger events than at present or events that just require more space	12/11/2016 9:11 PM
66	Don't know.	12/11/2016 12:44 AM
67	something in the evenings for my age group/ those who work. keep fit classes of some kind? there is a great range of clubs and groups advertised in the local link but they are all during the day and aimed at older residents	12/10/2016 7:53 PM
68	Swimming pool and gym	12/10/2016 7:44 PM
69	Similar to the centre at Halton	12/10/2016 6:48 PM
70	need a gym	12/10/2016 4:44 PM
71	In an ideal world having its own swimming pool but more constructive use of the sports field (refurb of sports club) and inclusivity of the more money orientated sports for those of limited means.	12/10/2016 3:01 PM
72	more accessible (eg Brookhouse) facilities for teenagers, but this would have to include 'minders' probably paid	12/9/2016 2:57 PM
73	Probably none - just better use of existing facilities.	12/9/2016 11:39 AM
74	Better equipped village hall. More like cockerham. ..has working bar and they hold loads of events and fundraising activities there in the day and evening.	12/8/2016 6:24 PM
75	Enhanced scout / brownies/ cubs etc hut. Enhanced Village Institute with activities.	12/8/2016 6:03 PM
76	An indoor sports hall would not go amiss, catering for sports such as 6-a-side football, racquet sports and basket ball.	12/8/2016 3:17 PM
77	Indoor sports hall.	12/8/2016 8:34 AM
78	None	12/7/2016 7:06 PM
79	A larger hall for indoor football / basketball would be fantastic	12/7/2016 3:35 PM
80	Gym, swimming pool	12/7/2016 3:29 PM
81	see above	12/7/2016 12:41 PM
82	Large sports centre	12/7/2016 11:30 AM
83	Caton Community school sports hall is underused. It has sprung floor, changing rooms, shower, kitchen and storage. Any extra classes / clubs could locate there. Boxing hut at St Pauls is equipped as mini gym but not used much except for scouts. Other villages have range of gym equipment which is very cheap to use compared with commercial alternative. This would be very beneficial for low income households.	12/7/2016 10:41 AM
84	more for youth to do	12/7/2016 10:21 AM
85	indoor multi-sports hall would be good for the village	12/7/2016 10:09 AM
86	café- meeting place, that's not church affiliated	12/5/2016 9:52 PM
87	Purpose built Indoor sports facility for badminton and yoga/pilates etc	12/5/2016 6:35 PM
88	Not sure	12/4/2016 11:04 PM
89	Personally and I don't ever see it happening, but I think the church hall and scout hut should be replaced with a purpose built 2 storey venue that could be widely used by the school, church, after school clubs and private functions. This would bring in extra revenue, and address the crumbling state if the scout hut and lack of parking.	12/4/2016 7:37 AM
90	A slimming club!!!	12/3/2016 11:26 PM
91	Same as above	12/3/2016 10:50 PM
92	None	12/2/2016 4:26 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

93	A sports hall .	12/2/2016 3:59 PM
94	Indoor badminton facilities could be available on weekends somewhere. Also more facilities like meet-to-eat for the elderly could be put on instead of once a month as elderly people can get lonely and they are really happy when they meet up with others.	12/2/2016 3:36 PM
95	An quiet area which can be used as a study room as specifically for young people studying for GCSE's and A levels who would benefit from a place designated for study. Also a gym or an area which can be used to promote a healthy lifestyle to the village which is inexpensive for young people to use. There are areas in town but due to the village being a distance away, this can put off some people from putting the gym into their routine.	12/2/2016 3:11 PM
96	I think the village is well served in this area.	12/1/2016 8:45 PM
97	Not sure!	11/29/2016 1:40 PM
98	limited space for music groups due to noise issues We should look at The centre at Halton for a well thought out community centre	11/28/2016 10:16 PM
99	The Church's have several activities taking place weekly, so cannot see that youth needs more .	11/28/2016 3:17 PM
100	A cafe or tea-shop, especially if open into the early evening.	11/27/2016 6:04 PM
101	Adequate funding for youth groups	11/27/2016 5:15 PM
102	Nothing	11/27/2016 4:31 PM
103	leasure centre	11/27/2016 9:58 AM
104	well provided for, but the poor state of the Church hall and clubhouse is a shame - a new development that combined these 2 sharing new modern facilities would be welcomed by all	11/26/2016 1:52 PM
105	A decent pub. Or get a licence for the Institute.	11/25/2016 8:40 PM
106	now a small leisure centre & pool...a cafe...	11/25/2016 7:15 PM
107	gym (similar to Hornby institute)	11/25/2016 3:37 PM
108	Swimming pool!!	11/25/2016 1:55 PM
109	Perhaps a small gym similar to the one at KLRC, providing that it's not extortionate.	11/25/2016 11:28 AM
110	Youth centre to stop them loitering on the streets at all hours	11/25/2016 10:54 AM
111	Youth club.	11/24/2016 8:37 PM
112	the institute could probably do with being updated/refreshed	11/24/2016 6:36 PM
113	Swimming facilities	11/24/2016 6:29 PM
114	Some more things for children?	11/24/2016 1:50 PM
115	Gym, swimming pool.	11/24/2016 11:00 AM
116	I think the village is well blessed with indoor venues that can be used for these activities.	11/24/2016 8:34 AM
117	An indoor gym area would be great and a swimming pool even better! Generally good.	11/24/2016 8:22 AM
118	Inflatables to suit all ages	11/23/2016 10:14 PM
119	The Institute seems adequate to me, though I don't use it for these.	11/23/2016 10:00 PM
120	Gym	11/23/2016 8:53 PM
121	Better Badminton facilities	11/23/2016 7:54 PM
122	A gym	11/23/2016 7:48 PM
123	The scout hut and church hall need to be knocked down and rebuilt as one big community space. Perhaps including a preschool as the one at St. Paul's school has very limited outdoor space.	11/23/2016 7:10 PM
124	Be ambitious the Victoria Institute is not really fit for purpose - a modern community centre - OAP clubs, a cafe, linked to medical drop in services - be ambitious	11/23/2016 7:01 PM
125	An improved version of the church hall and scouts hut combined.	11/23/2016 6:58 PM
126	Tennis courts (outdoor provision is fine)	11/23/2016 6:49 PM
127	Dance classes like strictly, but for age 18 plus	11/23/2016 5:54 PM
128	Climbing wall or indoor sports of some kind	11/23/2016 5:50 PM
129	A tea shop in Brookhouse	11/23/2016 4:37 PM
130	Not sure	11/23/2016 1:32 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

131	Caton community primary have a good indoor facility so not sure if more can be done there.	11/23/2016 12:59 PM
132	Could a gym (treadmills, cross trainers etc.) be set-up in the village hall or somewhere else in the village.	11/23/2016 12:44 PM
133	If we had the location and finance, a new, bigger village hall with a stage plus parking facilities would be great.	11/23/2016 11:59 AM
134	The village is well resourced, diversify the use of the facilities	11/23/2016 10:43 AM
135	No comments	11/23/2016 10:16 AM
136	An indoor soft play area and cafe.	11/23/2016 9:25 AM

### Q21 Any other comments on roads, transport, parking, well-being, sport and recreation?

Answered: 92 Skipped: 187

#	Responses	Date
1	No.	1/7/2017 11:20 PM
2	Why did they spend all that money on a park and ride near Junction 34 .Lancaster is a small area and has plenty of in town parking and the buses will be an expense that should have been spent on local rural bus services including Caton. Can I also comment on the pedestrian lights around the junction at 34. Who are they for ? more wasted money.	1/7/2017 3:32 PM
3	See previous comments	1/7/2017 7:46 AM
4	The village toilet is an excellent facility and enhances the village's image	1/7/2017 7:26 AM
5	There should be no parking charges at the Crook of Lune (Woodies area)	1/7/2017 7:18 AM
6	Pot-hole repairs program required	1/7/2017 7:12 AM
7	I think we are quite well catered for sport a& recreation wise	1/6/2017 4:28 PM
8	more facilities for young, especially teenagers	1/6/2017 2:48 PM
9	better markings and parking near shops	1/6/2017 2:07 PM
10	poor road lights in Caton Green	1/6/2017 11:34 AM
11	The condition of some roads, especially the hill up Littledale Rd is not good. Even though work has been done on the drains this year, they are now blocked. Water is running down the roadsides wearing them away.	1/6/2017 9:00 AM
12	Road surfaces, particularly on Quermore road are very poor if not hazardous. Ignoring of speed limits in the village by many people	1/4/2017 3:03 PM
13	more buses.	1/3/2017 3:59 PM
14	We have a local sports hall in Caton which we would go to but we are unaware of what's on during the week and what's available.	1/3/2017 3:17 PM
15	The park and ride needs more advertising/ encouragement for people to use it.	1/3/2017 10:55 AM
16	Parking in the village causes problems. Buses need reinstating and be more frequent, at present there isn't a bus between 9-50am and 11-45am! which needs to ne addressed. We could have had the Park and ride bus incorporated to Caton/Brookhouse as part of the Park and ride. At present that is going and coming almost empty! That would be one solution to our lack of buses?	1/3/2017 10:09 AM
17	The bus stop at the Black Bull / Brookhouse Road needs to be aligned with the actual shelter. In poor weather it is ridiculous that the shelter cannot be used for fear of missing the bus!	1/2/2017 9:03 AM
18	None	1/1/2017 6:37 PM
19	More lights at the bus stop near the Black Bull (going to Lancaster).	1/1/2017 4:54 PM
20	No	1/1/2017 4:46 PM
21	Yellow lines needed at junction of Greenfields and Copy lane. You have to drive blind into the road here cos of parked cars. accident waiting to happen.	1/1/2017 1:16 PM
22	20 mph limit on Brookhouse Rd. is not really necessary.	12/30/2016 6:19 PM
23	School bus services....enough said.	12/30/2016 4:00 PM
24	no	12/30/2016 2:10 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

25	cast iron confirmation that none of the existing sports facilities areas will be developed (sports field, bowling green etc)	12/30/2016 12:39 PM
26	Parking for institute poor	12/30/2016 11:47 AM
27	See answer to Question 18 & 20	12/29/2016 8:30 PM
28	see 18	12/28/2016 1:54 PM
29	Traffic calming measures especially around Moor Platt, Ashcroft, the roundabout and Station inn needs to be looked at.	12/28/2016 12:20 PM
30	Poor parking on bridge at Crook O' Lune - an accident waiting to happen.	12/26/2016 4:46 PM
31	The cycle track is a wonderful facility. We need more. I would especially recommend an initiative to install an off road cycle path along Quernmore Road from Caton to the priory. This is part of the Lancashire cycleway but is now very busy with traffic. And all efforts should be made to retain the Sports field at the Station Hotel	12/23/2016 12:59 PM
32	the improved facilities would need to be supported for success	12/22/2016 12:05 PM
33	Too many cars being parked on pavements blocking access	12/21/2016 8:35 PM
34	Might a higher parish precept allow for an alternative bus service to be financed (evenings/weekends?)	12/21/2016 3:41 PM
35	No	12/20/2016 4:43 PM
36	Extend the cycle track to Kirby Longsdale.	12/17/2016 10:36 AM
37	Take back the power to repair and maintain our own roads and pavements. Develop facilities for cyclists and disabled people.	12/17/2016 9:31 AM
38	pot holes need filling	12/16/2016 11:33 AM
39	school children cant go to friends houses and get the bus home after 6.30pm. Lack of bus service in the evening has meant that we don't use restaurants in Lancaster in the evenings	12/16/2016 11:05 AM
40	See 18 above	12/15/2016 11:46 AM
41	The main road along the Lune Valley is busy and vital and may now become more so now that J34 of the M6 has been expanded and the Bay Gateway opened. However, in line with many transport policies and initiatives, further road building should be discouraged at all costs and sustainable alternatives promoted ie walking and cycling and the reinstatement of public transport.	12/14/2016 6:40 PM
42	No	12/14/2016 5:46 PM
43	Traffic does travel very fast past the Scarthwaite Hotel. An fatal accident seems likely.	12/14/2016 2:56 PM
44	parking in the village is very often under pressure. Traffic calming restrictions on back roads	12/14/2016 1:55 PM
45	The maintenance of roads and pavements needs to be given priority to avoid longer term expense and potential problems	12/13/2016 7:53 PM
46	roads not kept up to scratch by the council, IE road surfaces, leaves,road sweeping and blocked drains	12/13/2016 10:27 AM
47	GP surgery very good service. The pavement along the main road (A683) needs to be cleared, along the Bull Bec section, very dangerous currently as so narrow with overgrown vegetation.	12/12/2016 7:36 PM
48	No	12/11/2016 12:44 AM
49	Buses need looking in to, I believe they stop running through the village really early now	12/10/2016 7:57 PM
50	I no there is not much you can do about parking at the Chinese but could do with people not parking outside my house	12/10/2016 7:44 PM
51	The roads in and around the village are not in great condition, could be better maintained.	12/10/2016 5:51 PM
52	Highway maintenance of a decent quality rather than just filling holes in to fail as soon as it rains again. Enforcement of parking rules and practical use of safe parking on roads with poor visibility at junctions.	12/10/2016 3:01 PM
53	Drivers should not drive on pavements to avoid giving way to ongoing traffic. This is a particular problem approaching Caton Methodist church and the Institute	12/9/2016 2:57 PM
54	Parking on the road at eh bus stop (un-marked bus bay) is hazard. HGV's ignoring signs particularly Holme lane. Drivers driving on the pavement to avoid giving way, a hazard at the Caton end of Brookhouse rd by Wesley cottages at the Methodist church. Speeding vehicles in 20/30 mph zones	12/9/2016 2:29 PM
55	Cycle path poorly maintained - uncleared wet leaves make it dangerous for cyclists and walkers alike, and the Caton stretch badly in need of repair. Surface on the new bridge highly unsafe when frosty!	12/9/2016 11:39 AM
56	what we need is a mirror at the top of Artlebeck Road at the church when you want to turn right you cannot see who is coming up Brookhouse Rd, someone is going to get hurt especially the old	12/8/2016 11:10 AM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

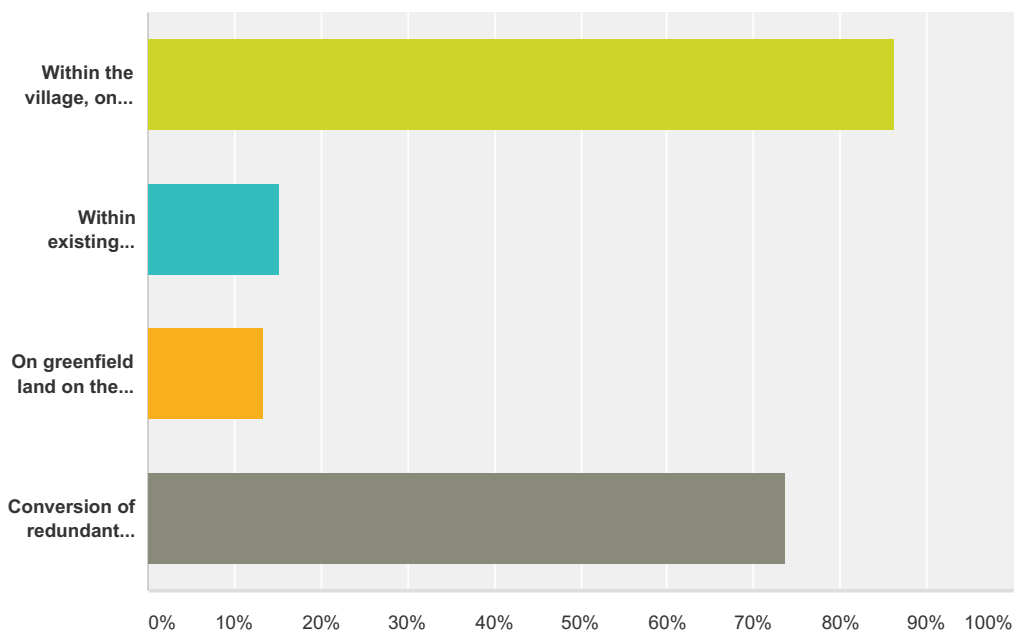

57	More buses.	12/8/2016 8:34 AM
58	No	12/7/2016 7:06 PM
59	there are groups publicizing the needs for the above, who know more than i do	12/7/2016 12:41 PM
60	Some parts of Caton Green Road still liable to flooding too easy. Between Caton Green and Claughton junction.	12/7/2016 11:42 AM
61	If we wish to promote tourism, local facilities are vital as added attractions. But in particular the millennium path extension up the Lune Valley would provide a boost - not jus for cycling commenters and residents leisure options. There is a view that because we live in the countryside we don't need any extra facilities as we have legs to walk. Unfortunately walking neither uses all the range of muscles etc we need to be fit nor does it cater for those with other interests other the less mobile (think of elderly numbers, or and/ or those needing hip replacements) I have not mentioned such facilities as a spa/ hot tubs ! ? In / near the scout hut.. But why not? They are beneficial for aching joints!	12/7/2016 10:41 AM
62	bus service is now isolating the elderly and people without cars	12/7/2016 10:21 AM
63	Its infuriating when cyclists use the dangerous Quernmore road into Lancaster instead of the cycle path, its impossible to overtake, and highly dangerous. Speeding cars are a complete pain, and very dangerous.	12/5/2016 9:52 PM
64	I would very much like to see the cycle path extended on to Hornby which I think would benefit both Caton and Hornby.	12/4/2016 7:37 AM
65	The parking between the main road & copy lane is quite bad at times	12/3/2016 11:26 PM
66	The victoria institute a valuable and appreciated space.	12/3/2016 10:55 PM
67	I am happy the way it is	12/2/2016 4:26 PM
68	Brookhouse Road in Caton is over ridden with cars and this can be dangerous especially as hardly anyone actually abides by the speed limits.	12/2/2016 3:36 PM
69	A couple of electric car charge points in the village would be a great idea bearing in mind that these types of vehicles are becoming more popular and this would be a good facility for visitors.	12/1/2016 8:45 PM
70	Better pavements along Hornby Road from the Station pub on the right hand side going out towards Hornby.	11/29/2016 1:40 PM
71	At present we have an excess of road traffic. Motor cycles are a hazard especially at weekends with noise a problem for houses on the main roads.	11/28/2016 3:17 PM
72	no good building houses untill inferstructure and roads are improved	11/27/2016 9:58 AM
73	The doctors' surgery, chemist, shops and parking are great!	11/25/2016 8:40 PM
74	Really good	11/25/2016 7:37 PM
75	probably all ready said - though some sort of crossing BEFORE the petrol station would make life easier / safer	11/25/2016 7:15 PM
76	A bit more understanding for the local youths wouldn't go amiss, some people understand but in general it's practically discrimination.	11/25/2016 11:28 AM
77	Green spaces and safe spaces for children to play outdoors both formal and informal are essential for their well being. Ensure they are protected and improved.	11/24/2016 8:37 PM
78	The double parking outside the Methodist church is horrendous on a sunday	11/24/2016 11:06 AM
79	Good sports hall at Caton Community Primary School but some users won't use it as it is too expensive or school holiday / later evening use is not encouraged. The facility is there it just need managing better, a shame as it could be used much more.	11/24/2016 11:00 AM
80	The inability of LCountyC and City Council in keeping roads clean and in good order. I asked the council to clear excess road stone from the road AND pavement at Kirkbeck Bridge explaining that if they didn't clear the pavement it would end up back on the road. They only cleared the road. When told of their failure they did nothing! Residents regularly clear leaves that are blocking the road drains. I have no problem helping my community but am getting increasingly cheesed off with the reduction in local services.	11/24/2016 8:34 AM
81	Definitely need more public transport in the evenings, also to travel to Halton now means having to go into Lancaster then get another bus to Halton which for a place so near to Caton is ridiculous	11/23/2016 11:00 PM
82	Apart from the appalling state of some of our roads, no	11/23/2016 10:28 PM
83	None	11/23/2016 10:00 PM
84	More parking around St Pauls School	11/23/2016 7:10 PM
85	Keep maintaining the footpaths and cycle path please!	11/23/2016 6:58 PM
86	Anything to encourage people to be (more) engaged in active sport and recreation would be welcome	11/23/2016 6:49 PM
87	Caton Green road should be 30 mph from Brookhouse to claughton	11/23/2016 5:54 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

88	Look after our Millennium Path. Sometimes it looks neglected with rubbish and full bins.	11/23/2016 5:17 PM
89	No	11/23/2016 1:32 PM
90	Parking is a concern as more kids grow up and not leave home due to budget.	11/23/2016 12:59 PM
91	A lot of our village roads need to be resurfaced and potholes repaired. In some places, drains seem to cause problems.	11/23/2016 11:59 AM
92	No	11/23/2016 10:16 AM

### Q22 Our village will have to find space for more housing. Where should it go?

Answered: 248 Skipped: 31

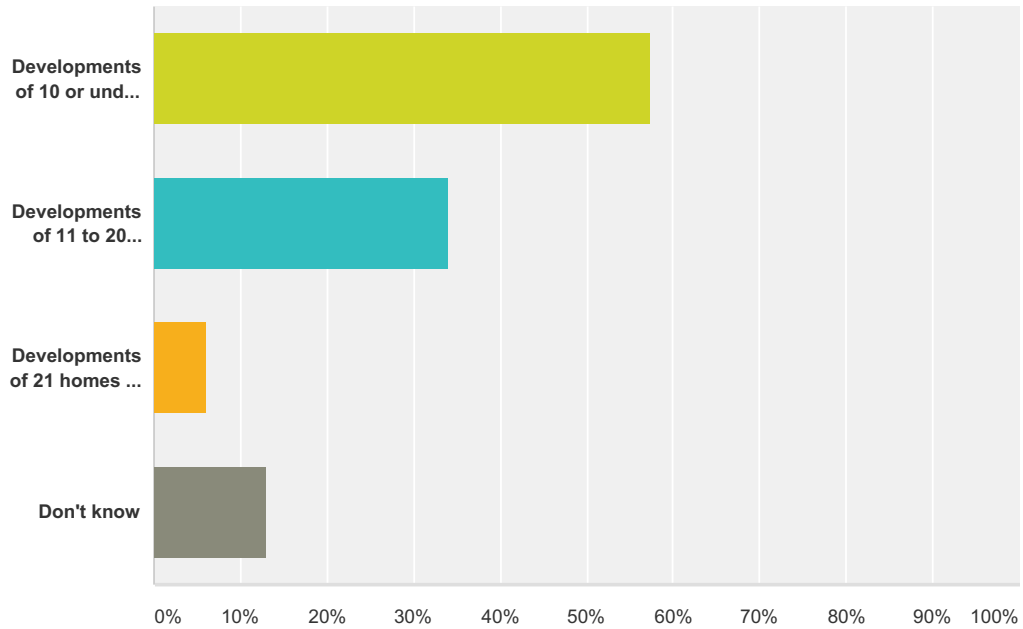

Answer Choices	Responses
Within the village, on previously developed land (brownfield sites)	86.29% 214
Within existing gardens (infill)	15.32% 38
On greenfield land on the edge of the village	13.31% 33
Conversion of redundant agricultural buildings	73.79% 183
<b>Total Respondents: 248</b>	

### Q23 Housing: what scale of new development would you prefer?

Answered: 247 Skipped: 32

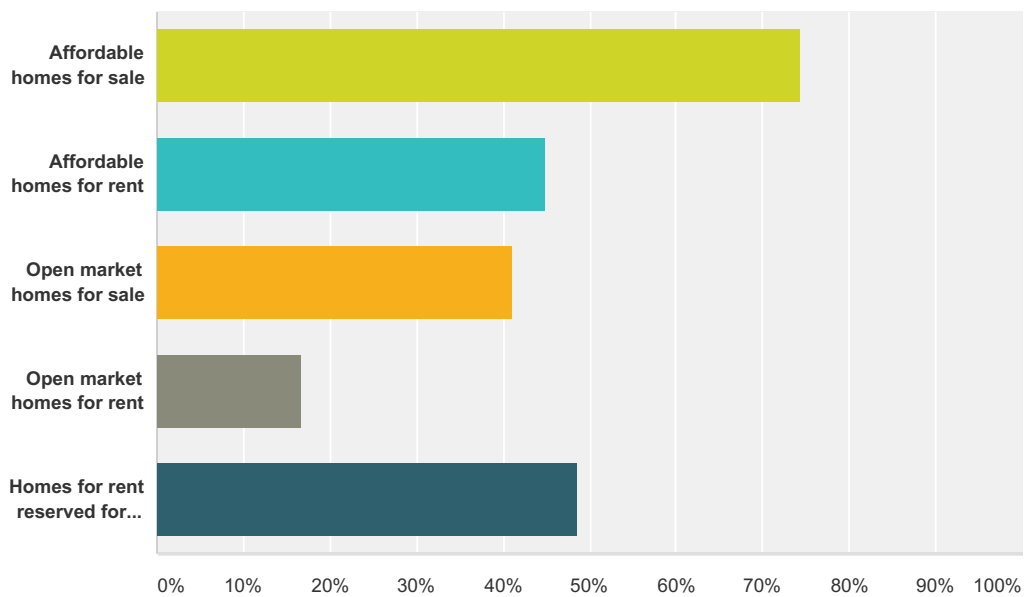

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

Answer Choices	Responses
Developments of 10 or under homes	57.49% 142
Developments of 11 to 20 homes	34.01% 84
Developments of 21 homes or more	6.07% 15
Don't know	12.96% 32
<b>Total Respondents: 247</b>	

## Q24 Housing: what type of homes would you prefer in these developments?

Answered: 241 Skipped: 38

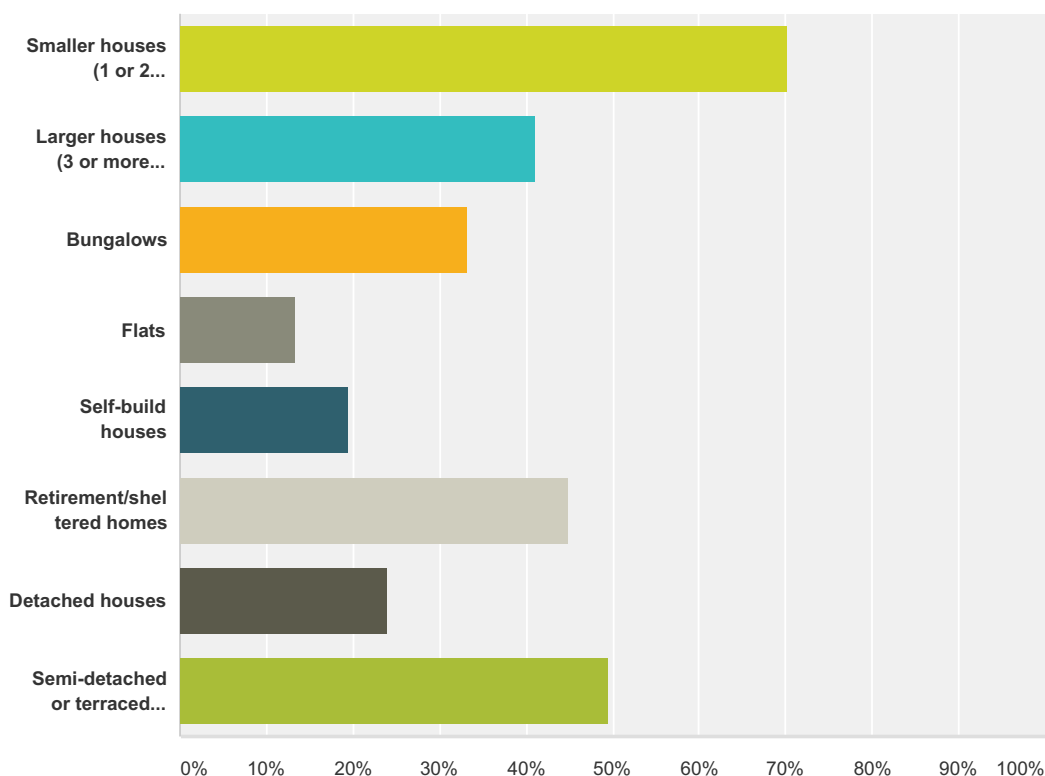

Answer Choices	Responses
Affordable homes for sale	74.27% 179

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

Affordable homes for rent	44.81%	108
Open market homes for sale	41.08%	99
Open market homes for rent	16.60%	40
Homes for rent reserved for local people	48.55%	117
<b>Total Respondents: 241</b>		

### Q25 What sort of homes should be built?

Answered: 238 Skipped: 41

Answer Choices	Responses
Smaller houses (1 or 2 bedrooms)	70.17% 167
Larger houses (3 or more bedrooms)	41.18% 98
Bungalows	33.19% 79
Flats	13.45% 32
Self-build houses	19.33% 46
Retirement/sheltered homes	44.96% 107
Detached houses	23.95% 57
Semi-detached or terraced houses	49.58% 118
<b>Total Respondents: 238</b>	

**Q26 People often have strong feelings about the design of new homes, issues such as density, height, building materials, roof gradients and windows. Please tell us**

Caton-with-Littledale Neighbourhood Plan: survey for local residents

**your views on what new homes should look like.**

Answered: 191 Skipped: 88

#	Responses	Date
1	As long as the development is sympathetic to existing developments then that is fine..	1/8/2017 7:48 PM
2	I do have strong views and voiced them with the moor platt new build- my views were completely ignored. I understood houses in an aonb should be stone faced, and in keeping with others around them -and they should definitely have good eco qualities- that have no special credibility. I have no confidence that any further new build will be built to any kind of standard let alone aesthetics.	1/8/2017 12:52 PM
3	New homes should blend in with the character of existing houses in the area, especially if build in/near the village.	1/7/2017 11:24 PM
4	Stone	1/7/2017 8:06 PM
5	Should be designed by suitable qualified people. Bright, airy and modern. Not cheap boxes.	1/7/2017 6:44 PM
6	Developments should be in keeping with local area. The tendency is for developers to promise low density and materials appropriate for area. Once general development approvals have been met the land is sold to house builders who want to squeeze more homes on the area and use cheaper construction materials. The planners always seem to be unable or unwilling to prevent dilution of the quality of the new developments.	1/7/2017 6:11 PM
7	They should be in keeping with the surrounding area, or in similar style to the houses they are closest too. This would not include flats like those that have been built in Halton	1/7/2017 4:38 PM
8	As mentioned earlier, the village has very few older properties to give a sense of any historic architecture that should be or could be used to inform future design, but that doesn't and shouldn't mean that developers have a free reign to just plonk existing urban designs on land to maximise profit. If there is the possibility to influence design then it should look to that which is sensitive to a rural area and the Lune valley in particular, creating a sense of place and attractiveness to the village overall	1/7/2017 3:43 PM
9	Built to fit in with local buildings in the village.	1/7/2017 3:42 PM
10	they should be sympathetic and compatible to local the surroundings and use local materials	1/7/2017 11:23 AM
11	In keeping with village appearance and according to the extra rules for AONB areas - such as forced on us in the past (personal experience)	1/7/2017 7:50 AM
12	Property should be built with sufficient land, not just crushed together to put more in	1/7/2017 7:31 AM
13	Stone-built with decent sized gardens not built too close together	1/7/2017 7:20 AM
14	Generally in keeping with existing stock	1/7/2017 7:13 AM
15	Preferably built in local stone to blend in with village	1/7/2017 7:05 AM
16	Planners do not allow individuality, everything must conform to their rules. More variety better than identical boxes	1/6/2017 7:11 PM
17	No more than 2 stories high without steep sloping roofs, built out of natural materials such as stone & wood for the windows,which blend in with the houses already here	1/6/2017 4:37 PM
18	If in a very visible area then some design which blends with adjoining property,	1/6/2017 4:20 PM
19	any new build should blend in with existing village houses	1/6/2017 2:48 PM
20	in keeping with surrounding properties	1/6/2017 2:08 PM
21	Blend in with existing mix of housing including stone and brick homes.	1/6/2017 1:47 PM
22	relate to surroundings	1/6/2017 11:44 AM
23	in keeping with village, not too high	1/6/2017 11:41 AM
24	with reference to style and local building materials	1/6/2017 11:35 AM
25	Traditional in keeeping with surrounding properties	1/6/2017 9:03 AM
26	Blend in with existing housing stock in keeping with the rural situation	1/4/2017 3:13 PM
27	To blend in with the area No high rise or flats	1/4/2017 2:38 PM
28	Current Council Practice	1/3/2017 6:13 PM
29	In keeping with what is already there. Modern, but not obtrusive.	1/3/2017 5:43 PM
30	New houses should be clad in local stone, and new developments should be designed to preserve a village feel, as opposed to being larger estate type developments that promote urbanisation	1/3/2017 4:17 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

31	Don't know	1/3/2017 4:01 PM
32	A house which would be maintained well and structurally strong.	1/3/2017 3:31 PM
33	not too high	1/3/2017 11:23 AM
34	They should have some local character and distinctiveness - the houses recently built in Arkholme are a great example.	1/3/2017 11:08 AM
35	That's typical of people who don't want change in these villages. These villages need to grow and not be stagnant as is the danger at present.	1/3/2017 10:16 AM
36	In keeping with local materials i.e. some stone facework, tiling to roofs grey etc. Low rise where possible and environmentally friendly.	1/2/2017 8:06 PM
37	To blend with existing buildings as far as possible and to incorporate environmentally friendly technology i.e.solar panels etc	1/2/2017 7:46 PM
38	NOT like the ones opposite the garage: cheap and nasty. Should be more stonework or wood cladding, better quality doors, more landscaping.	1/2/2017 11:33 AM
39	Whatever is built, they need to be designed with existing properties in mind in terms of style, and constructed from materials which are in-keeping with existing properties which surround them.	1/2/2017 9:06 AM
40	Variety of designs	1/1/2017 6:39 PM
41	They should try to blend in with its surroundings and neighbouring houses. Also try and use a simple design that uses local materials.	1/1/2017 4:59 PM
42	Should fit in with existing look / feel of houses.	1/1/2017 4:49 PM
43	Attractive houses with a thought to their aesthetic appearance - they should 'fit in' with the local building styles and use local building materials.	1/1/2017 4:38 PM
44	As long as they fit in to the surrounding area. No grand designs.	1/1/2017 1:19 PM
45	New housing stock should fit in with the houses around them.	12/31/2016 1:07 PM
46	Traditional rather than some style of modern housing flat roofs etc.	12/31/2016 11:35 AM
47	In keeping with current developments ie no high rise or apartment blocks more than 2 storeys	12/30/2016 6:19 PM
48	2 storey stone faced/built of stone houses with gardens and a village feel.	12/30/2016 5:33 PM
49	Not too tall, good insulation, good double glazing, local materials used where possible.	12/30/2016 4:54 PM
50	Sensitive to the environment and blending into the present housing. High rise buildings would be inappropriate. Ensure there is some garden space.	12/30/2016 4:09 PM
51	modern houses are too much like boxes. would prefer distinctive innovative design	12/30/2016 2:14 PM
52	They should fit in to the style of the village we shouldn't be modernizing them the new ones on moor plat are awful there is a clear divide between them and the rest of the village	12/30/2016 1:20 PM
53	Caton is a village settlement supposedly in the AONB, yet lessons should be learnt regarding the recent Moor Platt development. Looking around Lancaster the re-development of Moor Platt must be viewed as one of the worst in terms of detailing - density, materials, road frontages, roof pitches, poor eaves & verges, poor window detailing in terms of not being set back into the stone work.	12/30/2016 12:40 PM
54	Look unimportant, but should definitely be properly ie fully insulated and have solar panels incorporated	12/30/2016 11:56 AM
55	Should fit in with landscape and confined to two storeys	12/30/2016 11:50 AM
56	In keeping with the village, particularly if build near older parts of the village, good vehicular access and parking - roads are for cars, pavements for pedestrians	12/29/2016 8:33 PM
57	good design, whether it is traditional or modern and innovative, doesn't have to be too expensive - and can only look better than bland "estate" houses	12/29/2016 3:56 PM
58	In keeping with the village	12/29/2016 3:45 AM
59	I think there should be a variety of housing types to suit residents with different circumstances. I think it is important to ensure adequate gardens, many developments have houses cramped together without much space for play or parking.	12/28/2016 6:42 PM
60	Not too bothered aslong as they look smart and don't stand out like sore thumbs.	12/28/2016 6:40 PM
61	no more are required	12/28/2016 2:00 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

62	Depending on where built it should be in keeping with materials used in other builds.	12/28/2016 12:22 PM
63	Should ideally be of local stone, slate roofed and be in character with their surroundings.	12/26/2016 4:49 PM
64	Cynical here. Opinions don't matter. The developers will decide. Look at Moor Platt. Yuk. The housing design round here is such a mishmash I am surprised people have strong views.	12/23/2016 12:59 PM
65	design and fitting in is a must, not building just to justify government numbers	12/22/2016 12:08 PM
66	I like traditional houses that would look good next to the existing houses - not modern buildings that look more like offices. I'd prefer to avoid large blocks of flats.	12/21/2016 10:51 PM
67	As long as they are in keeping with the other properties in the vicinity that is fine.	12/21/2016 8:43 PM
68	As sustainable as possible; decent space between buildings (I don't like the crowded look of some developments)	12/21/2016 3:47 PM
69	Avoid bland designs. But input a blend so the villages are in keeping with traditional stone where possible. Terracing can be attractive.	12/20/2016 5:52 PM
70	Look like houses that are already built	12/20/2016 5:38 PM
71	Sympathetic to the architecture of the local area or very good modern design.	12/20/2016 4:46 PM
72	They should match in with the existing housing stock. Using stone and in a similar style to the attractive Victorian houses. They should have gardens, be not too close to one another and have attractive architectural features. They should be houses that will look good in years to come.	12/18/2016 8:30 PM
73	Houses un keeping, ie no flats or high rise	12/18/2016 7:31 AM
74	The current housing is so diverse it is difficult to give any guidance except that two stories should be the maximum height	12/17/2016 5:24 PM
75	Energy efficient with solar panels if feasible. In keeping with the rural location and surrounding properties.	12/17/2016 3:27 PM
76	They should be in keeping with the existing buildings within the village.	12/17/2016 9:35 AM
77	Blend in with existing properties.	12/16/2016 7:37 PM
78	In keeping with surrounding buildings	12/16/2016 7:08 PM
79	why not have any home that meets modern standards of living. Encourage efficiency and usage of modern materials	12/16/2016 12:41 PM
80	not more than 2 story, mixture of types & bedrooms, with consideration to utilities and access	12/16/2016 11:08 AM
81	in keeping with the village	12/16/2016 10:55 AM
82	in keeping with surroundings	12/16/2016 10:52 AM
83	to be as traditional as possible	12/16/2016 10:43 AM
84	In keeping with the village image whilst being contemporary.	12/15/2016 3:59 PM
85	there should be a blend and not stick out lick a sore thumb	12/15/2016 12:34 PM
86	Low rise stone-built properties in local style, NOT concrete density style boxes as Moor Platt No multi storey box units for students - leave those in Lancaster !!!!!	12/15/2016 11:46 AM
87	In keeping with existing stock.	12/15/2016 10:45 AM
88	Should blend well with existing buildings. Solar panels should be on roofs	12/14/2016 9:02 PM
89	In keeping with the village in general, but no other preference	12/14/2016 8:54 PM
90	They should be low density on infill/brownfield sites and not on the edge of existing settlements where expansion would inevitably compromise the beauty of the AONB landscape and the views which are rightly highly valued by local residents and visitors. The neighbourhood plan should include the notion of identifying and preserving the existing outer limits of all parish settlements so as to prevent outward expansion into farmland and countryside. Any developments should use local building materials, be of low density and small in size (10 units max) not contribute to further flood risk and be in harmony with the character of the AONB. Any properties built should reflect the needs of the community (most notably starter homes for young families and appropriate dwellings for the elderly) and not what large national housebuilding companies seem to promote ie 3, 4 and 5 bed detached.	12/14/2016 6:59 PM
91	A sensible approach to planning which allows creativity that is responsive to the environment.	12/14/2016 5:51 PM
92	They should be traditional in style, stone clad to preserve the rural village feel. The houses opposite the Quernmore bus stop are an excellent example.	12/14/2016 3:02 PM
93	any additional new homes should blend with existing village styles without cramming too many in 'estate type developments	12/14/2016 1:56 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

94	No large developments, reduce height to two story, local stone & materials in keeping with existing buildings (original)	12/13/2016 7:58 PM
95	New buildings should be in keeping with village and not higher than two story	12/13/2016 7:32 PM
96	Eco-friendly, local stone & materials, keeping them blending with existing buildings	12/13/2016 2:48 PM
97	They should look individual not a whole estate of identical housing. Not more than 3 stories. Stone or traditional materials would be best to match the rest of the housing stock and fit in with the rural landscape. Plenty of space around them so the village keeps its open feel.	12/12/2016 9:18 PM
98	Have to be eco, and suitable external finishes which quieten their local impact; lots of green space surrounding any new development; not crammed together.	12/12/2016 7:45 PM
99	no high-rise developments, also non on flood plains	12/12/2016 10:39 AM
100	They should be in keeping with the landscape; certainly not too high as this would spoil local views. Wherever possible they should be stone clad. Low density is preferable.	12/12/2016 1:16 AM
101	there has to be a mixture of housing built in a sympathetic style not the generic boxes as in moor platt. they must be passive and heated by renewables eg ground or air source heating	12/11/2016 9:21 PM
102	Modern but in keeping with the rest of the architecture	12/11/2016 2:29 AM
103	As in keeping with the rest of the village as possible. I am sure I don't need to specify roof material for you to know what I mean ??	12/11/2016 12:48 AM
104	In keeping within the area they are to be built.....matching brickwork,stone, colour etc.	12/10/2016 11:46 PM
105	Decent sized rooms	12/10/2016 11:09 PM
106	They should fit into the look of the village, we don't want a development of flats like they built in halton	12/10/2016 8:02 PM
107	Buikd them out of brick and support the local brickworks	12/10/2016 7:51 PM
108	In keeping with surrounding property designs.	12/10/2016 5:55 PM
109	A house	12/10/2016 4:48 PM
110	The village has many different styles due to era of build, sympathetic build not too high and fitting into the area that they would be built in.	12/10/2016 3:06 PM
111	In keeping with adjacent homes	12/9/2016 5:29 PM
112	height, materials, gradients should reflect existing homes, but have space between and storage space ie cupboards	12/9/2016 3:01 PM
113	unfortunately all new build homes tend to be box shape, far too densely packed in and too high (eg Moor Platt) 3 storey town houses are not suitable for the village. We do not need any more 4 bed homes, too much new build is 4 bed because more money can be made. Apart from a few 3 storey Victorian/Edwardian houses the majority of homes in C-w-L are no more than 2 storey; cottages, dormer bungalows, semi-detached & detached. New build should be likewise in size & reflect existing homes re materials, space & gradients	12/9/2016 2:38 PM
114	Should blend with existing housing stock and, where possible, use local materials and provide employment for local firms.	12/9/2016 11:49 AM
115	Built with stone frotage more in keeping with rural village feel	12/8/2016 6:27 PM
116	Do not let housing become too dense, although some garden infill is appropriate. Why not bring back traditional terrace designs to fit more in economically and saveon heating costs for the elderly or for affordable homes? Keep traditional roof appearances. Use materials that very closely reflect local stone, and character of village buildings and farmsteads. Reflect low stone walling commonly round gardens and fields locally. Bespoke design commensurate with the area in the AONB. Protect the skyline.	12/8/2016 6:13 PM
117	Some thought should be given to a modern modular approach to pre-fabricated 2/3 room properties being erected on prepared sites. Consider the new MacDonald's being erected on Caton Road, Lancaster as an example. Suited for the rental market.	12/8/2016 3:29 PM
118	they should be built in local materials and designed to fit in with existing properties	12/8/2016 10:12 AM
119	In keeping with the surroundings.	12/8/2016 8:36 AM
120	Full regard should be taken of the aesthetic outlook of any new development to ensure it is in keeping with the existing village, especially in historical areas of older buildings.	12/7/2016 3:32 PM
121	Modern homes but in keeping with existing styles found in the village and locality.	12/7/2016 3:31 PM
122	Blend in with rural buildings	12/7/2016 2:31 PM
123	Local stone colour etc, Moor Platt is fine	12/7/2016 12:43 PM
124	They should all look different	12/7/2016 11:44 AM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

125	Local stone facing for all. Not more than 2 storeys, or lower. Vernacular and historical design features. Higher standard of energy efficiency than legally required	12/7/2016 10:54 AM
126	in keeping with the village	12/7/2016 10:22 AM
127	in keeping with existing buildings in the village	12/7/2016 10:11 AM
128	In keeping with the stone in the village- or faced and painted cream, definitely not brick. They should incorporate green spaces and trees.	12/5/2016 9:55 PM
129	Use local materials, mix of sizes and tenure	12/5/2016 6:38 PM
130	Inkeeping with village	12/4/2016 11:08 PM
131	Built with sensitivity to existing houses and older buildings. Very unhappy with homes built to a low cost budget and comprising on quality. Even if affordable, poorly built homes are not an investment. However, those on low budgets will have little choice but to buy them.	12/4/2016 9:52 PM
132	They should fit into the style of the existing housing, ie type of brick etc	12/4/2016 9:08 PM
133	New houses should be inkeeping with the surroundings. NOT like the ones on Moor Platt which should never of been allowed. When it comes to developments the council will bent the rules because money talks and we all know they are short of it!!!	12/4/2016 7:45 AM
134	I would like them to have character, not look like monopoly houses.	12/4/2016 6:56 AM
135	They should fit in with existing homes, ie. Not too high, and not too modern	12/3/2016 11:30 PM
136	Local stone to look like they have always been here	12/2/2016 11:55 PM
137	Traditional style with Gabled roofs Hard wood windows Doors and Chimneys. Arts and craft style.	12/2/2016 4:32 PM
138	They should blend with their surrounding but still be in the 21 st century. Fit for modern living	12/2/2016 4:00 PM
139	I feel new homes should fit in with the rest of the village and not look out of place. I also believe they should be affordable especially for the younger generation as I would like to live in the village with my family however I don't know whether I'll be able to with the price of housing in both Caton and Brookhouse. I also believe some larger houses in brookhouse should be converted into flats or demolished and changed into terrace houses as locals won't be able to afford them and only people with "status" will be able to afford them.	12/2/2016 3:43 PM
140	At the moment the houses that have been built in the village don't fit in with the surrounding area. The development on Moor Platt is extremely tightly packed with houses that are all very standard outside. I feel like the houses should work with what is in the area and add to it rather than take away from the view. For example, the new houses along Copy Lane or Hall Drive which have a more cottage and country feel to them and complement the landscape rather than the yellow bricked houses which look out of place and stand out.	12/2/2016 3:11 PM
141	I would prefer it if no new homes were built. But if they must be then they should fit in with the village (not too modern) and not be really crammed together	11/30/2016 10:44 PM
142	all development should be in sympathy with local traditional styles and materials	11/30/2016 7:00 PM
143	New houses should be build of materials which blend with the village	11/29/2016 6:45 PM
144	Houses kept in character & in keeping with the village and surrounding area.	11/29/2016 1:47 PM
145	In keeping with rest of village	11/28/2016 10:35 PM
146	in keeping with the village in terms of materials & style - please no more 'chalet style' bungalows	11/28/2016 10:19 PM
147	certainly not like the Moor Platt development which is not, in my opinion ,the best use of this Village site. Developers seem to cram too many houses onto the plot.	11/28/2016 3:26 PM
148	Use of local stone Pitched roofs Normally only one or two storeys	11/27/2016 6:05 PM
149	Homes should fit in with the scale of their surroundings	11/27/2016 5:20 PM
150	No high rise, nothing taller than 2 storeys. Ideally real stone facings, low density, environmentally sound. Nothing too chocolate boxy, respect this is a working village.	11/27/2016 4:59 PM
151	ANOB status has its own limitations	11/27/2016 4:34 PM
152	in keeping with the village	11/27/2016 10:01 AM
153	sympathetic with existing buildings	11/26/2016 2:10 PM
154	They should have chimneys!	11/25/2016 10:15 PM
155	Building materials in keeping with the area.	11/25/2016 8:45 PM
156	something that balances peoples living needs to existing houses	11/25/2016 8:13 PM
157	In keeping with the area but flexible. Modern living based and environmentally friendly	11/25/2016 7:40 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

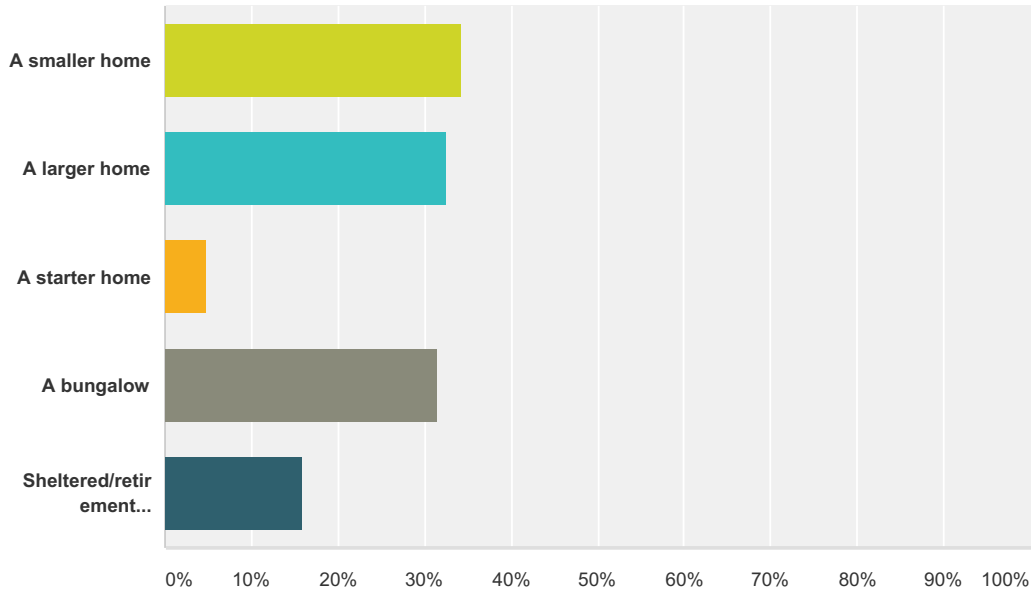

158	Must be in local materials to harmonise with existing architecture;	11/25/2016 6:35 PM
159	Price is more important than look but should try to match what the village already has.	11/25/2016 5:07 PM
160	Housing that makes good use of space, ie terracing, but that keeps sight lines for others, ie not the practice of jamming houses in very close to each other such as moor platform.	11/25/2016 1:46 PM
161	As long as it's not built on a flood plane or sinking marshland and is built to withstand more than 50 years without falling apart.	11/25/2016 11:38 AM
162	I prefer homes that fit in with the houses that are already here instead of the brand new ones that look too modern and different.	11/25/2016 10:44 AM
163	It's nice if they blend in with their immediate surroundings and/or use local stone or pretend local stone - the Moor Platt development is awful for 2 reasons - far too close to the main road for the occupants and stupidly non-local stone colour.	11/24/2016 10:29 PM
164	Sensitive design in keeping with village	11/24/2016 8:42 PM
165	Exterior materials/classic should inkeep with the existing village and not be an eyesore	11/24/2016 6:32 PM
166	In keeping with the village	11/24/2016 1:51 PM
167	They should be decent size family homes in keeping with their surroundings	11/24/2016 11:12 AM
168	Should fit in with those nearby and all new property issues should be considerate to those already living there.	11/24/2016 11:04 AM
169	They should look like they belong to a village life....stone or brick but lower level I.e no block of flats and no 'quirky' modern architectural features.	11/24/2016 9:57 AM
170	In keeping with the surrounding buildings.	11/24/2016 9:50 AM
171	Anything that doesn't look like Moor Platt! The properties facing the main road should have been faced with real stone. That said, we have a real mix of property styles. New homes should either be of real stone in keeping with older properties (if the new homes are located alongside old stone properties) or completely modern without trying to fit in.	11/24/2016 8:44 AM
172	They should fit in with the other buildings around them - stone faced, rendered etc. No higher than anything around them so as not to change the outlook. Other issues should be governed by planning.	11/24/2016 8:26 AM
173	Do not mind- good to have variations	11/23/2016 10:19 PM
174	Keep within the existing limits and styles of the village, ie no higher and using similar, local materials if possible. All new homes should be environmentally sustainable.	11/23/2016 10:06 PM
175	Two storey stone fronted, slate roof. Traditional style	11/23/2016 8:56 PM
176	They should fit in with the village.	11/23/2016 8:35 PM
177	Developed property should be stone faced to preserve a more rural feel to the area. No multi storey buildings Double / triple glazed, well insulated, solar panels we need a mixture of affordable properties; houses and bungalows with 1, 2 or 3 bedrooms with gardens and off road parking for at least 2 cars.	11/23/2016 8:02 PM
178	As traditional as possible	11/23/2016 7:50 PM
179	Overly restrictive rules are not helpful but builds need to be sympathetic to the history and landscape - allow diversity and not innovation without eyesores - above all else build to a quality that gives longevity	11/23/2016 7:05 PM
180	Recent developments are fine. Not town houses.	11/23/2016 7:02 PM
181	Two to three storeys maximum, depending on how they will look in their proposed locations; pitched roofs (preferably slate); stone where locations make it more appropriate; NOT wood!	11/23/2016 6:56 PM
182	Built with claughton brick and other local materials	11/23/2016 5:59 PM
183	They should look like cottages in a village. Don't spoil our rural village.	11/23/2016 5:23 PM
184	Brookhouse isn't the prettiest villiage with the 1960's shop block . Need to have attractive properties	11/23/2016 4:45 PM
185	They should fit in with the look of the village , as though they've been there for years !	11/23/2016 1:35 PM
186	In keeping in local stone where possible. New build estates tend to be pavement less to ram more houses in to maximise profit.	11/23/2016 1:03 PM
187	I think developments which are too dense will make the village lose the feel of a village.	11/23/2016 12:07 PM
188	Generally they should be sympathetic to local construction style without being dogmatic. Good modern design can be perfectly acceptable, but bad design no matter what materials or style is still bad	11/23/2016 11:43 AM
189	New builds should blend and match existing building materials and finish. Avoiding exceeding existing height restrictions. Taking into consideration road access and increases to parking and traffic. providing sufficient space for resident and visitor parking.	11/23/2016 10:49 AM

Caton-with-Littledale Neighbourhood Plan: survey for local residents

190	Local vernacular, scale and size. Traditional materials. Negotiate with the developers for use of real stone rather than reconstituted stone etc. Good landscaping and above standard parking with homes to prevent the clutter of on street parking and preserve the street scene	11/23/2016 10:22 AM
191	In keeping with the village, but not looking like council houses.	11/23/2016 9:28 AM

**Q27 If you would like to stay in the village but move to a different house, which would you choose?**

Answered: 190 Skipped: 89

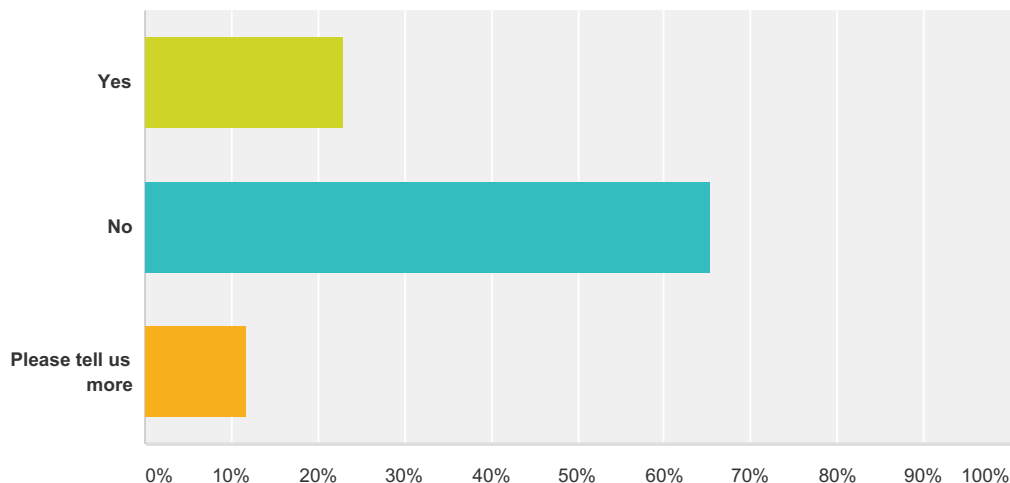

Answer Choices	Responses
A smaller home	34.21% 65
A larger home	32.63% 62
A starter home	4.74% 9
A bungalow	31.58% 60
Sheltered/retirement accommodation	15.79% 30
<b>Total Respondents: 190</b>	

**Q28 Do you know anyone who has left the village because they could not afford to live here? Or anyone who is living with family or friends when they would prefer a place of their own in the village?**

#	Please tell us more	Date
1	4 people or more	1/7/2017 7:50 AM
2	Cost to buy or rent. Poor and expensive transport especially for getting to work early or having late finishes.	1/6/2017 1:47 PM
3	Housing cost too high.	1/4/2017 3:13 PM
4	This could have been my choice five years ago but I was lucky enough to stay around here at the moment.	1/3/2017 3:31 PM
5	daughter would like to live here but prices high.	1/2/2017 8:06 PM
6	Lack of housing with gardens for less than £140-150,000	12/30/2016 5:33 PM
7	My family have moved to the town because of the cost of public transport particularly for school children's daily commute. The cost of housing especially property to rent.	12/30/2016 4:09 PM
8	we have only lived here in recent years, so not much knowledge	12/21/2016 3:47 PM
9	Couldn't afford mortgage	12/20/2016 5:38 PM
10	Bedroom tax - couldn't find smaller house in the village	12/18/2016 7:37 AM
11	Hardly any places to rent that are a large 2/3 bed. I waited 18 months to find mine. Plenty for sale, hardly any to let. Why?	12/11/2016 12:48 AM
12	I	12/10/2016 11:09 PM
13	Yes myself would love to live in the village instead of living with parents	12/10/2016 4:48 PM
14	low cost to rent is needed	12/9/2016 3:01 PM
15	low cost/rent is needed	12/9/2016 2:38 PM
16	Brother got more property for his budget in Halton so now lives there.	12/8/2016 6:27 PM
17	son can't afford to live here	12/7/2016 7:08 PM
18	my daughter when first married, now returned	12/7/2016 12:43 PM
19	Very clear from my experience of having one son who did not attend university, that the majority of local young people who have not attended university have not been able to live locally or bring up their families locally at this stage of their lives. Most end up reluctantly in Morecambe or Lancaster. The exceptions are those who together with partners have a high enough joint income to buy . Council houses for rent once solved this problem.	12/7/2016 10:54 AM
20	daughter	12/7/2016 10:22 AM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

21	left the village because they could not afford to rent and worse one of the couple could not get to or from work due to the bus cuts	12/5/2016 9:55 PM
22	Yes both my daughters had to move to Lancaster & Morecambe	11/28/2016 10:19 PM
23	We are currently looking to buy our first home. But looking elsewhere due to prices for size of home we would like. Which is a shame.	11/25/2016 7:40 PM
24	My son is living with us as can not afford to buy in the village but does not wish to move out. My granddaughter who is pregnant can afford to buy or private rental has had to move in with her mother in a small 2 bed.	11/25/2016 12:38 PM
25	I have friends who wanted to rent a property within Caton and Brookhouse and have been unable to find a property.	11/23/2016 8:02 PM
26	I had to leave the village for 7 years as I couldn't afford to live here. I have only in the last 2 years been able to afford to move back (at 36 years of age).	11/23/2016 12:46 PM

### Q29 Anything you would like to add on housing in the village?

Answered: 99 Skipped: 180

#	Responses	Date
1	A plea for remembering we are in an aonb. Sympathetic Build and please consider using prime sites such as Bargh for elderly and disabled people as the access is fantastic to all village amenities - this was totally renegeged upon with the moor platt development	1/8/2017 12:52 PM
2	Planning should be done carfully and local people should be informed in plenty of time about plans for new housing. They should be given a say as to whether they approve of such development or not, and be able to influence where it takes place and how.	1/7/2017 11:24 PM
3	I am keen to see new development in the village however it must be properly planned and managed. From what I have seen over recent years the developments have generally failed on both counts.	1/7/2017 6:11 PM
4	I think it is important to strike the balance when building new homes. Families and business people need to be able to afford to live here. The village needs continual movement of people coming to live here to protect the villages future prosperity. On the other hand we need to be careful we don't destroy the reason they want to come here because it is rural and beautiful and a great place to bring up children. So protect all the greenbelt areas.	1/7/2017 3:42 PM
5	Scale of new development depends on access, parking, school places etc. Type of homes, sort of tenure - need a mix I'm happy where I am and have made thoughtful provision should I get old or infirm	1/7/2017 7:50 AM
6	Strict supervision needs to be enforced upon builders plans for developing village sites	1/7/2017 7:31 AM
7	There is already a large new development at Moor Platt and one coming at SJ Bargh. That is enough.	1/7/2017 7:05 AM
8	Caton has already become a Lancaster dormitory and lacks the village atmosphere, It is too big to be called a village any more.	1/6/2017 7:11 PM
9	Affordable houses for the next generation would be good	1/6/2017 4:37 PM
10	the closure of Moor Plat was a great loss to our village	1/6/2017 2:48 PM
11	We need more to make the village sustainable	1/3/2017 6:13 PM
12	This village does not need more large (3+ bedroom) houses. It needs 1-2 bedroom houses that can be bought outright, not 'affordable' small houses that are always part rented. This will help younger people properly on to the housing ladder in their local area and discourage landlords and wealthy people from benefiting further from poor planning decisions	1/3/2017 4:17 PM
13	More green space - tree planting etc within the development.	1/3/2017 11:08 AM
14	The private rented sector is not being looked after. Some of their owners are letting to undesirable tenants therefore their properties are being left to ruin. Also some gardens are being neglected and are in need of a good tidy up. There is need of a voluntary group that can help with keeping gardens tidy.	1/3/2017 10:16 AM
15	Should always be planned with view to infrastructure needs e.g. doctors, schools. etc.	1/2/2017 8:06 PM
16	I am suspicious that there might be some NIMBYism around and people wanting to keep things as thy are. We do need to provide affordable homes for less well-off people who may often be local and who should benefit from the abundant amenities and pleasures which those of us living here already have.	1/2/2017 11:33 AM
17	There is a shortage of 4-bedroomed houses for families.	1/1/2017 4:38 PM
18	Young people without a car will struggle to find work if the buses don't run in the evenings. The elderly will have similar problems accessing hospital appointments etc. So houses just for middle aged, no children but a car!	1/1/2017 1:19 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

19	The trend for extending small dwellings has depleted the stock of small dwellings. It is almost impossible to find a small home with a decent sized garden.	1/1/2017 9:35 AM
20	I think we have enough housing stock.	12/31/2016 1:07 PM
21	Keep it small not sprawling and not be a blot on the landscape!	12/31/2016 11:35 AM
22	Any substantial house building would threaten the essential nature of our community which could become characterless urban overspill.	12/30/2016 6:19 PM
23	I would like to emphasize the need for 2 bedroom houses to purchase at full price (not "affordable housing" which is shared ownership housing).	12/30/2016 5:33 PM
24	no building on green field sites	12/30/2016 2:14 PM
25	Bigger gardens	12/30/2016 1:20 PM
26	Houses should be where there is adequate approach roads, ie not off Sycamore	12/30/2016 11:50 AM
27	There should be a cross range of housing in the village to cater for all but with a greater emphasis on affordable housing for the younger generation	12/29/2016 8:33 PM
28	If there's to be more housing, there ought to be a specific area of land for each property. Unlike the new housing on Moor Platt!	12/29/2016 3:45 AM
29	let common sence prevail	12/28/2016 2:00 PM
30	On the whole no. Just keep our built boundaries where they are eg do not encroach on the Lancaster side of Quernmore Road or over Artle Beck	12/23/2016 12:59 PM
31	the building company's would need to be aware of the disruption to the village. Efforts to keep this to a minimum needs supervision to ensure this	12/22/2016 12:08 PM
32	houses occupy less space than bungalows (of which there are plenty in the village); for that reason I would encourage houses/flats in new developments	12/21/2016 3:47 PM
33	It brings more and more vehicles into the area - what are will you do to garage/park them?	12/20/2016 5:52 PM
34	New houses to have space for two cars	12/20/2016 5:38 PM
35	I do not want to see any developments on greenfield sites or green belt.	12/20/2016 4:46 PM
36	The new Moor Platt is awful. Very cheap looking. They have used poor materials that will not age well. The have no design features. The front doors look like back doors and look cheap. There are some new houses built in the village of Dunsop bridge. They are a terrace and have very attractive fronts and are a nice addition to their village. I suggest anyone interested in building new houses here takes a look at them	12/18/2016 8:30 PM
37	Homes for rent for local people must be a priority	12/18/2016 7:31 AM
38	Development of SJBargh site should be accompanied by some sort of speed control at the start of the village, a roundabout maybe as outside the Moor Hospital	12/17/2016 3:27 PM
39	Infrastructure must be there to cater for new homes.	12/17/2016 10:39 AM
40	Ask the Catholic Church if it is prepared to sell the land adjoining Our Lady's Church for affordable housing. Ask LCC to move their depot closer to the new motorway junction and use the existing land for a housing development.	12/17/2016 9:35 AM
41	we have lived in Brookhouse, happily for 46 years	12/16/2016 10:52 AM
42	would like some over 55 housing to buy like a McCarthy & Stone envelopment	12/16/2016 10:43 AM
43	-/-	12/15/2016 11:46 AM
44	The housing should reflect the needs of the community rather than the whims of developers	12/14/2016 7:04 PM
45	I don't think that building on greenfield sites in the AoONB is acceptable, unless it's a redevelopment on an existing site.	12/14/2016 5:51 PM
46	Allow sufficient space for cars (including visitors) when building houses. Otherwise cars park on pavements and block access.	12/13/2016 7:58 PM
47	keep it as a village	12/13/2016 10:28 AM
48	Have incentives to encourage smaller independent local builders to create small attractive developments in keeping with the village rather than allowing the likes of Persimmon or Taylor Wimpey to come and spoil our village with their huge estates of cardboard houses.	12/12/2016 9:18 PM
49	Excellent design and eco will provide houses cheap to run, very good looking, and local training and job opportunities for constructors/sparks/chippies etc	12/12/2016 7:45 PM
50	keep it looking like a village and not over develop	12/12/2016 10:39 AM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

51	When considering new housing ensure that there is adequate drainage (especially after the recent floods) and that the infrastructure can cope.	12/12/2016 1:16 AM
52	to many new houses will destroy the village feeling	12/11/2016 9:21 PM
53	As above, why are there so few rentals available in Caton? Is the village becoming gentrified?	12/11/2016 12:48 AM
54	For local people to get 1st choice on a rented/ buy house	12/10/2016 7:46 PM
55	Any further building must take into account the sustainability regarding schools and social facilities available within the village. I don't want the village to become a retirement annexe of Lancaster.	12/10/2016 3:06 PM
56	cant live in the past, but can do without fake Tudor mansions	12/9/2016 3:01 PM
57	Infrastructure is just as important as quantity, quality and location of new housing.	12/9/2016 11:49 AM
58	Avoid sprawl and ribbon development. Avoid out-of-town developments. Keep development proportionate to local needs and the AONB status so that the community remains sustainable with an appropriate age structure.	12/8/2016 6:13 PM
59	It should be borne in mind that there is comparatively little space to expand outwards, thus there is little scope to increase the numbers of new property by more than 50-100 in the next 10 years or so.	12/8/2016 3:29 PM
60	No	12/7/2016 7:08 PM
61	i would like to see affordable housing for my grandchildren going forward	12/7/2016 12:43 PM
62	The village is large enough	12/7/2016 11:31 AM
63	Qu 28 is tricky as the answer remains hidden. It is partly a generational issue - very sore if your children or their friends are in this category. But only applies to proportion of residents who themselves rear families locally, or to grandchildren of such families. Cannot be quantified, with current survey approach.	12/7/2016 10:54 AM
64	Make some housing accessible close to the village centre.	12/5/2016 9:55 PM
65	If more houses are to be built, then the amenities need to be addressed. For example the co-op already isn't big enough. The butcher left and we don't have a bakery.	12/4/2016 7:45 AM
66	We are hoping to move to a family home, there aren't many in our price bracket.	12/4/2016 6:56 AM
67	I think sheltered flats for the elderly would be really helpful	12/3/2016 11:30 PM
68	I know of 1 of the churches in the village who are full to capacity and need land for a new church, can this be considered and something done to continue to preserve our faith community?	12/3/2016 10:59 PM
69	I am unsure if I will be able to afford to live in the village once my child reaches 18 as the council tax will increase by 25% and also the child tax credits will stop - so I am dreading next year - how can people survive in the village with only 1% pay rises - we are a one parent family and it can be very daunting	12/3/2016 10:57 PM
70	I believe that houses should be made properly and made sure that they will last as long as some of the houses in village have lasted already. I also believe they should have ample amount of garden space and not just a match box.	12/2/2016 3:43 PM
71	I think that there should be a lot of consideration going into not only where they are but how they look. I know that there is a large amount of pressure to build enough houses for the every growing population but if it is a necessity for us to build some they should be done on abandoned sites and designed to add to what is already in the surrounding area.	12/2/2016 3:11 PM
72	we must be realistic about housing development but make every effort to be in a position to influence it	11/30/2016 7:00 PM
73	Would prefer the village to be left as it is with minimal development.	11/29/2016 6:45 PM
74	we should have some affordable homes only for SALE to local people so that our children are able to stay in the village	11/28/2016 10:19 PM
75	Why do you not develop more apartment buildings such as on Station Road for older residents in order to release existing houses for families	11/28/2016 3:26 PM
76	I realize that as a village we will have to grow, and that nimbyism is selfish I would prefer development of brown field to green field I'm thinking of Barge's Yard. Wholesale un- regulated sprawl into the surrounding fields with result in a characterless dormitory with no community spirit. I know because i have lived in one in the midlands.	11/27/2016 5:20 PM
77	we have got enough	11/27/2016 10:01 AM
78	People I know who have left the village have done so because of the poor bus service: mainly younger workers or students who aren't earning enough to run a car. Getting to work and the absence of nightlife makes the village less appealing to young people.	11/25/2016 8:45 PM
79	variety good - more control of 'affordable / assisted' housing buyers...buyers aren't always thoroughly checked..	11/25/2016 8:13 PM
80	Don't build on green fields;	11/25/2016 6:35 PM
81	Cost is too high for young people to stay here	11/25/2016 5:07 PM

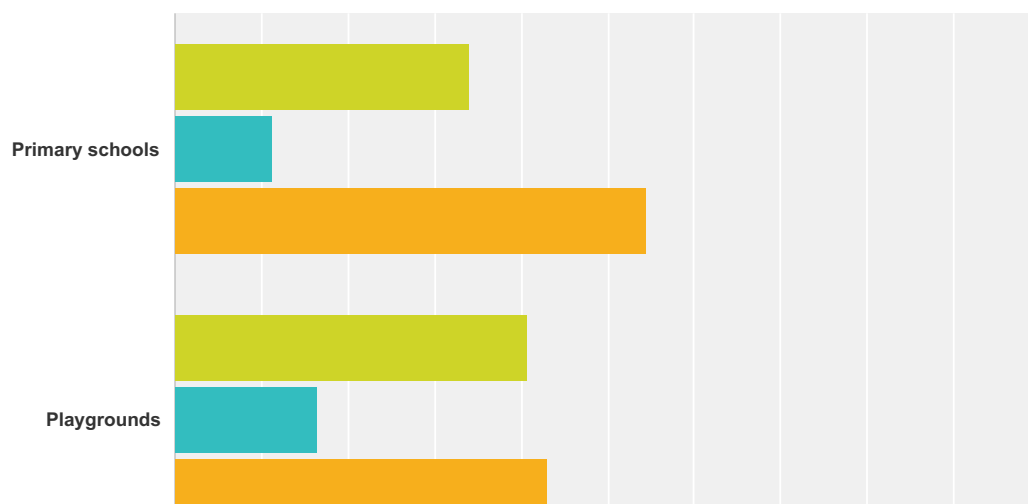

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

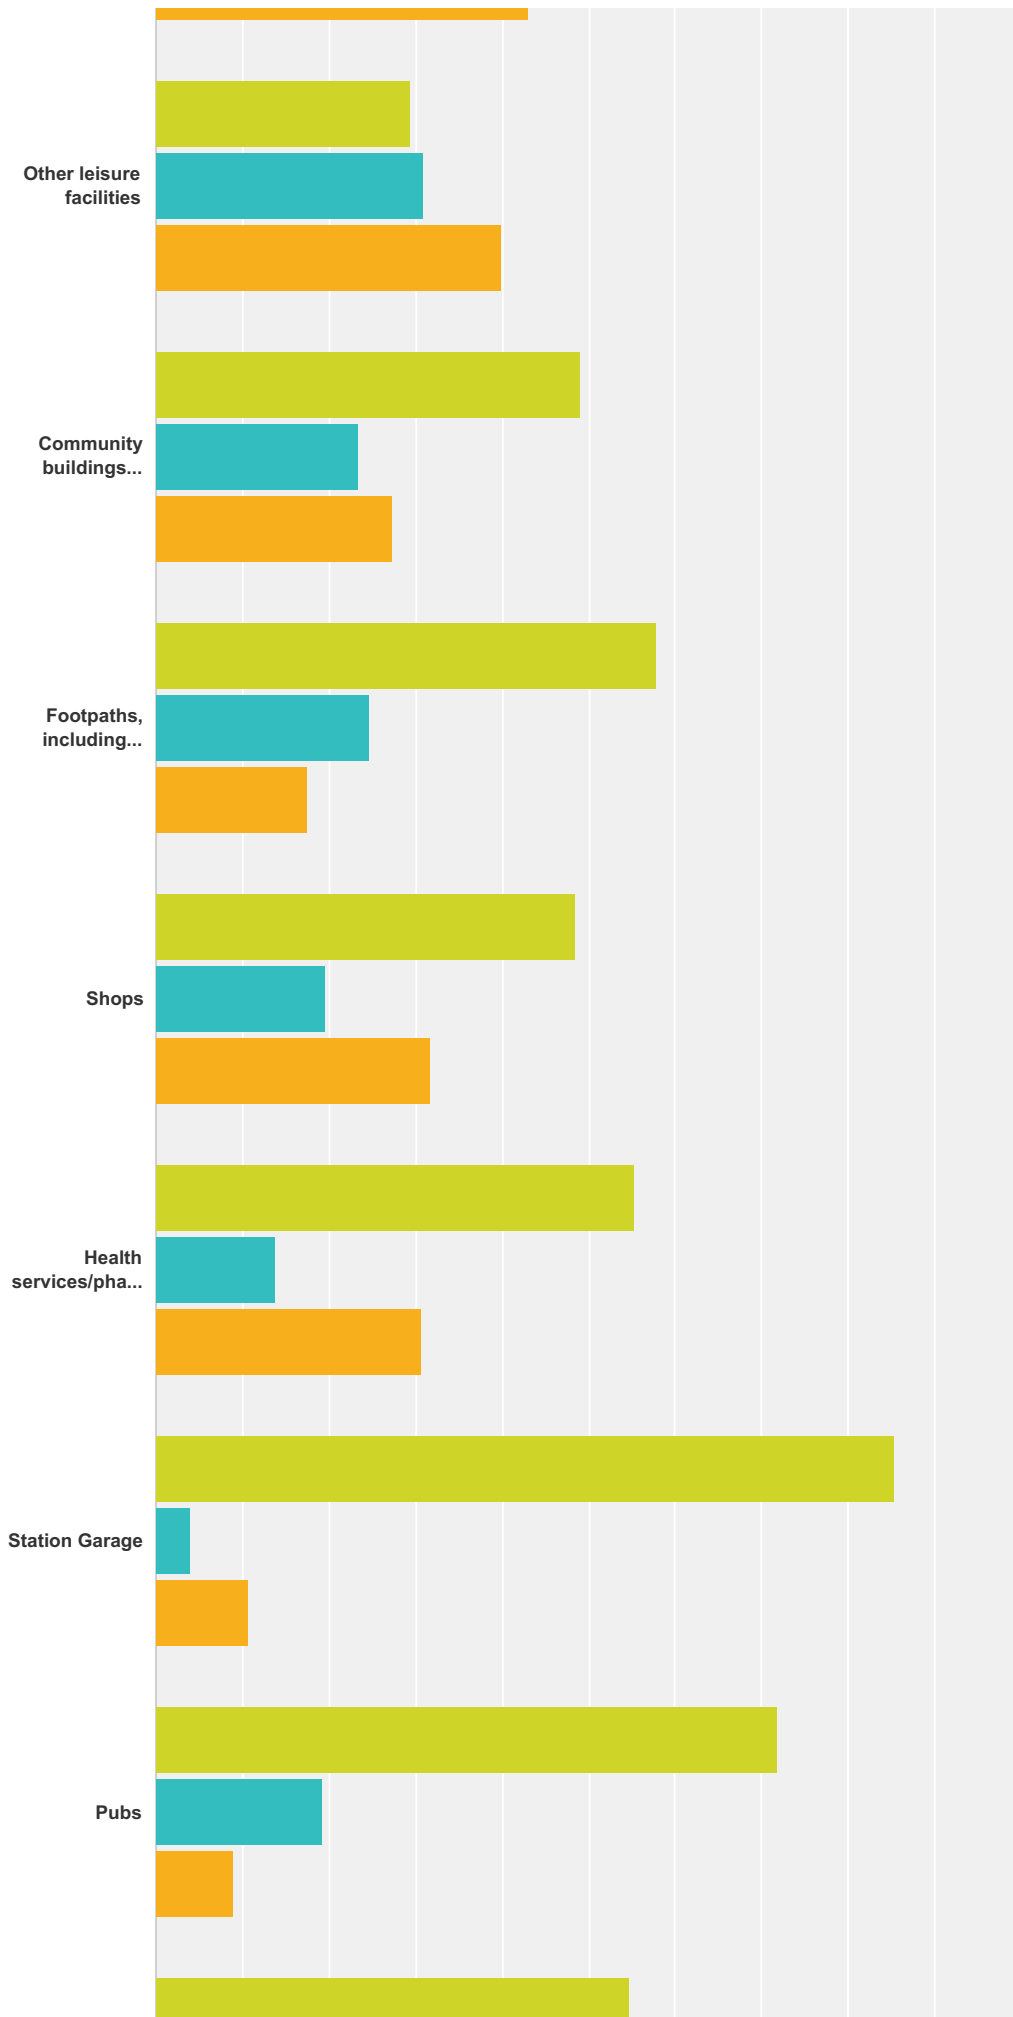

82	Please think of the people of the village first .	11/25/2016 12:38 PM
83	I'd say there's a good range of housing within the village, but nothing effectively under 600pcm considering poll tax.	11/25/2016 11:38 AM
84	We do not want to become a suburb of Lancaster. Large or even medium scale expansion is not needed because there have been several recent large developments and the Council are meeting their housing targets elsewhere. The Neighbourhood Plan should focus on small scale developments that are in keeping with the AONB and help retain the rural village feel and spirit that is so important to many residents.	11/24/2016 8:42 PM
85	Noting to be built in an area which would take away important history or the landscape	11/24/2016 6:32 PM
86	It should be affordable housing suitable for families and any rental properties should be for people with strong ties to the village	11/24/2016 11:12 AM
87	Any planned development should take into account the demand on schools, doctors, parking, transport etc with all those parties in the loop.	11/24/2016 8:44 AM
88	All new housing should fit within the boundaries but not use communal green spaces and be designed to blend in with everything around them.	11/24/2016 8:26 AM
89	Nothing	11/23/2016 10:06 PM
90	We need to put an order on most of the houses in caton and brookhouse and sell to people who have an connection or have been brought up in the village and would like to get back in the village	11/23/2016 8:35 PM
91	More B&B to encourage tourism	11/23/2016 8:02 PM
92	Keep green spaces between the houses and big enough gardens	11/23/2016 7:02 PM
93	Happy to see more housing in general and would encourage more imaginative developments than the Moor Platt blobs	11/23/2016 6:56 PM
94	The main thing to remember is we are a village and chose to live here because we love the village/rural life style. If people wanted to live in a city they could. But we all chose to live here.	11/23/2016 5:23 PM
95	Better parking garage so not sharing drives	11/23/2016 2:40 PM
96	Leave my village alone ! It's a village , for a reason , it's not a town!!	11/23/2016 1:35 PM
97	Careful consideration not to lose green spaces and amenities. Sites like barghs need to be developed	11/23/2016 1:03 PM
98	People who live here choose to live in a village - mostly accepting the drawbacks. I would not like it to become another suburb of Lancaster.	11/23/2016 12:07 PM
99	Housing isn't necessarily a bad thing- it keeps the services, schools, leisure facilities sustained. Everywhere needs to take some extent of the identified local housing need and Caton shouldn't be exempt from that. Sensitive design on appropriate sites can be achieved through the local development plan route (but unfortunately the current planning legislation means pressure for housing anywhere via current applications not just on allocated sites -but that's a different issue with no current solution!!)	11/23/2016 10:22 AM

### Q30 More development will bring increased pressure on village amenities. What do you think about these facilities and services now? And what might need improvement?

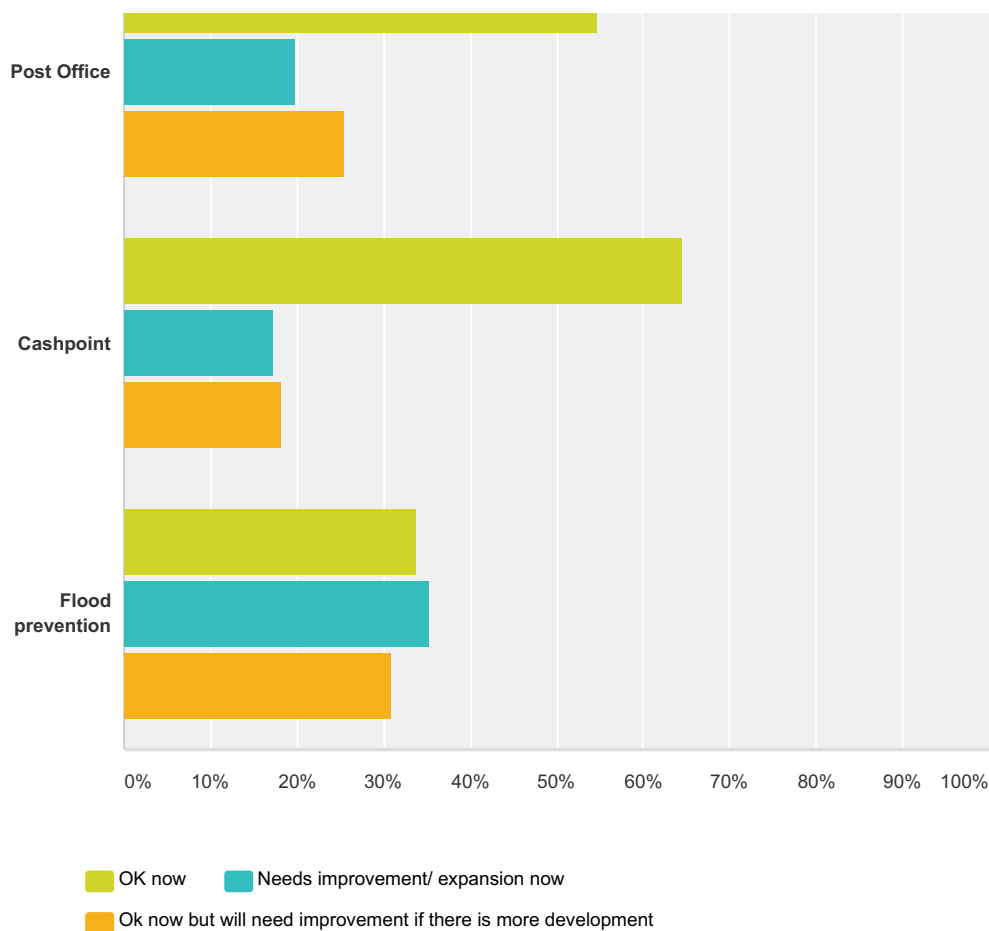

Answered: 244 Skipped: 35

# Caton-with-Littledale Neighbourhood Plan: survey for local residents

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

	OK now	Needs improvement/ expansion now	Ok now but will need improvement if there is more development	Total
Primary schools	34.12% 72	11.37% 24	54.50% 115	211
Playgrounds	40.64% 89	16.44% 36	42.92% 94	219
Other leisure facilities	29.35% 59	30.85% 62	39.80% 80	201
Community buildings (Victoria Institute, church halls)	49.12% 111	23.45% 53	27.43% 62	226
Footpaths, including Millennium Footpath and Cycleway	57.87% 136	24.68% 58	17.45% 41	235
Shops	48.54% 116	19.67% 47	31.80% 76	239
Health services/pharmacy	55.41% 128	13.85% 32	30.74% 71	231
Station Garage	85.33% 192	4.00% 9	10.67% 24	225
Pubs	71.75% 160	19.28% 43	8.97% 20	223
Post Office	54.74% 127	19.83% 46	25.43% 59	232
Cashpoint	64.44% 145	17.33% 39	18.22% 41	225
Flood prevention	33.80% 72	35.21% 75	30.99% 66	213

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

#	Anything to add?	Date
1	I have ticked "Flood prevention" because I believe there are ways to slow down the rate of water pouring of higher land and off developed land - even private driveways.	1/8/2017 1:10 PM
2	The post office never has both tills open, which can be frustrating. Not sure the shop/post office combination is ideal, for staff or customers.	1/7/2017 11:32 PM
3	Need to return to a manned police presence / station/house	1/7/2017 3:46 PM
4	many of the services are underused at present	1/7/2017 11:25 AM
5	Will the existing sewage system be enough to cope with Bargh's garage development?	1/6/2017 7:15 PM
6	pressure will be placed on many of the above	1/6/2017 2:50 PM
7	Flood prevention. More tree planting/hedge planting/better verge management/	1/3/2017 11:13 AM
8	Better policing for our community. More shops/market stalls etc.	1/3/2017 10:19 AM
9	You haven't mentioned churches. 'OK now but will need improvement if there is more development'	1/2/2017 11:45 AM
10	no	12/30/2016 2:22 PM
11	Improved communication / cooperation to maximise the usage of the existing facilities we already have in the two villages	12/29/2016 8:43 PM
12	don't know enough to have opinions on some of above	12/29/2016 3:59 PM
13	no post office in caton	12/28/2016 2:06 PM
14	Reinstate the bus service	12/28/2016 12:24 PM
15	There is an a priori assumption here which I do not accept. Silly question actually as the answers are obvious	12/23/2016 1:08 PM
16	more shops, supermarket	12/22/2016 12:10 PM
17	Don't know re playgrounds/primary schools/flood prevention	12/21/2016 3:50 PM
18	Flood prevention should be a priority.	12/20/2016 4:52 PM
19	we have no post office, no bank in Caton & fewer buses to get up to Brookhouse	12/16/2016 11:09 AM
20	This parish, in common with other parts of the country is likely to have to accept some further modest housing development. However, it should not compromise in any way the distinctive, rural character and landscape of the AONB.	12/14/2016 7:04 PM
21	no more building	12/13/2016 10:29 AM
22	Flood plain development would be crazy.	12/12/2016 7:50 PM
23	monitoring of the river	12/12/2016 10:41 AM
24	It isn't possible to answer the above questions sensibly without knowing how much development is planned.	12/12/2016 1:19 AM
25	Caton community primary needs sorting out. About 30 kids go	12/11/2016 2:30 AM
26	cash point needs replacing	12/10/2016 4:51 PM
27	Extra bus stops along Hornby rd	12/9/2016 3:02 PM
28	Co-op cashpoint frequently empty or out of order and does not offer mini-statements or receipts.	12/9/2016 11:59 AM
29	Cafe would be nice near the North Lancashire Cycleway to encourage people to stay.	12/8/2016 6:20 PM
30	a tea/coffee cafe in village	12/7/2016 12:45 PM
31	This is a ridiculously muddled question and expects respondents to lump together disparate items, concepts, or something else. No conclusions are possible from the answers, as they have no definitive meaning. Hopefully what would not ensue is an undignified bun fight for funds, with the friends of those making decisions having most influence on distribution. There is another point. As there are many different sources of support for the multiple items in each lumpy heading, the question is a political one, inappropriate for grass roots village democracy.	12/7/2016 11:02 AM
32	public transport. Sheltered housing	12/5/2016 10:00 PM
33	We could do with supermarket that gives greater choice than the CO OP	12/2/2016 4:39 PM
34	I would like to add about the park that I believe it is extremely dangerous to have boulders where kids are running around and playing - it's an accident waiting to happen.	12/2/2016 3:45 PM
35	The primary schools are very good however they cannot cope with the strain of more families moving to the village. Caton St Pauls especially already has an increasing number of pupils there which is putting pressure on the amount of resources they have. Caton Community will need improvements in order to take in more if there is to be more housing developments and therefore more young families.	12/2/2016 3:14 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

36	Getting B4RN to the village. Charge points for electric cars.	12/1/2016 8:56 PM
37	Increased development and more housing will mean that the number of children and young people in the village will increase and the facilities must develop in line with their needs.	11/27/2016 5:04 PM
38	cafe...longer opening hours of institute and make it more 'friendly'...feels old fashioned and distant	11/25/2016 8:17 PM
39	Although a lot of the village has been fairly recently updated, a large influx of new residents would require a re-think.	11/25/2016 11:49 AM
40	,	11/24/2016 10:42 PM
41	Allotments. Needed now and will be needed more if the villages grow.	11/24/2016 10:32 PM
42	More parking and public toilets	11/23/2016 7:06 PM
43	Cycleway improvement would ideally be extension up the valley towards Hornby	11/23/2016 7:00 PM

### Q31 And finally - any other comments on how you would like to see our village develop through to 2031?

Answered: 108 Skipped: 171

#	Responses	Date
1	Caton is a lovely place and like everywhere else it must accept that new houses will be needed but it is important that new developments are controlled and sympathetic to existing village	1/8/2017 7:51 PM
2	With careful planning - not hurriedly done under pressure.	1/7/2017 11:32 PM
3	A properly thought out long term plan is needed which enables development of designated areas in line with properly defined density and quality specifications that complement the existing neighbourhood.	1/7/2017 6:23 PM
4	It is a great shame that the Ship Inn passed from a tenanted establishment into group ownership. Over the past 10 years this place has been run down and down by a steady flow of disinterested managers form out of the village and poorly managed staff. It has transmogrified from a cosy village pub into an atmospherless urban dump offering erratic opening hours and food big screen advertising that local people have neither asked for or need. Bring back the pub landlord/lady who have a stake and an interest in local people and the local community, the cosy friendly place that should be at the heart of the village. As the present owners can't seem to do that then lets get rid of them and run it as a co-operative. There are very fine examples of other villages doing just this and it would be lovely to see it happen!	1/7/2017 3:53 PM
5	I forgot to mention on the leisure question. The need for youth fac. I think this is urgent now.	1/7/2017 3:46 PM
6	The various becks around the village need to be checked out more often - blockages from debris or deposit of rubbish etc.	1/7/2017 7:32 AM
7	Drains need to be cleaned and gutters swept regularly in winter	1/7/2017 7:21 AM
8	A larger car park in Caton would be useful	1/7/2017 7:06 AM
9	Big question is whether Caton gets even bigger and no longer a true village, I have seen huge changes in my adult lifetime	1/6/2017 7:15 PM
10	Don't let it get too big but continue in the same friendly well organised way	1/6/2017 4:40 PM
11	we understand the overall need for more housing, this should not destroy the character of the village and surrounding areas	1/6/2017 2:50 PM
12	architecture design and quality of materials	1/6/2017 11:45 AM
13	Any future development should be used as an opportunity, eg through section 106 planning agreements, to provide additional facilities for the local community such as an allotment and additional community greenspace	1/3/2017 4:19 PM
14	A community farm, community garden so that everybody can have fresh veg, fruit to pick as needed	1/3/2017 4:04 PM
15	My family have been happy here and we hope to be still living here in 2031.	1/3/2017 3:34 PM
16	Stylish house development on brownfield sites, NOT fields and green space.	1/3/2017 11:13 AM
17	Better policing for out community. More shops/market stalls etc.	1/3/2017 10:19 AM
18	Slowly and well planned.	1/2/2017 8:08 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

19	I think we are very privileged to have a wonderful village. To think of 'developing' it is not the right word. Enhancing, maybe, but even then it is hard to say how. Housing is necessary and (as stated) needs to be sensitive to the needs of the full range of the socio-economic population. I sometimes think we are too inward looking but appreciate the twinning group. Could anyone imagine us putting on our website 'Immigrants welcome here'?	1/2/2017 11:45 AM
20	I wouldn't want the village to be over-developed so it would lose its character.	1/1/2017 5:04 PM
21	It's a wonderfully sociable village with so much on offer that I really wouldn't want to see any changes other than improved parking on Copy Lane/Greenfields and retention of all current businesses.	1/1/2017 1:23 PM
22	The natural divide between Caton and Brookhouse is Artlebeck. There is land to the north and south of Brookhouse road that is currently deemed undeliverable for development purposes but could be deemed to be infill without unduly encroaching on existing properties within the village.	1/1/2017 9:44 AM
23	I think that Caton and Brookhouse should remain the size that it is now.	12/31/2016 1:11 PM
24	Try to retain the village feel and any development keep it low key.	12/31/2016 11:35 AM
25	I moved here from a remote village to be nearer civilisation, I have been here for 18 months and don't think I could improve on what I find now. I am very happy here.	12/30/2016 5:00 PM
26	must keep the "village feel" and not allow it to become a dormitory town	12/30/2016 2:22 PM
27	Something for teens to do in the evenings sick of seeing them hanging about causing trouble	12/30/2016 1:21 PM
28	Safeguard the existing open recreational spaces.....you cannot have a football field down on the floodplain. Allow limited housing development which is sympathetic and not overbearing on the existing properties. This may include development of some additional green fields site(s). BUT above all else, seek a ceiling now on the overall numbers the village is expected to sustain.	12/30/2016 12:41 PM
29	Not to be spoilt by building larger houses for commuters to Preston or further afield	12/30/2016 11:52 AM
30	Encourage small shops / businesses to the area, (e.g. favourable business rates). Educating and encouraging people in the villages to support local shops otherwise they are not sustainable	12/29/2016 8:43 PM
31	Roads and verges, pathways kept clear. Buses more regular. Postal services. Access to properties for parking.	12/29/2016 3:53 AM
32	caton needs smartening up. eg footpaths weeding	12/28/2016 2:06 PM
33	Better transport links to Lune valley and Lancaster/Morecambe using public transport. Green spaces being protected! A butchers would be great!	12/28/2016 12:24 PM
34	Protect the surrounding green belt and views. No more windfarms nearby.	12/26/2016 4:51 PM
35	Again I suspect most people like me are deeply conservative (small c) and want things to stay as they are. No development is necessary and our well being is largely dependent on the wider economy. If only I had enough money to buy all the land surrounding the village I would and then leave well alone. I suspect this is why so few reply to this survey. if you had a question 'should we leave well alone' I believe that would be the overwhelming response. it is not indifference. There is plenty to do here if you are so inclined and it is already a wonderful and happy place to live. Thank you all who allow this to happen.	12/23/2016 1:08 PM
36	a supermarket in the affordable price range should be encouraged on the old Bargh site. The Co-OP is ok for supplementing a food shop, but the cost and choice is not for a weeks shopping	12/22/2016 12:10 PM
37	No, we're new to the village and we love it!	12/21/2016 10:52 PM
38	Please don't let it develop into a town, keep it small, keep the community spirit going where people talk to each other and pass the time of day.	12/21/2016 8:45 PM
39	Please let's not allow any more ugly developments such as Moor Platt. Do not allow the sports field to be built on.	12/20/2016 4:52 PM
40	The addition of a safe foot path from Gresgarth to the village	12/18/2016 8:31 PM
41	A local retirement home or flats like the MCarthy Stone development in Kirkby Lonsdale which free up family homes for younger people.	12/17/2016 3:34 PM
42	Lopping of large overgrowing trees around houses.	12/17/2016 10:53 AM
43	I would like to see the Parish Council take back power to develop our health and education services, and have more say in planning, road maintenance and leisure facilities. It would mean that local people would have more say in the decision making which directly affects their lives on a day to day basis.	12/17/2016 9:41 AM
44	reinstate our buses both to Lancaster and Kirby Lonsdale	12/16/2016 11:09 AM
45	Please do something about the buses so teenagers can see their friends from secondary school and be independent. The bus tickets are extremely expensive for the service we get i.e. Non on a Sunday!	12/15/2016 4:01 PM
46	i would hate to see the village turn into a small town	12/15/2016 12:35 PM
47	More affordable homes for those who wish to live/stay here seem to me to be the first priority	12/14/2016 8:56 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

48	The villages need to plan their development carefully so as not to lose their identity and rural nature. Any development must reflect the needs of the people and not the desires of developers to make more money. There are many mid size and larger properties in the parish that are not selling, the area does not need more. Inappropriate development means that such properties lie empty and deteriorate. Properties for young starters and downsizers seem to be more appropriate	12/14/2016 7:13 PM
49	If new development is forced upon the village it should at least be a credit to the village rather than lessening it's appeal like the Moor Platt development does.	12/14/2016 3:05 PM
50	sensible and sympathetic to retain its character and not grow into an unattractive suburb of Lancaster	12/14/2016 1:58 PM
51	Take care of the fabric and structure of the village to allow everyone to enjoy it	12/13/2016 7:59 PM
52	Keep it as it is	12/13/2016 10:29 AM
53	We desperately need a coffee shop! Especially for all those cyclists.	12/12/2016 9:21 PM
54	limited amount of high-quality, sensitive development on brownfield sites would add to attractiveness of the area; enhancement of social/sporting spaces; cherishing of rural setting to avoid loss of rural surrounds and character.	12/12/2016 7:50 PM
55	Make every effort to retain the character of the village.	12/12/2016 1:19 AM
56	Just don't ruin anything! I love it here!	12/11/2016 12:49 AM
57	Give local families first refusal on council/housing houses instead of shipping in people from out of town & then local people with family ties having to move away or pay ridiculous rates of rent for private rentals	12/10/2016 8:05 PM
58	I am happy to see more building if it is well planned and suitable. more younger people need to be able to afford village life as villages die without new younger blood. I feel that more people being involved in the village and taking part in making it a great place to live.	12/10/2016 3:09 PM
59	easy access to local facilities	12/9/2016 3:02 PM
60	any development must keep in mind the support services and infrastructure of schools, health service/community buildings & leisure/sports facilities. I would like to see new build concentration local homes for local people, affordable so young people can stay in the village and older people downsize. We don't want to be a dormitory to Preston/Lancaster etc	12/9/2016 2:43 PM
61	BT needs to make high-speed broadband available to the whole village. Current capacity does not meet the demand and new housing developments will only exacerbate the situation.	12/9/2016 11:59 AM
62	If businesses, especially public houses, plan to close then everything possible should be done to find a suitable way of maintaining them as active businesses for a sustainable community before agreeing to a change of use. This is especially true of the pubs. Farms should be allowed to re-develop farm buildings maintaining the character of the farmsteads provided it does not compromise the viability of the farm. Change of use to accommodation could be done especially where it protects the viability of the farm and/or enhances security.	12/8/2016 6:20 PM
63	Improved bus services coupled with some means of alleviating the volume of 'passing through' traffic if at all possible.	12/8/2016 3:34 PM
64	Stay a nice village to live in with better public transport.	12/8/2016 8:38 AM
65	I would rather it didn't change at all	12/7/2016 7:10 PM
66	As a Church (Caton Baptist) we are looking for a place for a new building to meet. There are no places within the village that might be suitable. We would like to see the village expand in manageable ways that help us to retain the character and identity of the are.	12/7/2016 3:34 PM
67	maybe a nice wine bar evening noise problematic, need local policeman again	12/7/2016 12:45 PM
68	As part of the Forest of Bowland	12/7/2016 11:02 AM
69	more shops, more buses, scrap the parish rates we get nothing for it	12/7/2016 10:23 AM
70	kept as a village	12/7/2016 10:16 AM
71	No huge housing developments. Much more effective traffic calming measures, better road markings. Better upkeep of the cycle path, more emphasis on the different community groups working together.	12/5/2016 10:00 PM
72	To develop so that it keeps its village feel and doesnt loose it community spirit. Of course we have to have more housing but this should be limited and of a variety and to be affordable for everyone	12/4/2016 9:09 PM
73	I would hope Caton could retain its ability to be a little village and not turn into a small town.	12/4/2016 7:49 AM
74	By not growing so big that we loose the village feel and great community spirit	12/3/2016 11:33 PM
75	See previous comment about Church. Need more family sized houses. St Pauls school seems to be doing well but concerned about the Community school and the small numbers vs the space they have and how it is used.	12/3/2016 11:02 PM
76	I understand the need for more affordable housing but make it affordable to young people and develop brown field sites like Barges old truck garage before venturing into fields on the outskirts of the village.	12/2/2016 4:39 PM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

77	I would like to see the village develop in ways that benefits everyone in the community rather than things for the older group and the very young and missing out the young adults in the middle. Overall though I love living in the village as it has a real sense of community and I love living in the countryside away from the stress of the town centre.	12/2/2016 3:14 PM
78	Some more marketing to attract tourists would be beneficial.	12/1/2016 8:56 PM
79	More things for young people	11/30/2016 10:45 PM
80	we would all prefer development to be limited and tasteful and must accept that whilst we cannot control it we may be able to influence it	11/30/2016 7:02 PM
81	I moved to this village because of how it is. I don't want it enlarged solely due to the greed of developers and to meet misconceived government targets.	11/29/2016 6:48 PM
82	Already commented on previous questions.	11/29/2016 1:51 PM
83	Housing development on outskirts find by me but I would not like to see any developments in the centre of the village that would effect existing much needed facilities, views for people living there etc	11/29/2016 12:55 PM
84	keep promoting community spirit & do things to get people to get to know their neighbours better	11/28/2016 10:21 PM
85	Make sure all developments are carefully thought out in the future to ensure the village continues to be a desirable place to reside.	11/28/2016 3:32 PM
86	We cannot be set in stone, whilst many would prefer no development at all we must accept that there will be new developments and we must be able to tailor the facilities and development to get the best for the village without losing our feeling of separateness. We do not want to become a dormitory village for Preston etc. We have a thriving Community and we want to keep it that way.	11/27/2016 5:04 PM
87	Reserve the beauty of the village and the crook o lune area	11/27/2016 4:36 PM
88	Developments are necessary, but it is important to keep the village feel and not lose that	11/26/2016 2:12 PM
89	The new street lighting is good. Can we negotiate a bus service from town to Caton and back to help local workers? The main road needs to look more visually attractive with attention paid to the verges and flower beds.	11/25/2016 9:32 PM
90	if you want to keep it as a village make a more obvious break between it and Brookhouse...Brookhouse brings / has and is causing increasing social problems...getting more obvious	11/25/2016 8:17 PM
91	Keep the local and friendly feel but embrace the change that comes	11/25/2016 7:42 PM
92	By then I would like to see more sheltered housing and provision for residences for elderly.	11/25/2016 6:37 PM
93	Affordable housing while keeping play areas for children	11/25/2016 5:08 PM
94	More buses! Something in place for the older kids 11+	11/25/2016 11:55 AM
95	Hopefully we don't overdevelop and turn a nice friendly village into effectively a council estate. Woodies and bull beck burger van are under appreciated.	11/25/2016 11:49 AM
96	Caton/Brookhouse has been my home for 40 years. It is a good place to live (especially for people who work at Lancaster Uni).	11/24/2016 10:32 PM
97	I think the old Barghs site should be developed but am against the area around Escowbeck Farm and Cottage being developed	11/24/2016 6:39 PM
98	Keep it as it is.	11/24/2016 1:52 PM
99	With consideration to those who are already living there.	11/24/2016 11:07 AM
100	I would like to see it remain as it is, with all of the above facilities and hope it continues to thrive.	11/24/2016 9:52 AM
101	I would like the friendliness and community feeling to stay and/or improve.	11/24/2016 8:28 AM
102	Keep the rural look. Traffic calming through the village.	11/23/2016 7:06 PM
103	Keep it a village. Resurface Bull Beck car park. It's a good breakfast stop on a walk down to the river in the morning. It would be nice to see a farmers market develop in the institute but this was tried and seemed to fail. Some sort of transport for elderly people to Asda/Morisons etc to do shopping once a week, this is available in Lancaster and Morecambe but I'm not aware of it in the rural areas.	11/23/2016 5:34 PM
104	More affordable housing but family homes not starter homes we are having to rent as can't afford to buy in the village	11/23/2016 2:42 PM
105	Just leave it alone please	11/23/2016 1:37 PM
106	Better mobile phone and internet access.	11/23/2016 12:11 PM
107	Maintain and improve the infrastructure of the village inc roads and footpaths.	11/23/2016 10:51 AM

## Caton-with-Littledale Neighbourhood Plan: survey for local residents

108	Would love to see the facilities, esp shops, sustained. Think there is an market for a cafe for local people and tousirs but obviously that's outside of the scope of the neighbourhood plan. Would like to see protection of the play park in Fell View as an identified local green space in the neighbouring plan.	11/23/2016 10:24 AM
